

## Commercial Vehicle Safety & Enforcement

### Vehicle Inspections & Standards

# CONSULTATION NOTICE

**To All Industry Stakeholders**

### **RE: Updated Vehicle Inspection Manual**

This is a formal notice that Commercial Vehicle Safety & Enforcement (CVSE) is conducting consultation on proposed amendments to the Vehicle Inspection Manual (VIM). The VIM is a required regulatory document for Designated Inspection Facilities and Authorized Inspectors to utilize when conducting provincial mechanical safety inspections. The 2025 updates to the VIM provide clarity and improvement in several areas.

### **Ways to engage:**

Four consultation meetings have been scheduled for the following dates/times:

- Meeting 1: February 11, 2025, 3pm to 4pm
- Meeting 2: February 13, 2025, 2pm to 3pm
- Meeting 3: February 19, 2025, 9am to 10am
- Meeting 4: February 20, 2025, 10 am to 11am

The meetings will be held virtually by phone and through Microsoft Teams. CVSE staff will be present to provide an overview of the proposed changes and answer any questions.

Confidential materials will be provided in advance, upon receipt of a signed Non-Disclosure Agreement that will be provided to those wishing to attend a meeting or who are unable to attend but wish to provide feedback.

To ensure sufficient time to review materials and provide feedback in advance of the meetings, please:

- Register for a meeting, or request to provide feedback, by February 3, 2025
- Return your signed Non-Disclosure Agreement by February 5, 2025
- Provide any advance feedback by February 7, 2025

Following the meetings, additional feedback will be accepted until February 27, 2025.

Please send all communications to [cvse.modernization@gov.bc.ca](mailto:cvse.modernization@gov.bc.ca) by the dates indicated.

Thank you,

A handwritten signature in blue ink, appearing to read 'Sarah Watson', is positioned above the typed name.
