WOODLOT LICENCE PLAN CHECKLIST

Based on March 18, 2005 WLPPR

Woodlot Licence # _____

Initial Review____ Final Review____

WLPPR	Description	Yes	No	n/a	Comments
Term, Area & Signature					
6	Term of the WLP is 10 Years				
6	Proposed term of < 10 years is OK				
7	WLP covers the entire WL area or a smaller area that is acceptable				
16	Signed by WL holder or person authorized by holder				
Foresters Act	Signed, in whole or in part, by an RPF or an appropriate professional				

Mapping and Information

8(1)(a)	Forest cover				
8(1)(b)	Topography				
8(1)(c)	Location and riparian class of streams, wetlands & lakes				
8(1)(d)	Fish streams				
8(1)(e)	Biogeoclimatic zone & subzone				
8(1)(f)	Public Utilities				
8(1)(g)	Resource Management Zones, Landscape Units, & Sensitive Areas				
8(1)(h)	Wildlife Habitat Areas				
8(1)(i)	Scenic Areas				

8(1)(j)	Ungulate winter ranges				
8(1)(k)	Community Watersheds & Fisheries Sensitive Watersheds				
8(1)(l)	Water supply intakes & infrastructures				
8(1)(m)	Sensitive soil				
8(1)(n)	Existing roads				
8(1)(o)	Barricades restricting access				
8(1)(p)	Private property (within or adjacent)				
8(1)(q)	Other resource features				

WLPPR	Description	Yes	No	n/a	Comments
-------	-------------	-----	----	-----	----------

Restricted or No-Harvest Areas

8(3)	Areas where timber harvesting will be Avoided				
8(3)	Areas where timber harvesting will be Modified				
8(3)(c)	Retention of trees in riparian management zones				

Cultural Heritage Resources

9(1)(d) & 10(a)	Results or strategies for protecting and conserving FN cultural heritage resources (traditional use)				
-----------------	--	--	--	--	--

Wildlife Tree Retention Strategy – Individual wildlife trees

11(a)	Species and characteristics				
11(c)	Conditions under which trees may be removed				
11(e)	How trees removed will be replaced				

Wildlife Tree Retention Strategy – Wildlife Tree Retention Areas

11(b)	Forest cover attributes				
-------	-------------------------	--	--	--	--

11(d)	Conditions under which trees may be removed				
11(e)	How trees removed will be replaced				

Invasive Plants

14	Measures to prevent introduction or spread of invasive plants				
----	---	--	--	--	--

Natural Range Barriers

15	Measures to mitigate removal of natural range barriers				
----	--	--	--	--	--

Stocking Information for Specified Areas (intermediate cuttings)

12	Adoption of MoF Uneven aged Stocking Standards...or...				
12	Acceptable stocking standards proposed in the Appendix;				

WLPPR	Description	Yes	No	n/a	Comments
-------	-------------	-----	----	-----	----------

Performance Requirements: (default or proposed alternative)

	Performance Requirement	Default Accepted	Alternate Proposed	Alternate Acceptable (yes/no comments) <i>(Attach written review of each proposed alternate)</i>
24(1)	Soil disturbance limits			
25	Permanent access structure limits			
35(1)	Stocking standards			
36(4)	Stream riparian area widths			
37(3)	Wetland riparian area widths			
38(2)	Lake riparian area widths			
39(1)	Cutting, modification or removal of trees in a riparian reserve zone			
39 (2.1)	Road construction in a riparian reserve zone			
40(1)	Road construction in a riparian management zone			
52(1)	Proportion of Woodlot area occupied by wildlife tree retention			
54(1)	Retention of coarse woody debris			
56(1)	Protection of resource features			

For any proposed alternative performance requirement, ensure the WLP,

- *identifies the WLPPR provision to which the alternative performance requirement relates*
- *clearly describes the alternative performance requirement without contradicting WLPPR provisions that can't be altered,*
- *describes the area(s) to which the alternative performance requirement applies, and*
- *includes a rationale for how the alternative is consistent with the established government objectives and considers the applicable "Factors" found in Schedule 1 at the end of the WLPPR.*

Supplemental Information

WLPPR	Description	Yes	No	n/a	Comments
17(1)(a) 17(5)(a)	Newspaper advertisement attached				
17(1)(b)	Required referrals completed				
17(3.1) 17(5)(d)	Reasonable effort made to meet with First Nations - Summary attached				
17(4) & 17(5)(b) (c)	Copy of all written comments received and summary of WLP revisions attached				

Attach any additional comments on this review.

WLP Approval Requirements in the *Forest and Range Practices Act (FRPA)*

FRPA	Description	Yes	No	n/a	Comments
13(1)(a)	Includes a map with suitable scale, format and information				
13(1)(a)	Map shows boundaries of areas of intended results or strategies				<i>Results or strategies may apply over the WL area covered by the WLP</i>
13(2)	WLP consistent with applicable government objectives WLPPR s. 9 and 10 (from Objectives Matrix and Government Actions Regulation)				

I have reviewed this Woodlot Licence Plan and am satisfied that it satisfies all requirements for district manager approval.
