1 - Introductory Letter

Mr. Ron Balls, chairman
FIL Men's Competition Committee

October 3, 2011

Dear Mr. Balls,

I would like to present on behalf of the 2016 Under-19 Men's Games bid committee, our proposal to host this event in 2016 in Coquitlam, British Columbia, Canada. As you are aware, we hosted these games in 2008. Everyone involved with that event are still talking of it as one of the best experiences of their lives and we are ready to do it again.

Recently, British Columbia hosted the world with the 2010 Olympic Winter Games. The volunteers became one of the hallmarks of these games as they were in the 2008 U-19 games displaying the great hospitality and organization we are known for.

The City of Coquitlam and the Tri-cities area are all on board, and keen to host the World's Lacrosse Community again. The City of Coquitlam has embarked on promoting a new Sport Tourism philosophy and is extremely supportive and excited about the opportunity to be the host venue again.

By the time the event rolls around Coquitlam will see the new Evergreen light rapid transit line completed providing LRT service from the Vancouver International Airport to the event venue

The Town Centre facility itself is now complete it's renovations with four state of the art turf fields and updated stadium facilities all set in a beautiful park environment suited for athletes and families alike.

As you will see our venue is a perfect fit for this event and will provide first-rate facilities for players and spectators alike. Our volunteers and support services are keen, equal to the task and look forward to another opportunity to host the world.

Thank-you for the opportunity to present our proposal and I look forward to discussing this bid with you in the future. If I can be of any assistance, please do not hesitate to contact me.

Best regards,

Cliff Pascas, chair
2016 Bid Committee

2 - Bid Organizing Committee

Cliff Pascas: Cliff has been involved with the Lacrosse Community for the past 24 years. Taking on many roles from team manager to club administration/organization to BC Directorate Chair to chairing the 2008 World Games Organizing Committee and presently on the board of the 2008 Games Foundation. A construction project manager by occupation, Cliff has expertise in the management of budgets, schedules and organizational structure.

Garth Cambrey: Garth has been involved in the Lacrosse for the past 14 years assisting where needed on any of his son's or daughter's teams. Notably Garth was also a director on the 2008 games committee and continues to sit on the board of the 2008 Games Foundation. Garth is an independent businessman operating a very successful property management firm.

Jane Boutilier: Jane is the consummate volunteer. Involved with Lacrosse at the club and league levels Jane has taken on any task put before her and completed it with competence and enthusiasm. In the 2008 Games, Jane took on the roles of organizing the opening and closing ceremonies as well as numerous other tasks that came up. She also submitted the winning design for the FIL logo. Jane currently sits on the board of the 2008 Games Foundation. By occupation, Jane is a Human Resources manager for her local school district.

3 - Vision Statement

Our Vision

To stage an event that will provide lifelong memories for all of the participants and in doing so help to foster growth in the sport both locally and internationally.

Our Goals

- To promote competitive sportsmanship on an international level promoting fair play and drug free participation.
- To foster a cultural exchange amongst athletes and fans from around the world.
- To bring international attention to the game of lacrosse and showcase it as Canada's national summer sport.
- To host games in a fiscally responsible manner
- To use effective, open communication and collaboration amongst all parties to work together towards a memorable event.
- To provide a legacy in the form of funding for development of the game across our province.

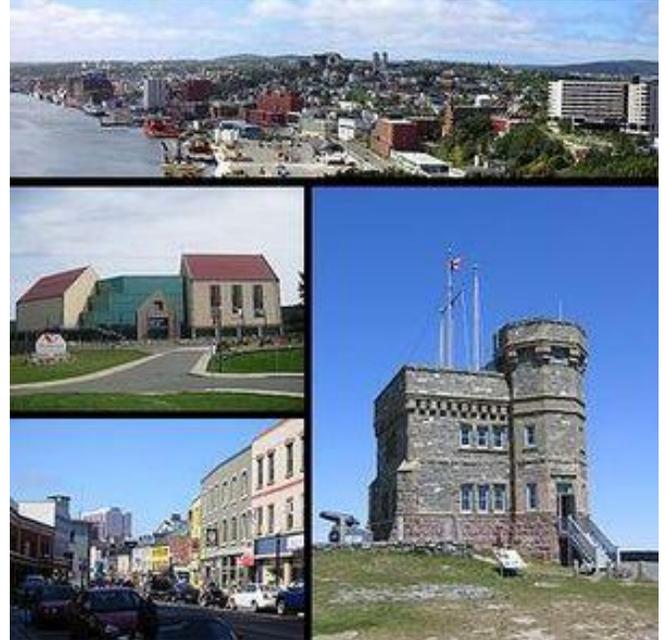

4 - Host Country

Canada:

Canada is a country of vast diversity, both geographically and culturally. The country is bordered by three oceans and the longest unguarded border in the world. On the west coast of Canada lies the Pacific Ocean, the Atlantic Ocean on the east, the Arctic Ocean to the north, and the United States of America to the south. It encompasses almost 10,000,000 square kilometres in area making it the second largest country in the world in area.

The country is divided into 10 provinces and 3 territories. On the East coast are the provinces of Newfoundland/Labrador, Nova Scotia, New Brunswick & Prince Edward Island. These provinces boast a rich maritime history and thus are known as our Maritime Provinces.

West is the province of Quebec. A beautiful historic province, the centre of French culture in Canada.

Moving West, Ontario is next and being Canada's largest province boasts 40% of the total population. Manitoba, Saskatchewan and Alberta are our 3 prairie provinces. From the Ontario border to the spectacular Rocky Mountains these provinces are Canada's heartland boasting vast plains and golden wheat fields.

To the north lie Canada's three territories, the Yukon, Northwest, and Nunavut Territories, homes to our vast northern wilderness and arctic tundra.

Finally, on the west coast is Beautiful British Columbia with its spectacular mountains and rugged coastline.

Facts about Canada:

Area	9,984,670 square km
Coastline	202,800 km
Climate	Temperate in the south, sub-arctic/arctic in the north
Population	34,615,000
Official Languages	English & French

5 - The Host City

Coquitlam, British Columbia, Canada.

Coquitlam is one of the many Cities within the area known as the “Lower Mainland” A major centre with-in the metropolitan area of the host city for the 2010 Winter Olympics, Vancouver.

About Coquitlam

The City of Coquitlam motto is - *ANIMUS FLUMINUS VIRES POPULI*

The Spirit of the Rivers (is) the Strength of the People

On October 30 1990, the coat of arms with the above inscription was received officially at a ceremony held in the Council Chambers of Coquitlam's old Municipal Hall.

Coquitlam's earliest residents were the Coast Salish First Nations people. The City began to grow into the community it is today with the opening of Fraser Mills, when settlers from Quebec brought their mill experience and their French heritage. Since then, Coquitlam has continued to expand into the multicultural, family-oriented community it is today. Coquitlam is fast

becoming the Lower Mainland's number one location for lifestyle and business.

Coquitlam's open and accessible government is dedicated to providing services that enable all members of our community – businesses and residents – to prosper and grow within a safe and clean environment. We have invested up-front in modern infrastructure that continues to pave the way for double-digit residential, commercial/retail and industrial growth.

Building on Coquitlam's strengths, the City developed an Economic Action Plan to enhance long-term fundamentals of the local economy and to better position Coquitlam as part of the regional economy.

The Plan also focuses on supporting healthy communities and neighborhoods through job opportunities for a growing population, and sustained development of a vibrant local economy and tax base.

Coquitlam is home to the Coquitlam Adanacs Senior A & Junior A Lacrosse clubs as well as Coquitlam Minor Lacrosse and numerous other Junior & Senior club teams. Also home to the Coquitlam Express Junior A Hockey Club and the Coquitlam Reds Premier League Baseball Team

The City of Coquitlam will also be the hosts of the 2012 LPGA Canadian Open Women's Golf Event and are vying to host the BC Summer Games in 2016

Recent major Lacrosse events held in B.C.

2011 Mann Cup – Senior A Lacrosse National Championships

2011 First Nations Trophy – Under-19 Men's Field Lacrosse National Championship

2011 Alumni Cup – Under-16 Men's Field Lacrosse National Championships

2011 Ross Cup & Victory Trophy – Men's National Field Lacrosse Championships

2010 Minto Cup – Junior A Lacrosse National Championships

2010 Midget Nationals

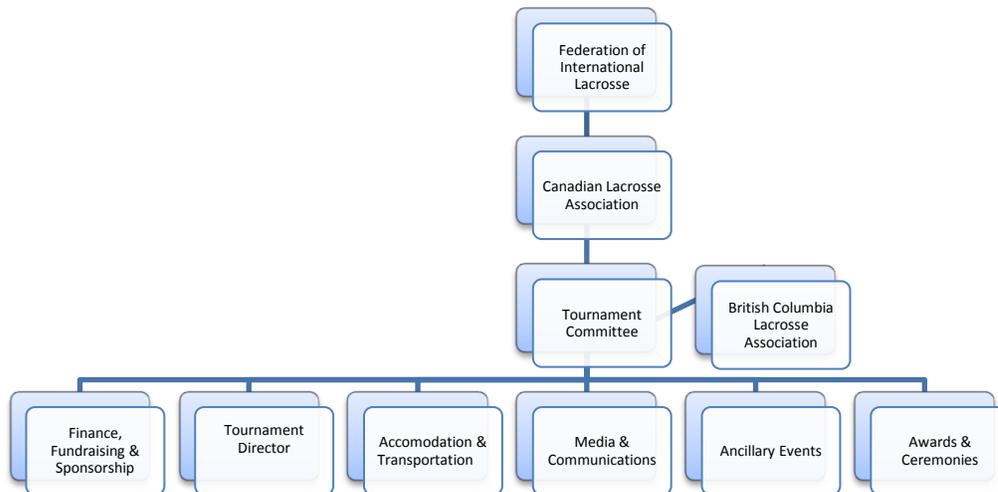

2009 World Police & Fire Games – Men's Field Lacrosse

2008 ILF Under-19 Men's World Championships

6 - Games Organizing Structure

The Bid Organizing Committee will carry on working through the “Not for Profit Society” established for the 2008 games. A tournament committee will be formed and will provide an opportunity for representation from the F.I.L., Canadian Lacrosse Association, the British Columbia Lacrosse Association, the City of Coquitlam and various other members from the community experienced in hosting National and Provincial lacrosse tournaments.

The Tournament Committee will be responsible for planning, developing and implementing the event plan and day-to-day operations related to hosting the 2016 Under-19 World Lacrosse Championship.

It is anticipated that the Tournament Committee shall operate on a volunteer basis with a sufficient number of volunteers being appointed to the Committee as required.

7 - Emergency Services

The Town Centre Sports Complex is located with-in minutes of all emergency services.

Eagle Ridge Hospital is a modern, state of the art facility, which is located only 5 minutes from the Town Centre Complex.

Royal Columbian Hospital is a major trauma facility located in the neighbouring city of New Westminster. Located 20 minutes from the Town Centre complex this medical centre specializes in orthopaedic and spinal injuries.

Coquitlam #1 Fire Hall is located adjacent to the Town Centre Park Complex. It is manned full time with emergency fire and paramedic staff.

First-Aid Sports Med BC is a society whose focus is on identifying, developing and promoting Best Practices in Sport Health, Sport Safety and Sport Training. They will be a valuable resource in the supply of skilled athletic trainers for teams requiring them as well as providing immediate injury assessment and treatment as well as general first-aid duties.

Police The main Coquitlam detachment of the Royal Canadian Mounted Police is located just opposite the south-west corner of the park. Prior to the event, the stadium operations team will work with the RCMP to develop a comprehensive security and emergency access plan for the park.

Royal Canadian
Mounted Police

8 - Transportation

The transportation plan developed for the 2008 event proved to be very efficient and will likely be implemented again in a similar manner. Some teams may choose to provide their own transportation, but for those choosing to use tournament buses, they will be scheduled in such a manner to have the teams arriving at the fields with sufficient time for preparation and warm-ups. A dedicated shuttle will be provided for the officiating crew.

The Tri-city area is serviced by an excellent public transportation system. Buses and connecting advanced light rapid transit (Skytrain) make travel in the greater Vancouver easy, economical and efficient. Prior to the event, the Coquitlam area will be enjoying the new Evergreen extension to the Skytrain LRT network. This will provide easy access to the airport or downtown Vancouver and all of its amenities.

9 - Accommodation

The director of accommodations will negotiate a preferred rate for the local hotels in the Coquitlam area for teams and or supporters that wish to take advantage of them. We will also be looking to secure college dorm style accommodation at Simon Fraser University for those teams preferring that style of residence. Whichever type of accommodation is preferred; the providers in the area have expertise in dealing with large groups and sports teams. Scheduled bus transportation for teams will be set-up for travel to and from the tournament venue from tournament accommodations.

10 - Food Services

The cultural diversity of the area provides for dining experiences of virtually any ethnic background.

Meal service for the athletes will be available as part of the accommodation package.

Food services at the tournament venue will offer a varied menu and will be available during tournament hours. All teams will be provided with post-game beverages and healthy snacks.

11 - Ancillary Events

Opening ceremonies will include a parade of athletes, assembly and opening comments by various dignitaries and official guests. Plans will be to include local First Nation involvement representative of the game's heritage.

Closing ceremonies will be held on field after the final game with representation of all teams with their flags. Comments from local and provincial dignitaries as well as from the FIL and tournament committee will be part of the program.

Tournament awards including All-stars and Spirit of Lacrosse awards will also be handed out at as part of the closing ceremonies.

Along with the main event, our plan is to host a Youth Field Lacrosse Invitational Tournament. Players in this event will have full access to the main event which will give the younger players both a demonstration of play at the highest skill level and also provide inspiration as to what they too could achieve in representing their country.

12 - Media and Communication

With the 2008 event a very comprehensive website was set up, providing both teams and fans with up to date information on the event as well as real time statistics during game play. This quality website will be carried on and updated for this event.

For the 2008 games, the directors secured sponsorship from a major market sports radio station as well as one of the two major newspapers for coverage of the event. This along with other local media interest during the games provided great exposure for the event. We will pursue this type of collaboration again.

Also, on staff will be a dedicated media relations person as we had in 2008. This person coordinated media accessibility as well as provided the many press releases through the course of the games.

13 - Sports Facilities

The Coquitlam Town Centre Sports Complex is located in the heart of development in the City of Coquitlam. It is home to four quality artificial turf fields, one being the main stadium field and two natural grass fields. All four turf fields are equipped state of the art lighting to support play into the evening hours if required.

The stadium is enclosed by secure fencing and provides covered seating for about 1200 fans. Additional bleacher type seating can easily be moved to the ends of the field to provide additional seating if demands require it. Both adjacent turf fields have covered seating for about 200 people at each field along with covered players benches.

The facility offers full size adult team change rooms as well as a secure official's change area. In 2008 we added additional large tents equipped with tables and chairs to provide us with additional dressing rooms. This will likely be repeated as necessary.

Fully equipped concession area will be open to serve the needs of fans and players alike.

The south end of the field features a full size electronic scoreboard. All turf fields have full field lighting.

The south end of the complex has a very large open area, which is envisioned, as a tent city of vendors and displays.

All four turf fields are equipped with artificial lighting that would allow games into the evening if required.

Meeting facilities for the various games committees during the course of the games are available at the Evergreen Cultural Centre a short 5 minute walk from the stadium. These facilities would also be available for any FIL business meetings if planned for.

In addition to the outstanding sport facilities available, Coquitlam Town Centre also has trails through quiet forested areas and lakes providing anyone with space for a time out. It is also located minutes from major shopping malls.

Once onsite we see Town Centre offering everyone everything they need to spend a day at “the Games”

14 - Financial Plan

Proposed Tournament Operating Budget

WORLD LACROSSE CHAMPIONSHIP 2016 PROPOSED OPERATING BUDGET		
<u>Grants</u>	FIL	5,000.00

CLA Hosting Agreement	15,000.00
Total Expenses	\$ 174,000.00
SURPLUS/(DEFICIT)	\$ 1,000.00

15 - Legacy

The legacy left from this event will be two fold.

First of all, our plans are for a lacrosse festival that will have participants, volunteers and spectator's alike going away with memories of good friends and good competition.

Secondly, funding raised by this event will go to the 2008 World Lacrosse Foundation which was started after the 2008 games. Its sole purpose is to provide support for the development of our sport in all areas of British Columbia so that these great opportunities are available to all players, coaches and officials with the desire to excel.

Cliff Pascas
Chair
2016 U-19 World Lacrosse Bid Committee
BC Lacrosse Association
c/o 3233 Freemont Street
Port Coquitlam, BC
V3B 7V6

October 13th, 2011

Dear Mr. Pascas:

I am pleased to offer my enthusiastic support for the BC Lacrosse Association's bid host the 2016 FIL World Under 19 Men's Field Lacrosse Championships at the Town Centre in Coquitlam.

The Tri-Cities is rich in its lacrosse history. As an avid lacrosse fan I can personally attest to the tremendous support base in the Tri-Cities for the game and our local team the Coquitlam Adanacs. In 2008, Coquitlam 's Town Centre Park was host to the very successful event in 2008.

The Town Centre Stadium in Coquitlam offers a state-of-the-art sport facility for the 2016 Championships and its dozen participating international teams. Town Centre is a thriving commercial and residential area set in a picturesque natural backdrop that is characteristic of our *Beautiful British Columbia*, all within each reach of downtown Vancouver. I believe the participating international teams could not ask for a better venue.

True to tradition, I know local lacrosse fans will fill the stands with sportsmanship and cheer in appreciation for the opportunity to once again host the 2016 World Under 19 Men's Field Lacrosse Championship in Coquitlam.

I wish success in your proposal.

Sincerely,

James Moore, MP

Port Moody-Westwood-Port Coquitlam

October 24, 2011

Cliff Pascas
Chair
2016 U-19 World Lacrosse Bid Committee

Dear Mr. Pascas:

As Premier of the Province of British Columbia, I wanted to extend my best wishes to you and members of the Bid Committee as you prepare the Bid for the 2016 Under 19 Men's Lacrosse World Championships.

Coquitlam is a prime location for this major sporting event. It is centrally located and easily accessible. All of the important services needed for the guests such as accommodations, health care, parks, recreation and other amenities are within close proximity. The Town Centre Sports Complex will ensure top of the line facilities and the people of Coquitlam and surrounding communities will be the greatest of hosts.

You have my full support in your efforts to secure this great opportunity, as you present your Bid to the Federation of International Lacrosse.

Sincerely,

A handwritten signature in black ink that reads "Christy Clark". The signature is written in a cursive, flowing style.

Christy Clark
Premier

Mr. Cliff Pascas
Chair – Worlds Bid Proposal Committee
3233 Freemont Street
Port Coquitlam, BC V3B 7V6

Dear Mr. Pascas:

RE: 2016 FIL World Under 19 Men's Lacrosse Championships

On behalf of Council City Council, I am pleased to provide a letter of support for your bid to host the 2016 FIL World Under 19 Men's Lacrosse Championships at Town Centre Sports Complex in the City of Coquitlam. These championships would significantly add to the richness of Coquitlam's lacrosse history in our community, and we would be proud to welcome visitors from around the world to our City.

Town Centre Sports Complex is a world class sports facility comprised of four state-of-the-art lit artificial sports fields, plus two natural grass sports fields. The centre piece of the facility is Percy Perry Stadium which includes covered grandstand seating and a state-of-the-art score clock and messaging board. Users can enjoy multiple changerooms, officials rooms, full concession facilities, and on-site staff support. The park also includes many other family-friendly sports and leisure amenities.

I wish you success in your bid to host this championship event.

Yours truly,

Richard Stewart

Re: FIL Under 19 Men's Field World Lacrosse Championships

To Whom It May Concern:

On behalf of the Canadian Lacrosse Association I am pleased to provide our full support and endorsement for the bid proposal as prepared under the Chair, Mr. Cliff Pascas, to host the 2016 U19 Men's Field Lacrosse World Championship in Coquitlam, British Columbia, Canada.

The CLA is fortunate to have a very strong provincial lacrosse association in BC and we benefit from a highly skilled and dedicated lacrosse community in BC who is more than able to host a successful world championship event, as was demonstrated with the 2008 U19 World Championship.

We certainly look forward to possibly welcoming the global lacrosse community to Canada in 2016 and we appreciate the FIL considering this proposal.

Yours in lacrosse,

Stewart Begg
VP International Competition

RE: FIL World Under 19 Men's Lacrosse Championships

To Whom It May Concern:

On behalf of the BC Lacrosse Association Executive and Membership, I am pleased to write this letter of support for the FIL World Under 19 Men's Field National Championships for the U19 World Games Bid Committee.

As evidenced during the 2008 U19 World Championships, BC has a group of incredible, dedicated field lacrosse volunteers who have already shown their organizational and promotional skills by presenting a world-class event in Coquitlam, BC. This group was led by Cliff Pascas, Garth Cambrey and Jane Boutilier, who are the same group who are making this application for the 2016 National Championship event. There is no doubt that their skills, talent and passion will carry us through another resounding success.

The BC Lacrosse Association will hold a position on the Championship Committee, and will offer technical and administrative resources when called upon to do so.

If you have any questions or concerns, please do not hesitate to contact me directly.

Sincerely,
British Columbia Lacrosse Association

17 – FIL Bid Application

Please see attached

**2016 FIL MEN'S UNDER 19 WORLD CHAMPIONSHIP
 BID APPLICATION
 DUE: 5th December 2011**

The bid should be based on the assumption of a minimum of 12 teams competing and for planning purposes at this stage 20. Note this may change and the numbers will be confirmed in 2015.

1. CONTACT DETAILS

Host Country:	Canada
Organising Body (if different to above):	2008 World Lacrosse Foundation with permission of the Canadian Lacrosse Association
Host City/Town:	Coquitlam, British Columbia
Proposed dates of event:	July 7th to 16th, 2016
Website:	Currently " www.2008worldlaxfoundation.com"
Proposed event website (if known):	

Primary Contact Name:	Cliff Pascas
Address:	3233 Fremont Street, Port Coquitlam, British Columbia, Canada, V3B 7V6
Telephone:	604-941-7145
E-mail:	cpascas@shaw.ca
Secondary Contact Name:	Garth Cambrey
Address:	1679 Magellan Street, Port Coquitlam, British Columbia, Canada, V3C 4N8
Telephone:	604-818-6708
E-mail:	gcambrey@aol.com

2. FACILITY AND DATE INFORMATION

Please attach photos, brochures or website address of the venue if available.

Name and location of facility:	Coquitlam Town Centre Park
Year constructed:	Major renovation & update completed 2010
Size of playing venue/s:	4 regulation size artificial turf soccer fields plus 2 similar grass fields if required
Surface of playing venue/s:	Sport Turf
Seating capacity:	1200 covered in stadium, 200 covered at 2 of the adjacent turf fields & 100 uncovered at 4 th field
Standing capacity (if applicable):	

Floodlight availability (night matches):	All four turf fields have artificial lighting for night games if required
Ticketing control arrangements (e.g. enclosed venue etc)	Facility is completely fenced with main public gate allowing for spectator ticket control. Alternate entrance for players, officials and tournament staff.
Number of change rooms: (suitable size for Lacrosse Teams)	4 permanent adult size change rooms, 1 full size change room for Officials. Additional enclosed tents will be erected as required and will be equipped with tables and chairs.
Training facilities: If offsite please provide details of location / number of fields / any restrictions on availability / locker rooms / distance from main game facility / distance from accommodation	Away from the stadium facilities, there are at present 6 other turf fields in close proximity and available for training or practice purposes. They are all with-in a 30 minute bus ride from the accommodations and all are equipped with lighting if required. If the university fields are available adjacent to the residences we would endeavour to gain access to them.
Weather conditions during dates:	Usually sunny approx 25 – 30 dg C
Merchandise area/s:	An area at the south end of the facility would be available for vendors.
Scoreboard and clock:	Stadium has electronic scoreboard and clock. Official time to be kept at the scorekeepers table with the use of stop watches. Alternate fields will use stop watches and flip boards to display scores

3. ACCOMMODATION DETAILS

Please attach photos, brochures or website address of the accommodation if available.

Location:	Simon Fraser University residence or local hotels.
------------------	--

Capacity: number of rooms, single, double etc	University style residences based on double occupancy. Townhouse style residences available for officiating team.
Meal arrangements: e.g dorm style, cafeteria, self catering	Pre-arranged, cafeteria style
Meal options: (e.g package options, cuisines etc)	Meals will be tailored to healthy life style.
Meeting rooms:	Meeting rooms are available if required.
Other amenities: e.g. internet, recreational rooms, athletic facilities	Residents will have access to all of the Simon Fraser Recreation facilities. Pool, gymnasium, weight rooms, etc.
Spectator accommodation:	Numerous hotels close to rapid transit with connection directly to venue.

4. TRANSPORTATION

Nearest major airport/train station:	Vancouver International Airport (YVR) approx. 40 km's to venue
Distance from airport to accommodation:	YVR to Simon Fraser University approx. 35 km's
Distance from accommodation to playing venue:	Simon Fraser University to Town Centre Park, approx 15 km's
Proposed means of transport from:	

• airport to accommodation	Charter coach
• accommodation to venue	Charter/school bus
• to practice venue (if different to playing venue)	Charter/school bus
Other: (general transport options)	Car service will be available if required to shuttle FIL officials or other VIP's to and from their hotel or meetings.

5. MEDIA REQUIREMENTS / CAPABILITY

Note that filming rights need to be discussed with the FIL

Media facilities: e.g. print media	The stadium field has a dedicated press box suitable for all forms of media. It will be equipped with a wireless access point for internet connections as required.
Filming opportunities:	All games will be filmed, with DVD's provided to each team after their respective games.
Television/internet/other coverage:	Television coverage will be explored. Our experience in 2008 was that it was not financially feasible, but it will be looked at again. Webcasting proved to be quite successful previously and this is likely to be provided again.
Other:	

6. PRESENTATIONS / CEREMONIES

Opening Ceremony: (location etc)	Opening ceremonies will be held at the stadium field
---	--

Closing Ceremony : (location etc)	Closing ceremonies will be held at stadium field after the gold medal game. Award presentations part of the same ceremonies.
Other functions/awards:	Coaches, Officials, & VIP social on the evening prior to the start.
Other:	

7. CONTRACT DATES

Dates by which contracts have to be signed (as applicable for major items) to secure provision.

Facility/Venue:	Facility will be booked upon award. Contract not required to be signed until approx 1 year prior.
Accommodation:	1 year prior
Transport:	1 year prior
Other:	

8. ADMINISTRATIVE SUPPORT

Please outline your proposed organisation and administrative support arrangements and where not the National Governing Body (NGB), your relationship with the NGB.

Organising Committee:	The organising committee directors will be members of the 2008 World Lacrosse Society with the endorsement of the Canadian Lacrosse Association.
------------------------------	--

Drugs Testing:	Conducted by the Canadian Centre for Ethics in Sport in accordance with FIL bylaws based on the current WADA standards.
Press / Media:	As in 2008, we will have a media relations director who will handle press releases as well as coordinate access to various media outlets.
Ticket Sales: (advance and on site)	Ticket sales will be handled through a ticketing company such as Ticketmaster. Advanced sales will be available on-line. Walk up sales will also be accommodated at the main gate. Tickets will be available in full event packages as well as by the day.
Overseas Supporters:	We will keep an open line of communication to overseas supporters through an information email address on our website and any enquiries will be answered in a timely manner. All tournaments related announcements will be forwarded to the various team bodies for their information and distribution as required. Social media sites such as Facebook and Twitter will also be extensively used.
Ancillary events: e.g. junior, masters	It is anticipated that we will host a Youth Tournament alongside the main event. Likely in the High School and Junior High School age groups.
Other:	As in 2008, the off day before the finals, we held a no cost Salmon Barbeque and skills day for all of the players. We plan to do something similar again to provide a enjoyable low key day of bonding for all participants.

9. OTHER ACTIVITIES

Ability to host FIL Men's Sector / Board Meetings.	The Evergreen Cultural Centre which is part of the Town Centre Complex offers fully equipped meeting rooms which would be well suited for FIL meetings. It is our proposed location for committee meetings such as awards committee, coaches meeting and so forth.

10. SHORT AND LONG TERM DEVELOPMENT POTENTIAL

a) What benefits do you envisage your country will derive from hosting a World Championship?

Lacrosse, and in particular the Field Lacrosse discipline is growing in popularity year after year. We see this event as another tool to demonstrate this great game. With exposure through local print and electronic media we will hope to generate an interest in the game from people who would not have previously known of it. Providing references to the Canadian Lacrosse Association and the British Columbia Lacrosse Association as sources of information regarding participation we think will help to generate interest and growth from outside of the mainstream Lacrosse community.

.....

b) How will hosting this World Championship support the FIL Development Committee in furthering its aims of introducing lacrosse in new countries whilst continuing to strengthen it in existing locations?

Our group staged this event in 2008, and by all reports it was a great success both in showcasing the game and financially. On the latter note, we were able to provide the FIL will a substantial revenue share. We envision the same thing again for this event. Some or all of these funds to the FIL could be used to finance development strategies in developing areas.

Further, the staging of a successful championship event such as this and reports of it spreading through various media and social media outlets will help to spark interest in developing areas. In today's age, spreading information to a worldwide audience is as simple as a keystroke on a computer and we foresee interest and a following of this event coming from a worldwide audience.

.....

11. FINANCIAL ARRANGEMENTS **PLEASE REFER TO TAB 14 OF THE PROPOSAL DOCUMENT FOR A DETAILED BUDGET.**

This should be completed with best estimates as part of the bid process, refined as needed during Bid discussions and then completed post event. A condition of bid acceptance will be the completion of Budget "actuals" within six (6) months of World Championship completion.

* All budget figures to be provided In \$US dollars

12. CONDITIONS

All Bids must comply with the Championship Rules as prepared by the FIL Men's Competitions Committee and which are associated with the FIL Bylaws, noting that these are subject to change. Any difficulties of specific compliance should be raised as early as possible to allow this to be considered by the FIL.

It is the intent that for any World Championship, countries participating are generally known and confirmed two years ahead of the scheduled date of the event. Full confirmation of participating countries will not be known until the Entry Fee has been paid in full to the FIL by the due date (31st December of the year preceding the event).

Changes outside of the direct control of the FIL may occur in this period (a country may withdraw from the event or there could be additional entrants within the overall maximum number) and this would be a matter of discussion between the Organising Committee and the FIL.

The game schedule within a specific World Championship is the prerogative of the FIL to set and would be discussed with the Organiser to take into consideration any specific points.

When completed this bid should be forwarded to :

Ron Balls
70 High Road
RAYLEIGH
Essex SS6 7AD
