Groups that do not meet the eligibility criteria to use gaming funds for their own programs may apply for a Class B raffle if they are donating 100% of the proceeds to an eligible organization. This only applies to raffle applications. If you are raising funds to donate to an eligible organization as a Community Fundraising Group, you must submit a letter from your recipient organization stating that they are aware of the raffle, agree to accept the proceeds and will use the funds for an eligible purpose within British Columbia. The letter must reference the application number and a new letter must be submitted for each new application. Letters can be sent to gaming.licensing@gov.bc.ca
