B.C. SAVINGS BONDS REDEMPTION PROCEDURES

BCSB Series:	Maturity Date:	Redemption Amount:
1	June 1, 1991	Face Value
A	October 15, 1995	Face Value
B	October 15, 1996	Face Value
C	October 15, 1997	Face Value
D (Annual Interest)	October 15, 1998	Face Value
D (Compound Interest)	October 15, 1998	Face Value + Interest (refer below)

Once the below Redemption Procedures for the above BCSB Series have been completed, credit the bondholder the applicable Redemption Amount. Other than Bond Series D (Compound Interest), no interest is payable as the bondholder would have previously received the final interest payment.*

Series D (Compound Interest)

Compound Interest (certificate prefix, CD) - Credit the bondholder with the Redemption Amount (face value plus interest). The Redemption Amount is calculated as follows:

$$\text{Face Value of Bond} \times 1.19944 = \text{Redemption Amount}$$

Series E, Series F, Series G, Series H and Series I

These non-certificated bonds matured between 1999 and 2007 and were fully paid out upon maturity.*

****All Bond Series***

Holders may have unpresented/uncashed cheques and should contact Computershare Advantage Trust of Canada (CATC) at: **1-416-263-9275** and/or email CATC@computershare.com the bond details along with a scan of each bond certificate(s).

Redemption Procedures

1. Contact Computershare Advantage Trust of Canada (CATC) at 1-416-263-9275 and/or CATC@Computershare.com to ensure the bond certificate(s) have not previously been redeemed and remain outstanding on the CATC register.
2. Verify the entire bond certificate is intact (should be a perforated line across middle of bond certificate). If not intact, the bond cannot be redeemed - please contact CATC.
3. Bondholders or their authorized representatives must endorse and complete their address on the reverse side of the bond in the area provided. "Know your client" rule applies. If person signing the bond is not a known client of the bank, the identification provided and address at the time of redemption should be noted on the reverse of the bond in the "Demand for Redemption" panel. The registrar will return any bonds, not endorsed by the bondholder and/or authorized representative, to the negotiating bank branch.
4. Enter the redemption amount to be credited to the bondholder in the space entitled "Redemption Amount", on the face of the bond.
5. Place an impression of the Sales Agent stamp on the reverse of the bond in the "Stamp of Redemption Agent" panel.
6. Detach the bottom half of the bond and clear using normal clearing arrangements. Retain top half of bond. A hold should be placed on funds credited until the bond has cleared through CATC.
7. **Do not issue T-5 Forms.** T-5 Forms have been issued by the Registrar for all interest payments and were mailed directly to the bondholder at the registered address.
