

Species and Ecosystems Susceptible to Harm

As referred to in Species and Ecosystems Data and Information Security Policy. Recommended by Species and Ecosystems Data and Information Security Committee, February 2021. Approved by Data Custodians April 2021. <https://www2.gov.bc.ca/gov/content/environment/natural-resource-stewardship/laws-policies-standards-guidance/data-information-security>

English Name	Scientific Name	Taxonomic Group	Secured Data Type	Perceived Risk
Gyrfalcon	Falco rusticolus	Bird	Nest locations	Poaching
Peregrine Falcon	Falco peregrinus	Bird	Nest locations	Poaching
Prairie Falcon	Falco mexicanus	Bird	Nest locations	Poaching
Sharp-tailed Grouse	Tympanuchus phasianellus columbianus	Bird	Leks (dancing grounds)	Persecution, uninentional harrassment or harm
Spotted Owl	Strix occidentalis	Bird	All locational data (nests, telemetry, observations)	Persecution, uninentional harrassment or harm
Bull Trout	Salvelinus confluentus	Fish	Locations of spawning areas	Poaching
Big Brown Bat	Eptesicus fuscus	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Bighorn Sheep	Ovis canadensis	Mammal	Location data (occurrences, survey and telemetry observations, harvest data)	Poaching
California Myotis	Myotis californicus	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Dall's Sheep	Ovis dalli dalli	Mammal	Location data (occurrences, survey and telemetry observations, harvest data)	Poaching
Fringed Myotis	Myotis thysanodes	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Keen's Myotis (now Long-eared Myotis)	Myotis keenii	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Little Brown Myotis	Myotis lucifugus	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Long-eared Myotis	Myotis evotis	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Long-legged Myotis	Myotis volans	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Mountain Goat	Oreamnos americanus	Mammal	Location data (occurrences, survey and telemetry observations, harvest data)	Poaching
Northern Myotis	Myotis septentrionalis	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Pallid Bat	Antrozous pallidus	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Roosevelt Elk	Cervus canadensis roosevelti	Mammal	Location data in Threatened population units (occurrences, survey and telemetry observations, harvest data)	Poaching
Silver-haired Bat	Lasionycteris noctivagans	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Stone's Sheep	Ovis dalli stonei	Mammal	Location data (occurrences, survey and telemetry observations, harvest data)	Poaching
Townsend's Big-eared Bat	Corynorhinus townsendii	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Western Small-footed Myotis	Myotis ciliolabrum	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Yuma Myotis	Myotis yumanensis	Mammal	Winter hibernation sites and maternity roosts	Uninentional harrassment or harm
Slender yoke-moss	Zygodon gracilis	Nonvascular Plant	Occurrence data, observations	Collection
Gopher Snake	Pituophis catenifer	Reptile	Hibernacula, telemetry data	Persecution
North American Racer	Coluber constrictor	Reptile	Hibernacula, telemetry data	Persecution
Western Rattle Snake	Crotalus oreganus	Reptile	Hibernacula, telemetry data	Persecution
Mineral Lick Locations			Mineral lick locations	Poaching
Telemetry Hardware			Identifying characteristics of telemetry hardware	Poaching
