APPENDIX B

Consultation Process for Administrative and/or Operational and Operational Plans within First Nation Traditional Territory

- 1.1 British Columbia will consult with Okanagan Indian Band on proposed Administrative and/or Operational Decisions and Operational Plans that may potentially adversely impact Okanagan Indian Band's Aboriginal Interests within the Traditional Territory, in accordance with this Appendix B.
- 1.2 Okanagan Indian Band will fully participate in information sharing and/or consultation with British Columbia, Licensees or proponents regarding proposed Administrative and/or Operational Decisions or Operational Plans within the Traditional Territory in accordance with this Appendix B.
- 1.3 In order to facilitate consultation, the Parties will use the Matrix set out in section 1.10 of this Appendix to determine which proposed Administrative and/or Operational Decisions and Operational Plans will require consultation, as well as the appropriate level of consultation for those decisions and plans.
- 1.4 The level of consultation required for the types of Administrative and/or Operational Decisions and Operational Plans listed in Schedule 1 (the "List of Decisions") will be the level indicated in the column of Schedule 1 headed "Consultation Level", unless the Parties agree to a different consultation level under section 1.11 of this Appendix.
- 1.5 If on or before January 31st a Party requests that the List of Decisions or the consultation level for a type of decision or plan set out in it be revised for a subsequent BC Fiscal Year, the Parties will discuss that request and if the Parties agree to a revision, update the List of Decisions on or before March 31st of the current fiscal year.
- 1.6 If British Columbia becomes aware of proposed Administrative and/or Operational Decisions or Operational Plans not contained in the List of Decisions that will have effect within the Traditional Territory of Okanagan Indian Band during the term of this Agreement, British Columbia will notify the Okanagan Indian Band of those decisions or plans and the Parties will, with reference to the criteria set out in the Matrix, seek to agree on the consultation levels that will be applicable to those decisions or plans.
- 1.7 If the Parties cannot agree upon which consultation level in section 1.10 of this Appendix should apply to a particular or any Operational or Administrative Decision or Operational Plan, then British Columbia will consult with Okanagan Indian Band on the basis of British Columbia's consultation procedures in effect at the time as well as the applicable case law respecting consultation obligations.
- 1.8 In reviewing and responding to a proposed Administrative and/or Operational Decision or Operational Plan submitted to them, Okanagan Indian Band will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, Licensee or proponent) that supplied the proposed decision or plan to them, with all reasonably available information that will identify any potential adverse

impacts to their Aboriginal Interests that may occur as a result of the proposed Administrative and/or Operational Decision or Operational Plan within the Traditional Territory or forest or range resource development practices that may be carried out pursuant to that decision or plan.

1.9 If a proposed Administrative and/or Operational Decision or Operational Plan is submitted to Okanagan Indian Band and if British Columbia has met its consultation obligations set out in the Agreement, and no response is received within the consultation period set out in section 1.10 of this Appendix for the consultation level applicable to the proposed Administrative and/or Operational Decision or Operational Plan, then British Columbia may proceed to make a decision regarding the decision or plan.

1.10 The Parties agree that:

- (a) as set out in the table below (the "Matrix") there will be six (6) potential levels of consultation for a proposed Administrative and/or Operational Decision or Operational Plan;
- (b) subject to the List of Decisions, the appropriate consultation level for a proposed Administrative and/or Operational Decision or Operational Plan will be determined by reference to the criteria set out in the Matrix; and
- (c) the consultation period applicable to a consultation level is the period referred to in the Matrix, the List of Decisions or as otherwise agreed to by the Parties, whichever period is the longest.

Level	Description	Intent
1. Information Sharing: prior to formal consultation process	Referral to Okanagan Indian Band during planning to provide opportunity to incorporate Aboriginal Interests prior to submitting plan/request to Decision Maker.	Proponent or Licensee engages directly with Okanagan Indian Band, and provides summary of communications to British Columbia.
2. Available on Request	Type of notification whereby British Columbia informs Okanagan Indian Band they will not be sending out information.	British Columbia notifies on an annual basis which decision(s) fall in this category. Okanagan Indian Band can request more detail if they wish.
3. Notification	Notify in writing Okanagan Indian Band about an upcoming decision and provide overview information. Would be an opportunity for comment.	British Columbia provides Okanagan Indian Band base level information and a short reasonable time (21-30 calendar day consultation period determined by the Parties) to comment. Limited follow-up.

Level	Description	Intent
4. Expedited Consultation Process	Where there is an imminent threat to a resource value (e.g. mountain pine beetle spread control) an expedited consultation process is undertaken.	Intense but short timeline (about 10 calendar days). A justification for shortening the period would be given by describing the imminent threat. May require a meeting.
5. Normal Consultation	Follow on "normal" track for consultation guided by up-to-date consultation policy. Meetings to resolve issues where possible and make decision in a timely manner.	Intent to follow this course in most circumstances. Usually a 30 – 60 calendar day consultation period. May involve meaningful discussion of accommodation options where appropriate. British Columbia will notify Okanagan Indian Band of the final decision where requested by the Okanagan Indian Band.
6. Deep Consultation	Use reasonable effort to inform in an accessible manner and to engage in full discussions around the proposed decision. Make reasonable efforts to accommodate where necessary. Preliminary assessments may indicate a significant Aboriginal Interest and a significant impact to that interest.	Would involve meaningful discussion of suitable accommodation options and interim solutions where appropriate. May require extended timelines. British Columbia will provide the Okanagan Indian Band with the final decision and rationale in writing.

- 1.10 The Parties may agree to increase or decrease the consultation level for a specific proposed Administrative and/or Operational Decision or Operational Plan where detailed Aboriginal Interest information is provided that indicates a different consultation level is appropriate.
- 1.11 Unless requested by the Okanagan Indian Band, the Province is not obligated to inform the Okanagan Indian Band of the Delegated Decision Maker's decision where the consultation level in respect of the proposed decision was level three (3) or lower.
