## MANAGEMENT REPORT

Version: 9823-9077-7095

### Management's Responsibility for the Financial Statements.

The accompanying financial statements of School District No. 6 (Rocky Mountain) have been prepared by management in accordance with the accounting requirements of Section 23.1 of the Budget Transparency and Accountability Act of British Columbia, supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

The preparation of financial statements necessarily involves the use of estimates based on management's judgment particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and reliable financial information is produced.

The Board of Education of School District No. 6 (Rocky Mountain) (called the "Board") is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal financial statements on a monthly basis and externally audited financial statements yearly.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of School District No. 6 (Rocky Mountain) and meet when required. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the School District's financial statements.

## Independent Auditor's Report

---

To the Board of Trustees of School District No. 6 (Rocky Mountain)

### Opinion

We have audited the financial statements of School District No. 6 (Rocky Mountain) (the "School District"), which comprise the statement of financial position as at June 30, 2022, and the statements of operations, changes in net debt, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements of the School District as at and for the year ended June 30, 2022 are prepared, in all material respects, in accordance with the accounting requirements of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia (the Act).

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the School District in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements which describes the basis of accounting. The financial statements are prepared in order for the School District to meet the reporting requirements of the Act referred to above. Note 2 to the Financial Statements discloses the impact of these differences between such basis of accounting and Canadian public sector accounting standards. Our opinion is not modified in respect of this matter.

### Emphasis of Matter - Restated Comparative Information

Without modifying our conclusion, we draw attention to Note 3 to the financial statements, which describes that certain comparative information presented for the year ended June 30, 2021 has been restated.

### Other Matters

We draw attention to the fact that the supplementary information included in Schedule 1 to 4 does not form part of the financial statements. We have not audited or reviewed this supplementary information and, accordingly, we do not express an opinion, a review conclusion or any other form of assurance on this supplementary information.

### Other Information

Management is responsible for the other information. The other information, other than the financial statements and our auditor's report thereon, includes the Financial Statement Discussion and Analysis.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Prior to the date of this auditor's report, we obtained the Financial Statement Discussion and Analysis prepared by management. If, based on the work we have performed on this information, we conclude that there is a material misstatement of this other information, we are required to report that fact in this auditor's report. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of the financial statements in accordance with the Act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the School District's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the School District, or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the School District's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. But not for the purpose of expressing an opinion on the effectiveness of the School District's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the School District to cease to continue as a going concern.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the School District to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the School District audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**1. AUTHORITY AND PURPOSE**

The School District, established on December 2, 1996, operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 6 (Rocky Mountain)", and operates as "School District No. 6 (Rocky Mountain)". A board of education ("board") elected for a four-year term governs the School District. The School District provides educational programs to students enrolled in schools in the district, and is principally funded by the Province of British Columbia through the Ministry of Education (the "Ministry"). School District No. 6 (Rocky Mountain) is exempt from federal and provincial corporate income taxes.

The COVID-19 outbreak was declared a pandemic by the World Health Organization in March 2020 and has had a significant financial, market and social dislocating impact worldwide. Under direction of the Provincial Health Officer, all schools suspended in-class instruction in March 2020 and the District remained open to continue to support students and families in a variety of ways. Parents were given the choice to send their children back to school on a gradual and part-time basis beginning June 1, 2020 and full-time beginning September 1, 2020 with new health and safety guidelines. The ongoing impact of the pandemic presents uncertainty over future cash flows, may have a significant impact on future operations including decreases in revenue, impairment of receivables, reduction in investment income, and delays in completing capital project work. As the situation is dynamic and the ultimate duration and magnitude of the impact are not known, an estimate of the future financial effect on the District is not practicable at this time.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**a) Basis of Accounting**

These financial statements have been prepared in accordance with Section 23.1 of the *Budget Transparency and Accountability Act of British Columbia*. This Section requires that the financial statements be prepared in accordance with Canadian public sector accounting standards except in regard to the accounting for government transfers as set out in Notes 2 (f) and 2 (m).

In November 2011, the Province of British Columbia Treasury Board ("Treasury Board") provided a directive through Restricted Contributions Regulation 198/2011 providing direction for the reporting of restricted contributions whether they are received or receivable by the School District before or after this regulation was in effect.

As noted in Notes 2 (f) and 2 (m), Section 23.1 of the *Budget Transparency and Accountability Act* and its related regulations require the School District to recognize government transfers for the acquisition of capital assets into revenue on the same basis as the related amortization expense. As these transfers do not contain stipulations that create a liability, Canadian public sector accounting standards would require that:

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410; and
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100.

The impact of this difference on the financial statements of the School District is as follows:

Year-ended June 30, 2021 – decrease in annual surplus by \$484,063

June 30, 2021 – increase in accumulated surplus and decrease in deferred capital revenue by \$31,854,828

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*(Continued)*

Year-ended June 30, 2022 – decrease in annual surplus by \$398,599

June 30, 2022 – increase in accumulated surplus and decrease in deferred capital revenue by \$32,012,046

**b) Cash and Cash Equivalents**

Cash and cash equivalents include cash and highly liquid securities that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These cash equivalents generally have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

**c) Accounts Receivable**

Accounts receivable are measured at amortized cost and shown net of allowance for doubtful accounts.

**d) Portfolio Investments**

The School District has investments in guaranteed investment certificates and term deposits that have a maturity of greater than three months at the time of acquisition. Guaranteed investment certificates and term deposits not quoted in an active market are reported at cost. *(Detailed information regarding portfolio investments is disclosed in Note 4).*

**e) Unearned Revenue**

Unearned revenue includes tuition fees received for courses to be delivered in future periods and receipt of proceeds for services or products to be delivered in a future period. Revenue will be recognized in that future period when the courses, services, or products are provided.

**f) Deferred Revenue and Deferred Capital Revenue**

Deferred revenue includes contributions received with stipulations that meet the description of restricted contributions in the Restricted Contributions Regulation 198/2011 issued by Treasury Board. When restrictions are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability as detailed in Note 2 (m).

Funding received for the acquisition of depreciable tangible capital assets is recorded as deferred capital revenue and amortized over the life of the asset acquired as revenue in the statement of operations. This accounting treatment is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that creates a liability in which case the transfer is recognized as revenue over the period that the liability is extinguished. See Note 2 (a) for the impact of this policy on these financial statements.

**g) Employee Future Benefits**

The School District provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements. The School District accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include

g) Employee Future Benefits *(continued)*

vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, vacation, overtime and death benefits. The benefits cost is actuarially determined using the projected unit credit method pro-rated on service and using management's best estimate of expected salary escalation, termination rates, retirement rates and mortality. The discount rate used to measure obligations is based on the cost of borrowing. The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime (EARS�) of active employees covered under the plan.

The most recent valuation of the obligation was performed at March 31, 2022 and projected to March 31, 2025. The next valuation will be performed at March 31, 2025 for use at June 30, 2025. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of March 31 was adopted for all periods subsequent to July 1, 2004.

The School District and its employees make contributions to the Teachers' Pension Plan and Municipal Pension Plan. The plans are multi-employer plans where assets and obligations are not separated by employer. The costs are expensed as incurred.

h) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when a site is not in productive use and all the following criteria are met:

- an environmental standard exists;
- contamination exceeds the environmental standard;
- the School District:
  - is directly responsible; or
  - accepts responsibility;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

i) Tangible Capital Assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Donated tangible capital assets are recorded at their fair market value on the date of donation, except in circumstances where fair value cannot be reasonably determined, which are then recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.
- Work in progress is recorded as an acquisition to the applicable asset class at substantial completion.

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
*(Continued)*

i) Tangible Capital Assets *(continued)*

- Tangible capital assets are written down to residual value when conditions indicate they no longer contribute to the ability of the School District to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. The write-downs are accounted for as expenses in the Statement of Operations.
- Buildings that are demolished or destroyed are written-off.
- Works of art, historic assets and other intangible assets are not recorded as assets in these financial statements.
- The cost, less residual value, of tangible capital assets (excluding sites), is amortized on a straight-line basis over the estimated useful life of the asset and commences the year following acquisition. It is management's responsibility to determine the appropriate useful lives for tangible capital assets. These useful lives are reviewed on a regular basis or if significant events initiate the need to revise. Estimated useful lives are as follows:

Buildings	40 years
Furniture & Equipment	10 years
Furniture & Equipment Under Capital Lease	5 years
Vehicles	10 years
Computer Software	5 years
Computer Hardware	5 years
Computer Hardware Under Capital Lease	3-5 years

j) Capital Leases

Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the School District are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance cost, etc. The discount rate used to determine the present value of the lease payments is the lower of the School District's rate for incremental borrowing or the interest rate implicit in the lease.

All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

k) Prepaid Expenses

Prepaid insurance, maintenance fees, permits and other costs included as prepaid expenses are stated at acquisition cost and are charged to expense over the periods expected to benefit from them.

l) Funds and Reserves

Certain amounts, as approved by the board, are set aside in accumulated surplus for future operating and capital purposes. Transfers to and from funds and reserves are an adjustment to the respective fund when approved (see Note 14 – Interfund Transfers and Note 21 – Internally Restricted Surplus – Operating Fund).

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
*(Continued)*

m) Revenue Recognition

Revenues are recorded on an accrual basis in the period in which the transactions or events occurred that gave rise to the revenues, the amounts are considered to be collectible and can be reasonably estimated.

Contributions received, or where eligibility criteria have been met, are recognized as revenue except where the contribution meets the criteria for deferral as described below. Eligibility criteria are the criteria that the School District has to meet in order to receive the contributions including authorization by the transferring government.

For contributions subject to a legislative or contractual stipulation or restriction as to their use, revenue is recognized as follows:

- non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year related expenses are incurred;
- contributions restricted for site acquisitions are recorded as revenue when the sites are purchased; and
- contributions restricted for tangible capital asset acquisitions other than sites are recorded as deferred capital revenue and amortized over the useful life of the related assets.

Donated tangible capital assets other than sites are recorded at fair market value and amortized over the useful life of the assets. Donated sites are recorded as revenue at fair market value when received or receivable.

The accounting treatment for restricted contributions is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that meets the criteria for liability recognition in which case the transfer is recognized as revenue over the period that the liability is extinguished. See Note 2 (a) for the impact of this policy on these financial statements.

Revenue related to fees or services received in advance of the fee being earned or the service being performed is deferred and recognized when the fee is earned or service performed.

Investment income is reported in the period earned. When required by the funding party or related Act, investment income earned on deferred revenue is added to the deferred revenue balance.

n) Expenditures

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Categories of Salaries

- Principals, Vice-Principals, and Directors of Instruction employed under an administrative officer contract are categorized as Principals and Vice-Principals.
- Superintendents, Assistant Superintendents, Secretary-Treasurers, Trustees and other employees excluded from union contracts are categorized as Other Professionals.

Allocation of Costs

- Operating expenses are reported by function, program, and object. Whenever possible, expenditures are determined by actual identification. Additional costs pertaining to specific instructional programs, such as special and aboriginal education, are allocated to these programs. All other costs are allocated to related programs.

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*(Continued)*

n) Expenditures *(continued)*

- Actual salaries of personnel assigned to two or more functions or programs are allocated based on the time spent in each function and program. School-based clerical salaries are allocated to school administration and partially to other programs to which they may be assigned. Principals and Vice-Principals salaries are allocated to school administration and may be partially allocated to other programs to recognize their other responsibilities.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

o) Endowment Contributions

Endowment contributions are reported as revenue on the Statement of Operations when received. Investment income earned on endowment principal is recorded as deferred revenue if it meets the definition of a liability and is recognized as revenue in the year related expenses (disbursements) are incurred. If the investment income earned does not meet the definition of a liability, it is recognized as revenue in the year it is earned. Endowment assets are reported as restricted non-financial assets on the Statement of Financial Position.

p) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School District recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, portfolio investments, accounts payable and accrued liabilities, capital lease obligations and other liabilities.

Except for portfolio investments in equity instruments quoted in an active market that are recorded at fair value, all financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of these investments upon initial recognition. Transaction costs are incremental costs directly attributable to the acquisition or issue of a financial asset or a financial liability.

Interest and dividends attributable to financial instruments are reported in the Statement of Operations.

All financial assets except derivatives are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the Statement of Operations. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
*(Continued)*

q) Measurement Uncertainty

Preparation of financial statements in accordance with the basis of accounting described in Note 2(a) requires management to make estimates and assumptions that impact reported amounts of assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Significant areas requiring the use of management estimates relate to the potential impairment of assets, liabilities for contaminated sites, rates for amortization and estimated employee future benefits. Actual results could differ from those estimates.

r) Future Changes in Accounting Policies

PS 3280 Asset Retirement Obligations issued August 2018 establishes standards for recognition, measurement, presentation and disclosure of legal obligations associated with the retirement of tangible capital assets and is effective July 1, 2022. A liability will be recognized when, as at the financial reporting date:

- a) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- b) the past transaction or event giving rise to the liability has occurred;
- c) it is expected that future economic benefits will be given up; and
- d) a reasonable estimate of the amount can be made.

Liabilities are recognized for statutory, contractual or legal obligations associated with the retirement of tangible capital assets when those obligations result from the acquisition, construction, development or normal operation of the assets. The obligations are measured initially at fair value, determined using present value methodology, and the resulting costs capitalized into the carrying amount of the related tangible capital asset. In subsequent periods, the liability is adjusted for accretion and any changes in the amount or timing of the underlying future cash flows. The capitalized asset retirement cost is amortized on the same basis as the related asset and accretion expense is included in the Statement of Operations.

A modified retroactive application has been recommended by Government. Management is in the process of assessing the impact of adopting this standard on the School District's financial results.

PS 3400 Revenue issued November 2018 establishes standards on how to account for and report on revenue and is effective July 1, 2023. Specifically, it differentiates between revenue arising from transactions that include performance obligations, referred to as "exchange transactions", and transactions that do not have performance obligations, referred to as "non-exchange transactions".

Revenue from transactions with performance obligations should be recognized when (or as) the school district satisfies a performance obligation by providing the promised goods or services to a payor.

Revenue from transactions with no performance obligations should be recognized when a school district:

- a) has the authority to claim or retain an inflow of economic resources; and
- b) identifies a past transaction or event that gives rise to an asset.

This standard may be applied retroactively or prospectively. Management is in the process of assessing the impact of adopting this standard on the School District's financial results

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**3. PRIOR PERIOD ADJUSTMENT**

On May 28, 2021, the Office of the Comptroller General directed all school districts to apply the half-year rule method of amortization beginning in the fiscal year an asset is placed into service. This directive applies to both past and future purchases. Prior to this directive, the District did not recognize amortization on the first partial service year. The District has made a retroactive adjustment to recognize amortization of all assets and deferred capital contributions beginning in the first service year. The impact of the prior period adjustment on June 30, 2021 comparative amounts is as follows:

	Increase (Decrease)
Tangible Capital Assets	\$ (1,704,576)
Deferred Capital Revenue – beginning of the year	957,495
Accumulated Surplus – end of the year	(740,579)
Amortization of Deferred Capital Revenue	6,502
Operations & Maintenance Expense – Asset amortization	(57,495)
Accumulated Surplus – beginning of the year	(804,576)

**4. ACCOUNTS RECEIVABLE – OTHER RECEIVABLES**

	2022	2021
Due from Federal Government	\$ 72,821	\$ 102,233
Other	173,433	104,845
	<u>\$ 246,254</u>	<u>\$ 207,078</u>

**5. PORTFOLIO INVESTMENTS**

	2022	2021
Investments in the cost and amortized cost category:		
Guaranteed investment certificates	\$ 1,277,592	\$ 169,192
Term deposits	1,228,180	3,099,553
	<u>\$ 2,505,772</u>	<u>\$ 3,268,745</u>

The guaranteed investment certificates (GICs) and term deposits earn interest annually. One GIC has a value of \$277,592, has an interest rate of 2.65%, and matures on April 1, 2023. The second GIC has a value of \$1,000,000, has an interest rate of 1.5%, and matures on November 1, 2022. Term deposits have a 1.45% interest rate and mature on November 1, 2022.

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**6. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES - OTHER**

	2022	2021
Trade payables	\$ 2,137,654	\$ 2,072,715
Salaries and benefits payable	1,098,665	1,571,170

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**10. EMPLOYEE FUTURE BENEFITS**

Benefits include vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, vacation, overtime and death benefits. Funding is provided when the benefits are paid and accordingly, there are no plan assets. Although no plan assets are uniquely identified, the School District has provided for the payment of these benefits.

	2022	2021
<b>Reconciliation of Accrued Benefit Obligation</b>		
Accrued Benefit Obligation – April 1	\$ 604,671	\$ 614,837
Service Cost	49,716	50,135
Interest Cost	15,660	14,264

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**13. EMPLOYEE PENSION PLANS**

The School District and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan (jointly trustee pension plans). The boards of trustees for these plans, representing plan members and employers, are responsible for administering the pension plans, including investing assets and administering benefits. The plans are multi-employer defined benefit pension plans. Basic pension benefits provided are based on a formula. As at December 31, 2021 the Teachers' Pension Plan has about 50,000 active members and approximately 40,000 retired members. As at December 31, 2021 the Municipal Pension Plan has about 227,000 active members, including approximately 29,000 from school districts.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and the adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plans. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plans. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation of the Teachers' Pension Plan as at December 31, 2020 indicated a \$1,584 million surplus for basic pension benefits on a going concern basis.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2018 indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

School District No. 6 (Rocky Mountain) paid \$3,512,000 for employer contributions to the plans for the year ended June 30, 2022 (2021: \$3,361,000).

The next valuation for the Teachers' Pension Plan will be as at December 31, 2023, with results available in the last quarter of 2024. The next valuation for the Municipal Pension Plan will be as at December 31, 2021, with results available in the last quarter of 2022.

Employers participating in the plans record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plans record accrued liabilities and accrued assets for each plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, plan assets and cost to individual employers participating in the plans.

**14. RESTRICTED ASSETS - ENDOWMENT FUNDS**

Donors have placed restrictions on their contributions to the endowment funds of the School District. One restriction is that the original contribution should not be spent. Another potential restriction is that any investment income of the endowment fund that is required to offset the eroding effect of inflation or preserve the original value of the endowment should also not be spent.

Name of Endowment	Balance June 30, 2021	Transfers June 30, 2022	Balance June 30, 2022
J. Alfred and Mollie Laird Bursaries	\$ 43,161	-	\$ 43,161
Other scholarships and bursaries	10,870	-	10,870
Total	\$ 54,031	\$ -	\$ 54,031

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**15. INTERFUND TRANSFERS**

Interfund transfers between the operating, special purpose and capital funds for the year ended June 30, 2022 were as follows:

- Operating funds transferred to capital funds - \$1,694,816
- Special purpose funds transferred to capital funds - \$421,692

**16. RELATED PARTY TRANSACTIONS**

The School District is related through common ownership to all Province of British Columbia ministries, agencies, school districts, health authorities, colleges, universities, and crown corporations. Transactions with these entities, unless disclosed separately, are considered to be in the normal course of operations and are recorded at the exchange amount.

**17. CONTRACTUAL OBLIGATIONS**

The School District has entered into a number of multiple-year contracts for the delivery of services and the construction of tangible capital assets. These contractual obligations will become liabilities in the future when the terms of the contracts are met. Disclosure relates to the unperformed portion of the contracts.

	2023
Contractual obligations:	
Invermere Open Doors Exterior project	\$ 907,533
Selkirk Secondary roof upgrade project	465,900
Kimberley Bus Barn	423,500
Selkirk Secondary lighting upgrade project	286,346
Eileen Madson Primary School boiler upgrade project	164,000
	<hr/>
	\$ 2,247,279

**18. CONTRACTUAL RIGHTS**

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. The School District's contractual rights arise because of contracts entered into for ongoing rental agreements. The School District has the right to receive annual rental revenue of \$84,022 for the foreseeable future.

**19. CONTINGENT LIABILITIES**

Liabilities may exist for the remediation of one contaminated School District site. The fair value of the liabilities for remediation will be recognized in the period in which a reasonable estimate can be made. As of June 30, 2022 the liability is not reasonably determinable and the School District has accordingly not made any provision in the financial statements to reflect the future remediation costs.

**20. BUDGET FIGURES**

Budget figures included in the financial statements are audited. They were approved by the board through the adoption of an annual budget on June 8, 2021.

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**21. EXPENSE BY OBJECT**

	2022	2021 (restated)
Salaries and benefits	\$ 42,372,927	\$ 40,915,033

Interest	16,504	14,309
Amortization	3,416,980	3,466,668
	<u>\$ 54,940,397</u>	<u>\$ 51,122,598</u>

**22. INTERNALLY RESTRICTED SURPLUS – OPERATING FUND**

Internally restricted (appropriated) by board for:

School operating surpluses	\$ 771,842	
WES forest classroom	60,451	
MMS Active School Travel Pilot Program	2,159	
Subtotal internally restricted	<u>834,452</u>	

Unrestricted operating surplus	622,509
Total available for future operations	<u>\$ 1,456,961</u>

**23. ECONOMIC DEPENDENCE**

The operations of the School District are dependent on continued funding from the Ministry and various governmental agencies to carry out its programs. These financial statements have been prepared on a going concern basis.

**24. RISK MANAGEMENT**

The School District has exposure to the following risks from its use of financial instruments: credit risk, market risk and liquidity risk.

The board ensures that the School District has identified its risks and ensures that management monitors and controls them.

a) Credit risk:

Credit risk is the risk of financial loss to an institution if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Such risks arise principally from certain financial assets held consisting of cash and cash equivalents, accounts receivable and portfolio investments.

The School District is exposed to credit risk in the event of non-performance by a debtor. This risk is mitigated as, throughout the year, the accounts receivable are primarily due from the Province and the Federal Government, and are collectible.

It is management's opinion that the School District is not exposed to significant credit risk associated with its cash and cash equivalents and portfolio investments as they are placed in recognized British Columbia institutions and the School District invests solely in guaranteed investment certificates and term deposits.

**SCHOOL DISTRICT NO. 6 (ROCKY MOUNTAIN)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2022**

**24. RISK MANAGEMENT**

*(continued)*

b) Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk and interest rate risk.

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the foreign exchange rates. It is management's opinion that the School District is not exposed to significant currency risk, as amounts held and purchases made in foreign currency are insignificant.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. The School District is exposed to interest rate risk through its portfolio investments. It is management's opinion that the School District is not exposed to significant interest rate risk as it invests solely in guaranteed investment certificates and term deposits that have a maturity date of no more than five years.

c) Liquidity risk:

Liquidity risk is the risk that the School District will not be able to meet its financial obligations as they become due.

The School District manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing activities to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the School District's reputation.

Risk management and insurance services for all school districts in British Columbia are provided by the Risk Management Branch of the Ministry of Finance. There have been no changes to risk exposure from 2021 related to credit, market or liquidity risks.

#### **EXPLANATION OF DIFFERENCES TO AUDITED FINANCIAL STATEMENTS**

- The Schedule of Payments for Goods and Service is prepared on a cash basis and expenditures in the Financial Statements are on an accrual basis.
- Payments to suppliers include 100% of the Goods and Services Tax (G.S.T.) and expenditures in the Financial Statements are net of G.S.T. rebates.
- The Schedule of Payments of Goods and Services includes payments made on behalf of third parties, such as Parent Advisory Councils, which are recovered from these groups on the Financial Statements.
- Payments to benefit suppliers include amounts shown as remuneration on the Schedule of Remuneration and Expenses.
