

M 016

File: FOR-10285-30/DOS Research Sites

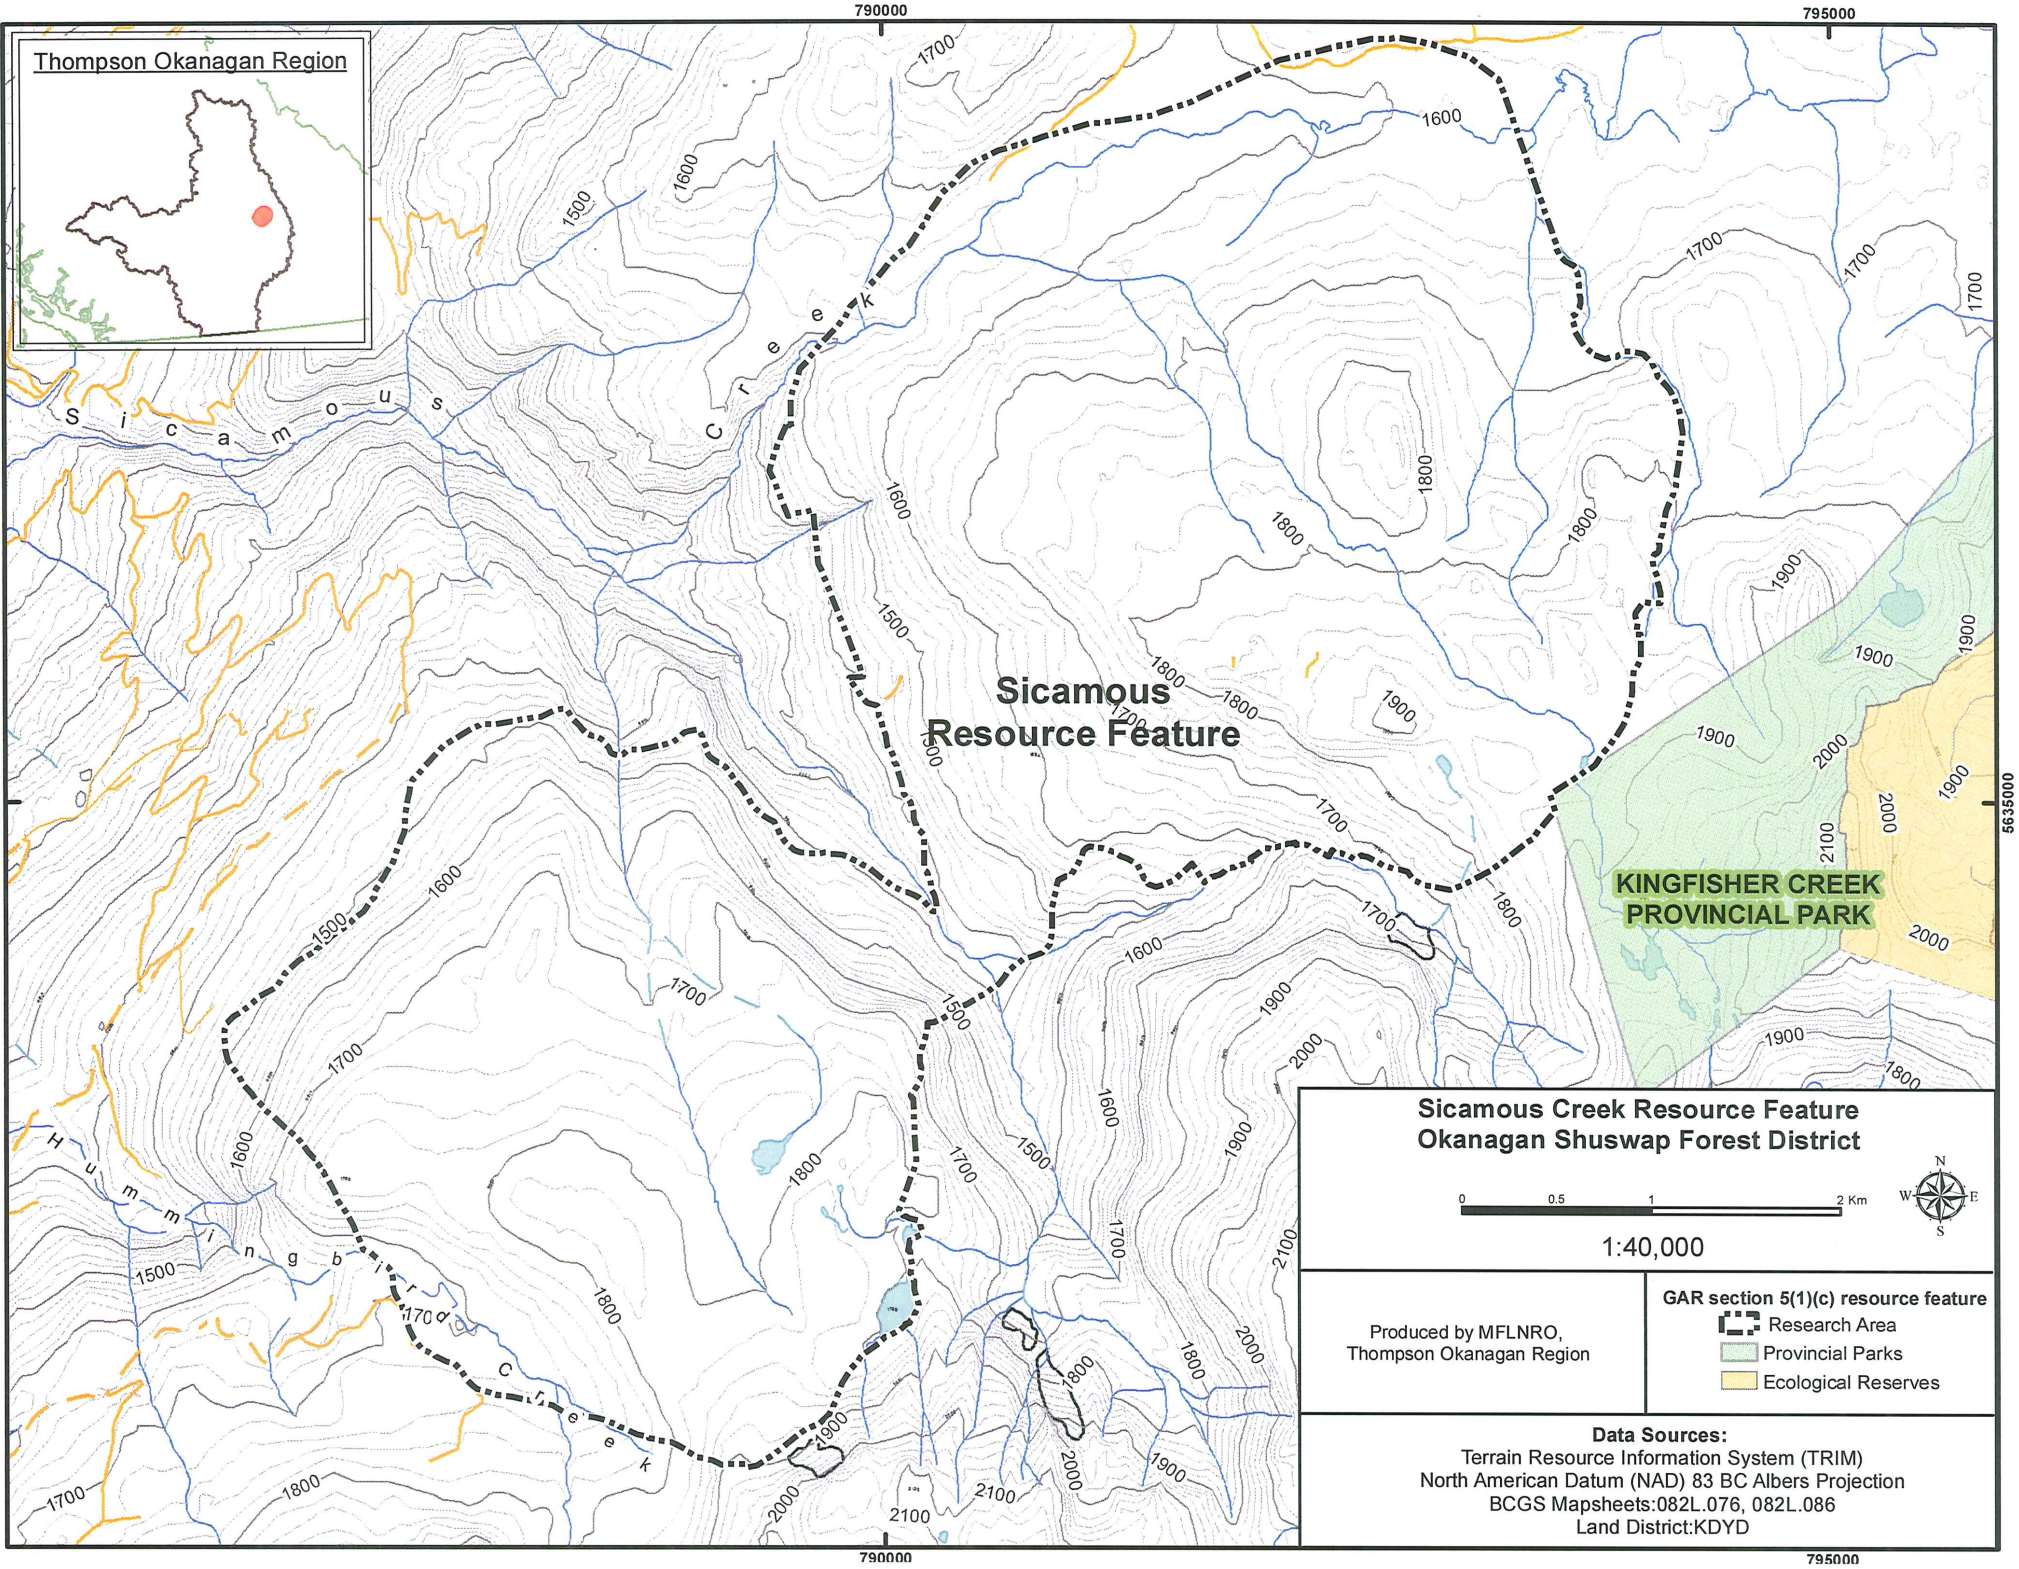

**Order to identify a resource feature adjacent to the upper reaches of the North Fork
of Sicamous Creek and Upper Penticton Creek area within the Okanagan-Shuswap
Forest District**

Pursuant to section 5(1)(c) of the *Government Actions Regulation* under the *Forest and Range Practices Act*, I hereby identify the areas specified on the attached maps as a resource feature - Crown land used for research or experimental purposes.

Peter Lishman
Acting Region Executive Director
Thompson Okanagan Region
Ministry of Forests, Lands and Natural Resource Operations
