OIL AND GAS DIVISION

OGD-22-01

SUBJECT: Guide to Obtaining and Utilizing Subsurface Tenure for Carbon Dioxide Storage

The Ministry of Energy, Mines and Low Carbon Innovation has issued a new guide, the Guide to Obtaining and Utilizing Subsurface Tenure for Carbon Dioxide Storage. This guide provides information to proponents on obtaining and utilizing petroleum and natural gas leases and storage reservoir licences for the storage or disposal of carbon dioxide. The guide reflects recent changes to the *Petroleum and Natural Gas Act* as amended by the *Energy Statutes Amendment Act, 2022*.

The guide is available on the Petroleum and Natural Gas Tenure [Publications](#) webpage.

Nathaniel Amann-Blake
Assistant Deputy Minister
Oil and Gas Division

December 2022
