*DIAGNOSTIC FACILITIES ADMINISTRATION*
**PUBLIC FACILITY APPLICATION**

# FORM B – APPLICATION FOR PHYSICAL EXPANSION/ EXPANSION OF SERVICES OR SIGNIFICANT CHANGE OF AN EXISITING DIAGNOSTIC FACILITY

This application is solely for those seeking approval to:

- physically expand an exisiting diagnostic facility;
- add new or replacement equipment to an existing diagnostic facility;
- make a significant change in the capacity of an existing diagnostic facility; or,
- add a service to an existing *Certificate of Approval*

For all other applications, please review information available at: https://www2.gov.bc.ca/gov/content/health/practitioner-professional-resources/diagnostic-services/acdf-application-forms

## IMPORTANT APPLICANT INFORMATION

Any publicly or privately-owned Diagnostic Facility in British Columbia intending to bill the British Columbia Medical Services Plan (MSP) for outpatient diagnostic services must obtain a *Certificate of Approval*, granted by the Advisory Committee on Diagnostic Facilities (ACDF) or the Medical Services Commission (MSC).

All *Certificates of Approval* are **site- and owner-specific and cannot be transferred or assigned**. If a facility is sold, the new owner must apply for a new *Certificate of Approval* in order to bill MSP for the provision of outpatient services.

Approval from the ACDF/MSC is required in order to bill MSP for the following outpatient services:

- Diagnostic Radiology
- Diagnostic Ultrasound
- Nuclear Medicine
- Polysomnography
- Pulmonary Function
- Electromyography (EMG)
- Electroencephalography (EEG)

Once an application is approved, the applicant must ensure all required facility accreditation and practitioner credentialing is in place prior to billing MSP for outpatient services.

## HOW TO COMPLETE AND SUBMIT THIS APPLICATION

Applicants should complete the entire application, including the Conflict of Interest Declaration and Disclosure, in as much detail as possible. Additional pages should be added and uploaded along with an application, where additional space is required to provide complete information (please clearly indicate which questions/information you are providing additional information on). **When complete and authorized, the application must be submitted through the Ministry of Health's secure upload tool located at**: https://www2.gov.bc.ca/submitacdf

**It is the responsibility of the applicant to demonstrate the need for the diagnostic facility or service(s) that are the subject of this application.**

For detailed information on the ACDF and each part of this application, see the *ACDF User Guide to Applications for New, Expansion or Relocation of Public Outpatient Services*, at: http://www.gov.bc.ca/diagnosticfacilitiescommittee

For more information on the application and assessment process and the policies that govern it, it is recommended that all applicants review the *Policies and Guidelines of the Medical Services Commission's Advisory Committee on Diagnostic Facilities*, at: http://www.gov.bc.ca/diagnosticfacilitiespolicies

### CONFLICT OF INTEREST

Appendix A (Conflict of Interest Declaration) and Appendix B (Conflict of Interest Disclosure) must be completed and submitted with the application in order for this application to be considered. For the relevant policies, see Policy 2.4.4 of the *Policies and Guidelines of the Medical Services Commission's Advisory Committee on Diagnostic Facilities* and the *Diagnostic Facility Conflict of Interest Policy* at http://www.gov.bc.ca/diagnosticfacilitiespolicies

Are Appendix A and Appendix B included with this application? ◯ Yes ◯ No

### LOCATION OF LIKE DIAGNOSTIC FACILITIES (providing same service as applicant facility)

Provide the name, location, distance in kilometres and approximate driving time from applicant diagnostic facility to closest public and privately-owned diagnostic facility providing the same service(s) as applicant facility. For a current list of approved diagnostic facilities see "Approved Diagnostic Services Facilities in B.C." at http://www.gov.bc.ca/diagnosticfacilitiescommittee

### RATIONALE FOR APPLICATION

◯ Medical Need
◯ Health & Safety
◯ Other (please specify)

Please provide detailed rationale for application. Specify any gaps in current availability of this diagnostic service for the geographic area applicant diagnostic facility is expected to serve (as applicable). Append additional information as required.

## IMPACT

How would this application impact other services within this or other Health Authorities?

Have any such implications or impacts been discussed with the affected Health Authority? Please provide details below.

If applicable, describe how the proposed expansion and/or significant change in capacity will improve the delivery and management of inpatient services at the applicant facility.

## ACCESS

Identify and provide details of any access/availability issues impacting provision of service that this application will address.

## UTILIZATION

Appropriate utilization of diagnostic services is a key focus of the Medical Service Commission (MSC). The MSC's Guidelines and Protocols Committee (GPAC) is responsible for developing provincial guidelines and protocols to support appropriate utilization. The MSC approved guidelines and protocols are available at: http://www.bcguidelines.ca/

If this application is approved, how will utilization of the diagnostic service provided be managed? Please provide details below.

- ☐ BC Guidelines and Protocols
- ☐ Clinical guidelines and protocols (e.g. Canadian Clinical Practice Guidelines)
- ☐ Utilization Methods

## VOLUME ESTIMATES / CAPACITY

If application is approved, information pertaining to volume of MSP billable services will assist with establishing a facility throughput baseline. Baselines are used in the measurement of diagnostic facility throughput increase/decrease, for the purpose of monitoring for Significant Change. Throughput is defined as the volume of approved services rendered in a given time period.

For more information on the policy of Significant Change, see *Policies and Guidelines of the Medical Services Commission's Advisory Committee on Diagnostic Facilities*, posted at: http://www.gov.bc.ca/diagnosticfacilitiespolicies

Please estimate ***both*** the projected monthly volume of MSP billable service(s) applied for as well as the potential maximum monthly volume of MSP billable service(s) applied for (i.e. the volume of tests expected if application is approved and the maximum volume of tests that could be done based on facility and equipment capacity detailed in this application).

Estimates should be based on the expanded facility/equipment.

| Category of Test(s) and/or Fee Items | Projected Monthly Volume of MSP Billable Services | Potential Maximum Monthly Volume of MSP Billable Services |

## STAFFING

As human resources are a key component of any diagnostic facility, the Advisory Committee on Diagnostic Facilities requires details of current/projected clinical and technical staffing levels.

| Medical Director responsible for onsite diagnostic service(s) referenced in application | Department |
|---|---|
| Email | Phone |

What is the basis of the Medical Director's remuneration?

◯ Fee-for-service ◯ Contract ◯ Salary ◯ Other (specify):

Please list ALL medical practitioners who will perform and bill the Medical Services Plan for the services applied for. Include Fee-for-Service as well as those medical practitioners who will perform the services and be reimbursed through other methods, i.e., contract, salary. If more lines needed, please append additional listings to this application.

***NOTE:** As an MSP Practitioner Number is considered personal information, the applicant is responsible for informing the practitioners listed here that their MSP Practitioner Number is provided as part of this application. The applicant must retain a record of such notification.*

Many modalities under the ACDF require additional credentialing before physicians/practitioners can undertake and bill the Medical Services Plan for that work.
Have all required credentialing documents granted through the appropriate health authority or the College of Physicians and Surgeons of BC (for those practitioners working solely in privately-owned facilities) been obtained by all physicians/practitioners seeking to bill the Medical Services Plan for delivering the services currently provided or applied for here?

If yes, please submit all appropriate credentialing letters with this application.
If no, please indicate the number of physicians/practitioners that require additional credentialing and when this credentialing will be obtained.

◯ Yes ◯ No

## STAFFING continued

Please provide the name (if available), title, qualifications, and basis of remuneration for the scientific, technical and supervisory staff involved in providing services applied for. If the number of staff exceeds the available space, please append additional practitioner listings to this application.

| **Name of Scientific, Technical and Supervisory Staff** | **Title** | **Qualifications** | **Remuneration** (e.g., fee-for service, contract, salary) | **Hours of Work** (e.g., M-F, 9am - 4pm) |
