Courses encompass only one organized set of learning outcomes. While completion of the course's learning outcomes may be over a number of registration periods, only one course is undertaken and therefore eligible for only one funding claim. (Ref. Form 1701 Instructions, P.12) **NOTE:** There is to be evidence of a qualified teacher's instructional component to meet the requirements of Section 17 of the *School Act* and [BC Reg 265/89](#), Section 4 (Duties of a Teacher)

CAREER/SKILLS TRAINING/DUAL CREDIT TRANSITION PROGRAM OF COURSES

*Career programs offer the opportunity to get first-hand work experience in a career setting. [Career and Skills Training website](#))

NOTE: Schools and Boards of Education may also create career program courses as approved BAA educational options. Schools must use Ministry course codes identified through the [Course Registry](#)

Audit Steps: Prior to audit, request a list of all students in career/skills training and PSI transition courses, as well as the name of the district/schools' Career Program Coordinator. It should be that this district staff member will have all the documentation for each funded student claim.

NOTE: If associated with a post-secondary partner see related audit process below. If a BAA course option, audit in accordance with standard course eligibility verification above.

Career Preparation - *prepares students for entry into the workplace, or continued studies at the post-secondary level in a **specific** career sector.*

Cooperative Education – *provide students with opportunities to explore one or more career possibilities.*

(Ref. Form 1701 P.11)

Youth WORK in Trades/Secondary School Apprenticeship-WRK/SSA (school age only) *courses provide students with opportunities to begin apprenticeship training while in secondary school* (Ref. Form 1701 Instructions, P.12) and meet the requirements as outlined in the current [Program Guide for Secondary School Apprenticeship](#)

NOTE: *each of these four credit courses are only claimed once regardless of the number of reporting periods the student requires to complete the work place component* (Ref Form 1701 P.13 – for WEX and WRK).

Audit Steps: use the auditor's Career Program checklist for WRK/SSA based on the following Ministry directives to verify WRK/SSA course(s).

NOTE: also refer to WRK/SSA Summary of Attendance Indicators to assist with verifying attendance/active status of each WRK/SSA course claim.

WRK/SSA allows secondary students to earn graduation requirements while transitioning into the work force with a total of 480 hours of work experience (not to overlap with WEX12A/12B). Program consists of WRK11A/B and WRK12A/B – each 4-credit course claims. Requirements in accordance with Program Guide for Secondary School Apprenticeship:

- Students must have an in-school orientation
- Students must have sponsors recognized by the ITA
- Students in WRK/SSA programs complete an ITA registration form with the school district coordinator, and ITA recognized sponsor
- School district coordinator registers WRK program students as **youth apprentices*** with the ITA, keeps copies of all forms required for registrations, and retains the ITA ID number for the duration of the apprenticeship and verifies worksite WorkSafe BC coverage
- **Educators must**, in conjunction with employers/sponsors, **establish a training plan** for students and sponsors once students are registered with ITA

Work Experience Order)

Audit Steps: use the auditor’s Career Program checklist for WEX. **NOTE:** also refer to WEX Summary of Attendance Indicators to assist with verifying active status of each WEX course claim.

Before undertaking work study program portion of WEX course:

- Boards must establish guidelines regarding conduct, supervision, evaluation and participation of students in all school-arranged work placements
- Students must have an in-school orientation

Youth Train in Trades-TRN/ACE IT (school-age only) is an industry training program for high school students. Through an ACE IT program, students take courses that will provide both high school graduation credits that are equivalent to the first level of apprenticeship technical training.

NOTE: All Districts/Board Authorities are required to submit an up-to-date Commitment Form for the 2018/19 school year (Ref. current [ITA Train in Trades Program Guide](#))

Audit Step: Obtain a copy of the Commitment Form for the 2018/19 school year and follow audit procedures using auditor’s Career Program checklist for TRN/ACE IT and also use auditor’ PSI checklist for Post-Secondary Transition Programs (educational option through a third-party provider).

TRN/ACE IT programs are developed and offered as partnerships between school districts and **post-secondary institutions**, and classes are often taught at colleges (or ITA approved training centres) through agreements with school districts. Districts claim for student funding with a funding transfer to the college. Work Experience (WEX12A and 12B) placements could be part of this program of courses, or students could be enrolled in both TRN/ACE IT and a WRK/SSA program. *Students must be registered in a technical training program funded by the Industry Training Authority in order to report students in Youth TRAIN in Trades Programs.* (Ref: Form 1701 Instructions, P.12)

Post-Secondary Transition Programs (school-age only)

Post-secondary transition programs are educational programs that combine secondary and post-secondary courses , and that lead to Grade 12 graduation as well as help students make smooth transitions **to further education or training**. (Ref. [Recognition of Post-Secondary Transition Programs for Funding Purposes policy](#)).

NOTE: All school age students may be eligible for this educational option if the courses are/were part of the student's planned program leading to graduation. (Ref. Form 1701 P.12).

Audit Steps: use the detailed PSI audit steps document – criteria is based on Ministry directives verifying Post-Secondary Transition Program course claims:

- Students begin taking the post-secondary courses that are part of their transition program during their Grade 11 or Grade 12 year
- Post-secondary courses lead to a post-secondary credential from a district partnered post-secondary institution, which is a member of the [BC Transfer System](#)
- District has a current agreement with the post-secondary institution(s)
- Course(s) is/are part of a school district program that is an educational option for school-age students and aligns with planning for student's **specific occupation**
- School district pays tuition costs for post-secondary courses reported for funding
- Student's annual plan of courses is annually updated, signed [by student], **listing the transition program course(s)** including when and where student takes the post-secondary course(s)
- There is evidence the purchased educational services are under the general supervision of an employee of the board who is a certificate holder per Sec.86 *School Act*
