

## Notice of Relinquishment

I, \_\_\_\_\_, state that I wish to relinquish my British Columbia teaching certificate(s):

☐ effective June 30, 20\_\_\_\_. I understand that I will continue to be sent all regular correspondence, including annual fee payment reminders, until July 1.

☐ effective \_\_\_\_\_ (MM/DD/YYYY). I understand that I will continue to be sent all regular correspondence until the effective date.

☐ effective immediately.

I understand that relinquishing my BC teaching certificate(s) will discontinue my privileges of voting in BC Teachers' Council elections, cease the delivery of all Ministry correspondence and result in the cancellation of my certificate(s).

I understand that, should I wish to return to teaching in BC, I will be required to apply for a new teaching certificate and meet all application requirements that are in place at that time. I understand that all fees for a new application will be charged at the rates in effect at that time.

I understand that relinquishing my BC teaching certificate(s) in no way diminishes my past contributions or service to the teaching profession in BC. My pension and benefits are not impacted in any way. Relinquishing my certificate(s) simply means that I am not eligible to return to teaching in BC until I am granted a new BC teaching certificate.
