

# YAC CORE VALUES

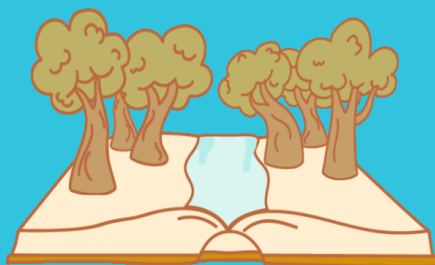

## Diversity & Cultural Safety

We value diversity in the Youth Advisory Council and believe in the importance of bringing together youth with a wide range of experiences, backgrounds, perspectives, and opinions. We celebrate and respect our differences and each person's unique story and identity.

## Collaboration & Commitment

We believe in working together as a team and ensuring that each person's voice on the Youth Advisory Council is heard. We strive to work hard, remain focused, and accomplish the goals we have set as a team.

## Kindness & Respect

We believe in the importance of kindness and respect, which is demonstrated in the way we treat one another within the Youth Advisory Council and the way we do our work.
