

Ministry of Forests and Range

Campbell River Forest District
Identified Recreation Resource Features Locator Map

District Overview

-  Identified Recreation Resource Features
-  Identified Recreation Resource Features
-  Indian Reserves
-  Central Coast LRMP
-  Parks and Protected Areas
-  Private Land (approximate)
-  Campbell River Forest District

NOTE TO USERS:

This map is a spatial representation (polygons and lines) of the approximate location of significant recreation resource features. Users must reference approved Recreation Features inventories to identify the specific features present within the areas depicted on the map. Legal boundaries of established Recreation Sites, trails and interpretive forests are identified on Exhibit "A" maps.
