

The Highway 91/17 Upgrade Project is a combination of upgrades to existing Highway 91, Highway 17 and Highway 91 Connector in Delta to improve travel safety, reliability and efficiency.

These upgrades are being funded by the Province of British Columbia, the National Infrastructure Component of the New Building Canada Fund, and the Vancouver Fraser Port Authority as part of the larger Highway 91/17 and Deltaport Way Upgrade Project.

Thank you for taking the time to provide your feedback on the Project, including the Design-Build Contractor's refined Project design. **Please submit your completed comment form through mail or email, details are on the next page.**
