56 For the purposes of this Part, a trustee has an indirect pecuniary interest in any matter in which the board is concerned if

- (a) the trustee or the trustee's nominee
 - (i) is a shareholder in or a director or senior officer of a corporation that does not offer its securities to the public, or
 - (ii) has a controlling interest in or is a director or senior officer of a corporation that offers its securities to the public,

[2007-20-12, effective July 1/07, BC Reg 229/07]

Deemed pecuniary interest

57 For the purposes of this Part, the pecuniary interest of a spouse or of a parent or child of the trustee is, if known to the trustee, deemed to be also the pecuniary interest of the trustee.

Duty of trustee

[am 2023-14-1027, effective March 30, 2022]

Exceptions

- 59** Section 58 does not apply to a pecuniary interest in any matter that a trustee may have
- (a) by reason of the trustee having a pecuniary interest in the matter which is a pecuniary interest in common with electors generally,
 - (b) by reason of the trustee being entitled to receive any indemnity, expenses or remuneration payable to one or more trustees in respect of the matter,
 - (c) by reason only that the trustee is a member of an association incorporated under the *Cooperative Association Act* or a credit union having dealings or contracts in respect of the matter with the board of the school district of which the trustee is a trustee, or
 - (d) by reason only of a pecuniary interest of the trustee that is so remote or insignificant in its nature that it cannot reasonably be regarded as likely to influence the trustee.

[2004-48-137, effective Dec 31/04, am 2023-14-1028, effective March 30, 2023]

Record of disclosure

60 (1) If a meeting is open to the public, every disclosure of pecuniary interest and the general nature of it made under section 58 must be recorded in the minutes of the meeting.

(2) If a meeting is not open to the public, the fact that a disclosure of pecuniary interest was made under section 58, but not the general nature of that interest, must be recorded in the minutes of the next meeting that is open to the public.

Remedy for lack of quorum

61 (1) When the number of trustees who, because of this Part, are disqualified from participating in a meeting is such that at that meeting the remaining trustees are not of sufficient number to constitute a quorum, the board may apply to the court without notice to any person for an order authorizing the board to give consideration to, discuss and vote on the matter out of which the pecuniary interest arises.

(2) The court, on application under subsection (1) and after giving any direction as to service considered appropriate, may declare that section 58 does not apply to the board in respect of the matter in relation to which the application is brought, and the board may then give consideration to, discuss and vote on the matter in the same manner as though none of the trustees had any pecuniary interest in the matter, subject only to the conditions and directions that the judge may consider appropriate and so order.

Application to court

62 (1) Subject to subsection (3) an elector may, within 6 weeks after the fact comes to the elector's knowledge that a trustee may have contravened section 58, apply to the court for a determination of the question of whether the trustee has contravened section 58.

(2) The elector in the application must state the grounds for alleging a contravention of section 58 by the trustee.

SCHOOL ACT

(3) No application may be brought under subsection (1) after the expiration of 4 years from the time at which the contravention is alleged to have occurred.

Remedy

63 (1) Subject to subsection (2), if the court determines that a person, while holding the office of trustee, has knowingly contravened section 58, the court

- (a) must, in the case of a person currently holding office as a trustee, declare the office of the trustee vacant, and
- (b) may, if the contravention has resulted in financial gain, require the person to make restitution to the party suffering the loss or, if that party is not readily ascertainable, to the board of which the person is a trustee or former trustee.

(2) If the court determines that a person who is currently holding an office of trustee contravened section 58 and finds that the contravention was committed through inadvertence or because of an error in judgment made in good faith, the person is not subject to having the person's office declared vacant under subsection (1).

(3) An office declared vacant under subsection (1) must remain vacant if the decision is appealed, and no election to fill the office may be held until the final determination of the matter or until the next general school election, whichever is earlier.

[am 2023-14-1029, effective March 30, 2023]

Proceedings voidable

64 (1) The failure of any person to comply with the requirements of section 58 does not of itself invalidate any proceedings of the board, but the proceedings are voidable at the instance of the board before the expiration of 2 years from the date of the passing of the resolution or bylaw in respect of which the failure occurred.

(2) Subsection (1) applies unless to invalidate the proceedings would adversely affect the rights of another person who acquired those rights under or as a result of the proceedings and who acted in good faith and without actual notice of the failure to comply with section 58.

122 An owner of land and improvements must pay school taxes and school referendum taxes levied under this Act, and the taxes must be collected in the manner provided for in this Act.

Application of other Acts for rural areas

123 (1) Subject to this Act and the *Assessment Act*, the *Taxation (Rural Area) Act* applies to the assessment, levy, collection and recovery of taxes imposed under this Act in a rural area of a school district, and to the addition of penalties and interest on those taxes when delinquent, in the same manner as taxes imposed under the *Taxation (Rural Area) Act*.

(2) All taxes levied under this Act in a rural area of a school district are, for all purposes of the *Taxation (Rural Area) Act*, deemed to be Provincial taxes imposed and assessed under that Act and must, on collection or recovery, be accounted for as such and be paid into the consolidated revenue fund.

Collection of school taxes by municipality

124 (1) In this section, "**additional school taxes**", "**general school taxes**" and "**school taxes**" do not include any penalty or interest that has been charged on those taxes.

(2) In each taxation year, each municipality collecting school taxes on behalf of the government under this Act must pay to the minister of finance

- (a) instalments of general school taxes, or additional school taxes, or both, prescribed by regulation of the Lieutenant Governor in Council, and
- (b) subject to subsections (6), (7) and (9), on the tenth business day after the calendar year end of each year the balance of all taxes imposed under this Act, whether or not they have been collected.

(3) Despite subsection (2) (b), a municipality may, on the tenth business day after the calendar year end of each taxation year and on the last day of each succeeding month until all school taxes imposed under this Act for that taxation year have been collected, pay to the minister of finance the amount of school taxes that it collects by each of those dates.

(7) Subsection (6) applies also in respect of land held in trust for an Indian band and occupied, other than in an official capacity, by a person who is not an Indian.

(8) The write off of an amount under subsection (6) does not relieve the holder or occupier from liability for school tax imposed under this Act or prejudice the right of the government to collect from the holder or occupier the amount written off.

(9) In the manner and at the times prescribed by the Lieutenant Governor in Council, a municipality may deduct the amount of home owner grants certified under section 12 (1) [*certification and payments to municipalities*] of the *Home Owner Grant Act* from instalments of general school taxes payable under subsection (2) of this section.

(11) The prescribed fee referred to in subsection (10) may, in relation to general school taxes, be different for different property classes.

(12) If the Lieutenant Governor in Council prescribes different fees for different property classes, the prescribed fee referred to in subsection (10) must, in relation to additional school taxes, be the same as the fee prescribed in relation to general school taxes for class 1 property.
