WHEREAS:

- A. In 2005, British Columbia and the First Nations Leadership Council, representing the Assembly of First Nations-BC Region, First Nations Summit, and the Union of BC Indian Chiefs entered into a New Relationship and signed the Transformative Change Accord, the purposes of which is to implement a government-to-government relationship based on an effective working partnership, enhanced collaboration, mutual respect and recognition and accommodation of Aboriginal title and rights and achieve the mutual goals of closing the social and economic gap between First Nations and other British Columbians.
- B. - H. This Agreement is intended to assist in achieving stability and greater certainty for forest and/or range resource development on Crown lands within the Traditional Territory of the Hesquiaht First Nation which will enhance the ability of the forestry and ranching industries to exercise timber harvesting and grazing rights in a timely, economic, and environmentally sustainable manner while longer term interests of the Hesquiaht First Nation are addressed through other agreements or processes.

3.0 Forest Revenue Sharing Contribution

3.1 Recipient Entity:

- 3.1.1 Unless the Hesquiaht First Nation elects to have another entity (its "Designate") receive Revenue Sharing Contributions pursuant to section 3.1.2, recognizing that any such election does not relieve the Hesquiaht First Nation of its obligation under this agreement, the Hesquiaht First Nation will be the recipient of the Revenue Sharing Contributions.
- 3.1.2 Where the Hesquiaht First Nation chooses to have its Designate receive Revenue Sharing Contributions under this Agreement, British Columbia may withhold payment of the Revenue Sharing Contribution until it is satisfied that the Designate is a registered corporation or society with the legal authority and capacity to receive the funds for the purposes described in section 2.0 and that it has been appointed by Band Council Resolution documented in Appendix D to receive the Revenue Sharing Contribution on behalf of the Hesquiaht First Nation.

- 3.3 Notwithstanding section 3.2, for the BC Fiscal Year in which the Effective Date falls (the "First Fiscal Year of the Term") the amount calculated in accordance with Appendix C is deemed to be \$100,563. For further certainty the first payment under this agreement will be on March 31, 2013.
- 3.4 For the purposes of determining the amount of the Revenue Sharing Contribution for partial BC Fiscal Years, the amount will be prorated to the month in which the Agreement is signed by the Hesquiaht First Nation.
- 3.5 Before November 30th of each year during the Term, Hesquiaht First Nation will receive written notification from British Columbia of the Revenue Sharing Contribution for the following BC Fiscal Year (including the summary document(s) and calculations identified in Appendix C) and the Hesquiaht First Nation agrees that such written notification will have the effect for the purposes of this Agreement of describing the amount of the Revenue Sharing Contribution under this Agreement for that following BC Fiscal Year.
- 3.6 For each BC Fiscal Year subsequent to the First Fiscal Year of the Term, the Revenue Sharing Contribution will be provided by British Columbia to the Hesquiaht First Nation or its Designate in the manner specified in section 3.2 only if Hesquiaht First Nation has published all of the necessary statements and reports before the appropriate dates as set out in section 6.0 of this Agreement, is in all other respects in compliance with the terms of this Agreement and this Agreement has not been suspended or terminated pursuant to section 10.0.

- 4.1 The Parties agree that consultation with respect to impacts to Hesquiaht First Nation's Aboriginal Interests arising from any Operational or Administrative Decisions or Operational Plans is to be carried out in accordance with the process set out in Appendix B of this Agreement.
- 4.2 British Columbia will use the map of the Hesquiaht First Nation's Traditional Territory used in the *Hesquiaht First Nation Interim Agreement on Forest Opportunities* which map will be set out in this Agreement as Appendix A, unless this is the first such agreement between British Columbia and Hesquiaht First Nation in which event the Hesquiaht First Nation will provide a hard copy map of its Traditional Territory and a digital copy of the Traditional Territory boundary conforming to current government mapping standards, which hard copy will be set out in this Agreement as Appendix A.
- 4.3 Hesquiaht First Nation agrees that British Columbia may share the map of the Traditional Territory as set out in Appendix A with another provincial government agency and/or a licensee responsible for information sharing associated with a decision that is subject to this Agreement.
- 4.4 The Parties agree that in the event Hesquiaht First Nation enters into a SEA or RA with British Columbia after the Effective Date which includes a consultation process which addresses forest and range management and decision making, the consultation process set out in the SEA or RA will supersede and replace the consultation process set out in this Agreement for the term of the SEA or RA if the SEA or RA so provides; and in any such case, if the SEA or RA terminates prior to the end of the Term, the Parties agree that the consultation process set out in Appendix B of this Agreement will apply for the remainder of the Term.
- 4.5 In the event that the Effective Date falls after the date on which Hesquiaht First Nation enters into a SEA or RA with British Columbia that includes a consultation process which addresses forest and range management and decision making, and the SEA or RA is subsequently terminated prior to the end of the Term, the Hesquiaht First Nation agrees that this Agreement will be amended within 60 days of the date of termination of the SEA or RA to include a consultation process in this Agreement.

- 5.1 Hesquiaht First Nation acknowledges that forest revenues received by British Columbia fluctuate and that the Revenue Sharing Contributions under this Agreement will vary over time.

Operational Decisions and/or Operational Plans in the Traditional Territory from October 1, 2012 to the end of the term of this agreement.

- 5.3 Subject to section 5.2, this Agreement does not address or affect any claims by the Hesquiaht First Nation regarding impacts on its Aboriginal Interests resulting from past Operational or Administrative Decisions made by British Columbia prior to the effective date of this Agreement.
- 5.4 Hesquiaht First Nation agrees that during the term of this Agreement, if the consultation process set out in this Agreement is followed, British Columbia has adequately consulted and has provided an accommodation with respect to potential infringements of Hesquiaht First Nation's Aboriginal Interests in the context of Operational Decisions and Administrative Decisions that British Columbia will make and any forest or range practices that may be carried out under an Operational Plan in the Traditional Territory

6.0 Community Priorities, Annual Reports and Records

- 6.1 Hesquiaht First Nation covenants and agrees as follows:
- 6.1.1 Within 60 days of the Effective Date of this Agreement, Hesquiaht First Nation or its Designate will prepare a statement of community priorities covering the term of the Agreement, substantially in the form set out in Appendix E that outlines activities it intends to fund to help achieve the socio-economic objectives identified in section 2.2. This statement will outline the community priorities based on the First Fiscal Year Revenue Sharing Contribution.
- 6.1.2 Before the end of each BC Fiscal Year, Hesquiaht First Nation or its Designate will update the statement of community priorities identified in section 6.1.1 based on the updated Revenue Sharing Contribution described in section 3.5.
- 6.1.3 Within 90 days of the end of each BC Fiscal Year, Hesquiaht First Nation or its Designate will prepare an annual report, substantially in the form set out in Appendix F, identifying all expenditures made from the Payment Account since the date of the last such report (or, in the case of the first such report, since the Effective Date of this Agreement) and confirming that, aside from reasonable administrative expenses, all such expenditures were made for the purpose of accomplishing the purposes and objectives referred to in section 2.0.
- 6.1.4 British Columbia retains the right at its sole discretion, such discretion to be exercised reasonably, to require an audit of expenditures made from the Payment Account to ensure that all such expenditures were made for appropriate purposes under this Agreement, such audit to be at the expense of the Hesquiaht First Nation or its Designate.
- 6.1.5 The documents referred to in sections 6.1.1, 6.1.2, and 6.1.3 will be

published by Hesquiaht First Nation or its Designate in a manner that can reasonably be expected to bring the information to the attention of its communities and the public.

6.1.6 Notwithstanding the termination or expiry of this Agreement, Hesquiaht First Nation or its Designate will continue to comply with the provisions of section 6.1 until 90 days after it receives the last Revenue Sharing Contribution from British Columbia.

6.2 If Hesquiaht First Nation requires funding ("capacity") to engage in consultation processes on forest and range decisions, or with other provincial Ministries where Hesquiaht First Nation has entered into an SEA and/or RA with British Columbia, up to \$35,000 annually of the Revenue Sharing Contribution will be used by Hesquiaht First Nation for that capacity during the Term of this Agreement.

7.0 Security Deposits

- 7.1 In recognition of Hesquiaht First Nation entering into this Agreement, British Columbia may choose not to request a silviculture deposit(s) pertaining to licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Hesquiaht First Nation (or a legal entity controlled by the Hesquiaht First Nation) and British Columbia.
- 7.2 Hesquiaht First Nation agrees that British Columbia may apply any payment that Hesquiaht First Nation is entitled to receive under this Agreement, to a maximum of the amounts that British Columbia would have obtained in a silviculture deposit, in order to fully or partially satisfy any unfulfilled financial obligations of Hesquiaht First Nation to British Columbia arising from a licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Hesquiaht First Nation (or a legal entity controlled by the Hesquiaht First Nation) and British Columbia.
- 7.3 Prior to British Columbia applying any payment to satisfy unfulfilled Hesquiaht First Nation financial obligations arising from a licence(s) in accordance with section 7.2, British Columbia will notify the Hesquiaht First Nation of the unfulfilled financial obligation(s).

8.0 Stability for Land and Resource Use

- 8.1 Hesquiaht First Nation will respond immediately to any discussions sought by British Columbia in relation to any acts of intentional interference by members of Hesquiaht First Nation with provincially authorized forest and/or range activities and will work co-operatively with British Columbia to assist in resolving any such matters.

9.0 Dispute Resolution

- 9.1 If a dispute arises between British Columbia and the Hesquiaht First Nation regarding the interpretation of a provision of this Agreement, the duly appointed representatives of the Parties will meet as soon as is practicable to attempt to resolve the dispute.
- 9.2 If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of British Columbia and the Hesquiaht First Nation.
- 9.3 If the interpretation dispute cannot be resolved by the Parties directly, the Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

10.0 Suspension and Termination

- 10.1 British Columbia may suspend the making of further Revenue Sharing Contributions under this Agreement if it determines, acting reasonably, that Hesquiaht First Nation is not fulfilling its obligations under sections 4.0 and 6.0 or sections 8.1 or 10.3 of this Agreement, or where the Hesquiaht First Nation has outstanding unfulfilled financial obligations to British Columbia arising from a licence(s) issued further to an agreement between the Hesquiaht First Nation and British Columbia. Upon making any such determination, British Columbia will provide notice to Hesquiaht First Nation of the alleged non-compliance, and the Parties will then attempt to resolve their differences.
- 10.2 If the alleged non-compliance by Hesquiaht First Nation is not resolved within 60 days of the notice provided in section 10.1, British Columbia will notify Hesquiaht First Nation that the alleged non-compliance remains unresolved and, without limiting the actions that may be taken by British Columbia, may terminate this Agreement.
- 10.3 If, during the term of this Agreement, Hesquiaht First Nation challenges or supports a challenge to an Administrative Decision and/or Operational Decision or an Operational Plan or activities carried out pursuant to those decisions or plans, by way of legal proceedings or otherwise, on the basis that, contrary to section 5.2, the Revenue Sharing Contribution provided for in section 3.0 of this Agreement does not provide an accommodation for impacts on Hesquiaht First Nation's Aboriginal Interests then, without limiting any actions that may be taken by British Columbia, the Revenue Sharing Contribution provided for in section 3.0 may be suspended or this Agreement may be terminated by British Columbia.
- 10.4 This Agreement will terminate prior to the end of the Term in any one of the following circumstances; 90 days' written notice of termination is given by one Party to the other; termination occurs in accordance with any of the provisions of section 10.0; or upon mutual agreement of the Parties. In the event of such early termination of this Agreement, the Revenue Sharing Contribution for the BC Fiscal Year in which termination becomes effective will be prorated to the termination date.

- 10.5 If a Party gives written notice of its intention to terminate this Agreement effective 90 days from the date of the notice, the Parties will, prior to the end of the 90-day period, meet and will attempt to resolve any issue that may have given rise to the termination notice.

11.0 Term

- 11.1 The term of this Agreement commences on the Effective Date and, unless terminated earlier in accordance with any of the provisions hereof, will end on the day immediately before the third anniversary of the Effective Date.

12.0 Renewal of the Agreement

- 12.1 Prior to the expiry of the Term, if the terms and conditions of this Agreement are being met, British Columbia and Hesquiaht First Nation will, if each party has received such authorizations as it may require, begin negotiations for the renewal of this Agreement or for a new agreement.

APPENDIX B

Consultation

On Operational and Administrative Decisions and Operational Plans.

In order to facilitate consultation with respect to Operational and Administrative Decisions and Operational Plans, the Parties have agreed to use the Matrix framework set out in section 1.10 of this Appendix ("section 1.10"), which allows the Parties to determine which Operational and Administrative Decisions and Operational Plans will require consultation, as well as the associated appropriate level of consultation for those decisions and plans.

- 1.1 British Columbia agrees to consult with Hesquiaht First Nation in accordance with the applicable consultation level agreed to by the Parties under section 1.10 on Operational Plans, Operational Decisions, and Administrative Decisions that may potentially adversely impact Hesquiaht First Nation's Aboriginal Interests within the Traditional Territory.
- 1.2 Hesquiaht First Nation agrees to fully participate with British Columbia and/or Licensees or licence proponents, as set out in this Agreement and in accordance with the applicable level of consultation to which the Parties have agreed under section 1.10, in information sharing and/or consultation regarding proposed Operational Decisions, Administrative Decisions, and Operational Plans dealing with forest and range development within the Traditional Territory.
- 1.3 In this Appendix, "First Annual List" means a list of Operational and Administrative Decisions and Operational Plans, which may require consultation during the First Fiscal Year of the Term or part thereof in which the Effective Date occurs, that is provided to the Hesquiaht First Nation by British Columbia in advance of the Parties entering into this Agreement.
- 1.4 Prior to entering into this Agreement, the Parties will agree on the applicable consultation levels for the decisions on the First Annual List, using the consultation levels described in section 1.10.
- 1.5 In this Appendix, "Annual List" means an annual list of Operational and Administrative Decisions and Operational Plans that may require consultation in a fiscal year of the Agreement in which those decisions are anticipated to be made, and that will be provided to the Hesquiaht First Nation by British Columbia before March 31st of each year after the First Fiscal Year of the Term.
- 1.6 For fiscal years subsequent to the First Fiscal Year of the term, the Parties will meet annually on or before March 31st to discuss the Annual List and, in the case of decisions and plans for which the Parties have not already agreed to a consultation level described in section 1.10 in a preceding fiscal year, the Parties will agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans on the Annual List, in accordance with section 1.10.

- 1.7 When British Columbia becomes aware of proposed types of Operational or Administrative Decisions or Operational Plans not contained in the Annual List that will have effect within the Traditional Territory of Hesquiaht First Nation during the current fiscal year, British Columbia will notify the Hesquiaht First Nation of those new types of decisions or plans and the Parties will seek to agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans, in accordance with section 1.10.
- 1.8 In reviewing and responding to an Operational Decision, Administrative Decision, or Operational Plan submitted to them, Hesquiaht First Nation will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, a licensee or proponent) that supplied the proposed decision or plan to them, with all reasonably available information that will identify any potential impacts to their Aboriginal Interests that may occur as a result of proposed forest and/or range resource development activities pursuant to that Operational Decision, Administrative Decision or Operational Plan within the Traditional Territory.
- 1.9 If no response is received from Hesquiaht First Nation within the timeframe set out in section 1.10, then British Columbia may conclude that Hesquiaht First Nation does not intend to respond or participate in the consultation process in respect of the Operational or Administrative Decision or Operational Plan and that a decision may proceed.
- 1.10 The Parties agree to the following description and intent of the consultation levels:

Level	Description	Intent
1. Information Sharing: prior to formal consultation process	Proponent or tenure holder engages Hesquiaht First Nation during planning to provide opportunity to incorporate Aboriginal Interests prior to submitting plan/request to Decision Maker.	Proponent or tenure holder engages directly with Hesquiaht First Nation, and provides summary of communications to British Columbia.
2. Available on Request	Type of notification whereby British Columbia informs Hesquiaht First Nation they will not be sending out information.	Hesquiaht First Nation can request from British Columbia more detailed information about decisions made at this level.
3. Notification	Notify in writing Hesquiaht First Nation about an upcoming decision and provide overview information. Would be an opportunity for comment.	British Columbia provides Hesquiaht First Nation basic level information and a short reasonable time (21-30 calendar day consultation period determined by the Parties) to comment. Limited follow-up.
4. Expedited	Where there is an imminent threat to	Intense but short timeline (about

Level	Description	Intent
Consultation Process	a resource value (e.g. mountain pine beetle spread control) an expedited consultation process is undertaken.	10 calendar days). A justification for shortening the period would be given by describing the imminent threat. May require a meeting.
5. Normal Consultation	Follow on "normal" track for consultation guided by up-to-date consultation policy. Meetings to resolve issues where possible and make decision in a timely manner.	Intent to follow this course in most circumstances. Usually a 30 – 60 calendar day consultation period. May involve meaningful discussion of accommodation options where appropriate. British Columbia will notify Hesquiaht First Nation of the final decision where requested by the Hesquiaht First Nation.
6. Deep Consultation	Use reasonable effort to inform in an accessible manner and to engage in full discussions around the proposed decision. Make reasonable efforts to accommodate where necessary. Preliminary assessments may indicate a significant aboriginal interest and a significant impact to that interest.	Would involve meaningful discussion of suitable accommodation options and interim solutions where appropriate. May require extended timelines. British Columbia will provide the Hesquiaht First Nation with the final decision and rationale in writing.

- 1.11 The Parties may agree to adjust the consultation levels for specific circumstances where detailed aboriginal interest information is shared that would suggest a different consultation level.
- 1.12 Hesquiaht First Nation agrees that the province is not obligated, unless requested by the Hesquiaht First Nation, to inform the Hesquiaht First Nation of the Delegated Decision Maker's decision for decisions on which the consultation level has been level three (3) or lower.
- 1.13 If the Parties cannot agree upon which consultation level in section 1.10 should apply to a particular or any Operational or Administrative Decision or Operational Plan, then British Columbia will consult with Hesquiaht First Nation on the basis of British Columbia's consultation procedures in effect at the time as well as the applicable case law respecting consultation obligations.

APPENDIX C

Revenue Sharing Contribution Methodology

Traditional Territory Forest Revenue Sharing Component

- 1.0 In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of South Island District's forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for South Island District.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Hesquiaht First Nation's Forest License (if applicable) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the Hesquiaht First Nation's Traditional Territory will be calculated by determining the percent of Hesquiaht First Nation's Traditional Territory that falls within the Timber Harvesting Land Base in South Island District, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Traditional Territory Forest Revenue Sharing Component will be calculated by multiplying 3 percent of the forest revenue attributed to the Hesquiaht First Nation as described in section 1.2 of this Appendix.
- 1.4 Where the calculation in section 1.3 of this Appendix is less than \$35,000, Hesquiaht First Nation will receive a maximum of \$35,000 to provide capacity to participate in the consultation process in accordance with section 4.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

Direct Award Tenure Forest Revenue Sharing Component

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of Hesquiaht First Nation's Forest License (if applicable) forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year.
- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 35 percent of the forest revenue as described in section 2.0 of this Appendix.

- 2.2 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

Forest Revenue Sharing Transition

- 3.0 The Parties agree that new methods to calculate the Revenue Sharing Contribution will be phased in over the next 3 years.
- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by determining the total of the Traditional Territory Forest Revenue Sharing Component and the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year ("the sum") and applying the following percentages to that sum:
- 3.1.1 2012/13 BC Fiscal Year: 80 percent
 - 3.1.2 2013/14 BC Fiscal Year: 100 percent; and
 - 3.1.3 2014/15 BC Fiscal Year: 100 percent.
- 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Hesquiaht First Nation in any given full year under the *Hesquiaht First Nation Interim Agreement on Forest Opportunities* which expired on July 17, 2012 ("the Annual Amount") and applying the following percentages to that Annual Amount:
- 3.2.1 2012/13 BC Fiscal Year: 55 percent;
 - 3.2.2 2013/14 BC Fiscal Year: 50 percent; and
 - 3.2.3 2014/15 BC Fiscal Year: 0 percent.
