Section 7

APPENDIX – PROGRAM OVERVIEW AND APPLICATION INSTRUCTIONS

PROGRAM OVERVIEW

The British Columbia (B.C.) Ministry of Education and Child Care (the Ministry) is proud to offer the B.C. International Education Mobility Programs (IEMP) for the 2024/25 school year in support of B.C. school districts, students, and communities throughout the province. The IEMP is administered by the British Columbia Council for International Education (BCCIE) on behalf of the ECC. Awards are subject to available funding.

PROGRAM AIMS

- Increasing opportunities for B.C. students to develop intercultural skills and global competence;
- Promoting a more equitable distribution of international education benefits across the province;
- Developing and strengthening relationships with foreign partners;
- Working toward diversification of the international student population in B.C.; and
- Promoting B.C. as a preferred study destination for international students.

KEY HIGHLIGHTS FOR 2024/25

- As in recent years, the program is running with a smaller funding envelope, therefore funding ranges have been adjusted accordingly.
- The program will continue to be available to all districts regardless of program size.
- Ambassador scholarships will not be available for this school year.
- School districts must submit a single application for all proposed activities and award funding is provided in one allocation. Please note, school districts do not have to apply for all activity categories. Only apply for those activities you feel will benefit your district and may be completed in the 2024/25 school year.
- The Lead Applicant (e.g., head of international education program) is responsible for filling out and submitting the application.
- Applications are due by **October 1, 2024**.
- The Lead Applicant is responsible for submitting to BCCIE a detailed **Final Report** by **September 3, 2025**. See the [Reporting Requirements](#) section below for additional details.

ADJUDICATION PROCESS

Applications will be adjudicated based on the following criteria:

- Alignment with program aims.
- Alignment with government priorities or existing programs (e.g., Memorandums of Understanding, Reconciliation / Indigenization, Global and Intercultural Skills Program (GISP) pilot).
- Awards are prioritized in the following order: Student Group Exchanges, Teacher Exchanges, Capacity Development.
- Priority may be given to school districts establishing new international education programs, or expanding smaller programs (e.g., programs with 100 or fewer international students).
- Priority may be given to activities that involve Indigenous students, or activities related to Indigeneity.
- Priority may be given to activities that engage international partners which include:
 1. B.C. government international [MOU partners](#)
 2. District or school international MOU partners
 3. Sister city partners
 4. Emerging markets, i.e., countries that are not traditionally large sources of international students studying in B.C., or countries in which school-to-school relationships are less common, but which can benefit B.C. through increased diversity, or which have the potential for growth.
- Award recipients will be chosen from applications that meet the eligibility criteria and are complete, taking

the above considerations into account.

- Regional representation will be considered, depending on the number of applications and availability of award funding.

AWARD NOTIFICATION AND DISTRIBUTION

- BCCIE will notify Lead Applicants of districts with successful applications by email.
- Notification of the Award value will be sent to the school district by **October 18, 2024**.
- In the event that there are insufficient applications that meet the eligibility criteria, Award amounts may be increased, or funding may be offered to specific partners to support other similar K-12 initiatives.
- Individual Award recipients (students and teachers) may be contacted for testimonials and images at a later point to be used for promotional purposes, with their consent.

REPORTING REQUIREMENTS

- Lead Applicants are required to submit a **Final Report** to BCCIE on behalf of their districts for all funded activities by **September 3, 2025**.
- Final Reports should include the following elements:

Student Group Exchange (if applicable)

- Summary of activities undertaken
- Description of learning aims and outcomes, including pre-departure preparation, in-travel activities, and post-travel reflections
- Description of how mobility award funding was used
- Description of foreign partner engagement (e.g., which activities were part of the partnership, what longer-range plans are for engaging the partner on an ongoing basis)
- Lessons learned / advice for best practices

Teacher Exchange (if applicable)

- Summary of activities undertaken
- Description of learning aims and outcomes, including pre-departure preparation, in-travel activities, and post-travel reflections
- Description of how mobility award funding was used
- Description of foreign partner engagement (e.g., what activities were part of the partnership, what are the longer-range plans for engaging the partner on an ongoing basis)
- Lessons learned / advice for best practices

Capacity development activities (if applicable)

- Summary of activities undertaken and alignment with district IE Program goals
- Description of how mobility award funding was used

APPLICATION INSTRUCTIONS

NOTE: Sections 1, 5, and 6 of the application form are mandatory.

SECTION 1 – LEAD APPLICANT INFORMATION (REQUIRED)

Lead Applicant Information

- In this section, fill in your business contact information and school district details in full.
- For *School District International Student Enrolment for 24/25*, enter the total number of students expected to enrol in the district in the first semester. For example, if you have 90 students studying in your district on September 15th, but are expecting another 15 students to arrive on September 22nd and 15 additional students by October 1st, please enter 120.

Proposed Activities for Funding

- Complete the table as follows:
 - In the “Funding Requested” column, enter your proposed budget for each activity.
 - If you are not applying for a particular activity, enter zero (0) in the “Funding Requested” field.
 - For other proposed activities, enter your best estimate based on activity type, destination, etc. (Please round to the nearest hundred).
- Add all the “Funding Requested” fields and enter the total in the “Total funding requested” field.

Statement of district IE Program Goals

- Describe your school district’s overarching IE Program goals. Some questions you may want to consider:
 - How will the IEMP funding be used to benefit the students and schools in your district?
 - How does the international education program align with the strategic plan (or priorities) in your district?
 - Where would you like to see your international education program go in the next 2 / 5 / 10 years, and how will that ultimately benefit students and schools in the district?
- Response should be **250 words maximum** (bullet points are preferred).
- Please do not include any personal information or third-party personal information (i.e., talk about others) in your response.

SECTION 2 – STUDENT GROUP EXCHANGES

Purpose

- Student group exchanges provide opportunities for B.C. students to go abroad and develop intercultural skills and global competence. They also provide opportunities to develop or strengthen district-to-district or school-to-school partnerships, and in some cases support diversification of the international student population.

Eligibility Criteria

- Exchange and mobility activities must meet the following eligibility criteria:
 - Align with the overarching IEMP Program Aims and district IE Program aims goals;
 - Be organized by a B.C. public school and approved by the board;
 - Have a minimum of five (5) B.C. students participating from between Grades 8 to 12;
 - Have a minimum duration of one (1) week; and
 - Take place between **August 31, 2024** and **August 31, 2025**.

NOTE: Funds can be applied to eligible student airfare, transfers, and accommodation expenses. A detailed accounting of expenditures (only for the award funding and not for overall activity costs if total costs exceed award funding) will be required in the **Final Report** (see [page 10](#) above). Receipts are not required.

Application Instructions

- Enter the destination jurisdiction (country and province) for the activity. If there is more than one jurisdiction, please include all.
- Enter the number of B.C. students anticipated to take part in the activity.
- Select the applicable radio button to indicate One-way or Reciprocal exchange.
- In the text box, give a brief overview of the proposed exchange activity and the goals you hope to accomplish through this initiative.

SECTION 3 – TEACHER EXCHANGES

Purpose

- Teacher exchanges provide opportunities for B.C. teachers to go abroad for the purpose of relationship building with a foreign partner, which may lead to future engagement and possible student exchange opportunities, and for professional development.
- School districts may only request one (1) Teacher Exchange award per district.

Eligibility Criteria

- The teacher involved in the exchange must:
 - be a B.C.-Certified teacher in good standing;
 - have a position and continuing contract (or equivalent) at a B.C. public school; and,
 - have the support of the school's principal.
- Priority may be given to exchanges that have a strong relationship-building component (i.e., strengthening relationships with a foreign education partner for the purpose of facilitating or enhancing future student exchange).

NOTE: Activity may already have occurred at the time of application. Funds can be applied to eligible airfare, transfers, and accommodation expenses planned to occur **between August 31, 2024 to August 31, 2025**. Applicants cannot engage in “paid employment” while abroad and should not receive funding from another source for this mobility activity (e.g., scholarship, bursary, grant, travel award, professional development, etc.).

Application Instructions

- There is space on the application form for one (1) proposed teacher exchange.
- **Do not** include teacher names, or other personal information on the application. This information will be required in the **Final Report** submission (see [page 10](#) above for details).
- Enter the destination jurisdiction (country and province). If the exchange activity is going to more than one jurisdiction, please list all.
- “Foreign Partner” refers to a school or organization. Do not include personal details, such as a foreign teacher's name.
- Under “Primary purpose of the trip” select the applicable radio button for one-way or reciprocal exchange.
- In the text box, give a brief overview of the proposed exchange activity and the goals you hope to accomplish through this initiative.

SECTION 4 – CAPACITY DEVELOPMENT

Purpose

- The intention of the “capacity development” award is to support B.C. school districts to engage in international education to the benefit of local students, schools, and communities.
- Capacity development may take on a number of different forms. However, all proposed capacity development activities should support the district IE Program goals.

Examples of activities that this award may be used to support include:

- Staff training (e.g., workshops related to international education, such as student mental health, marketing

- practices, etc.) – may include travel and accommodation for domestic workshops
- Consultant (or contractor) fees for consultation / training related to international education
- Membership fees (in an international education or related association)
- Participation in mentorship programs

NOTE: Other capacity development activities may be eligible but must be approved by BCCIE before funds can be expended.

Instructions

- In the box, briefly summarize the type of activity / expenditure requested.

SECTION 5 – APPROVAL FOR REPURPOSING FUNDS (REQUIRED)

- Repurposing of funds is possible for proposed activities that cannot be completed (e.g., cancelled due to travel restrictions). However, all repurposed funds must:
 - Have a reasonable explanation for why the proposed activity cannot be completed;
 - Align with the school district IE Program goals; and
 - Be approved in writing by the Ministry before the funding is expended.

Instructions

- Ensure you read [Appendix](#) and understand all requirements for repurposing funds.
- Check the box to indicate you have read and understand your responsibilities as Lead Applicant.

SECTION 6 – LEAD APPLICANT SIGNATURE (REQUIRED)

- With your signature, you are confirming that you:
 - Have thoroughly read and understand both the application form and this Appendix, and you agree to the terms therein;
 - Will distribute funds in a manner consistent with your district’s stated IE Program goals as outlined in your application;
 - Will adhere to Freedom of Information and Protection of Privacy Act (FOIPPA) guidelines in the act of sharing any personal information; and,
 - Have filled out the application form with information that is true to the best of your knowledge.
- Please enter your name and date in the text boxes.
- Add your signature (electronic signature is acceptable).

SUBMISSION

The Lead Applicant must submit the application package to BCCIE at bccie@bccie.bc.ca with a subject line reading “**2024-2025 IEMP Application**” by **October 1, 2024**.
