

Proposed Amendments to Boundaries of Old Growth Management Areas within the 100 Mile Natural Resource District

Notice is hereby given that, pursuant to Section 93.4 of the *Land Act*, and for the purposes of the *Forest and Range Practices Act*, the Ministry of Forests, Lands, and Natural Resource Operations is proposing amendments to Old Growth Management Area (OGMA) boundaries in the 100 Mile House Natural Resource District. The proposed amendments are to address the following situations:

- Past harvest of beetle-killed pine within the OGMA, and the subsequent need to replace the harvested OGMA with an equivalent area of new permanent OGMA;
- Changes in ecosystem mapping which determine the percent targets and/or distribution of required OGMA's.

Maps showing the proposed OGMA amendment areas may be viewed at the 100 Mile House Natural Resource District office in 100 Mile House (300 Cariboo Highway 97). In addition, the maps can be accessed online at:

https://www.for.gov.bc.ca/TASB/SLRP/100_Mile_House__LUOR_OGMA_Amendment.html

The public is invited to comment on the proposed amendments during a 60-day review period ending March 31, 2016.

Written comments may be sent to: "OGMA Comments," 100 Mile House Natural Resource District, Ministry of Forests, Lands and Natural Resource Operations, PO Box 129, 100 Mile House, B.C. V0K 2E0 or via email to DMHOGMAcomments@gov.bc.ca using the subject line "OGMA Comments."
