As Represented by
Chief and Council
(the Cheam First Nation)

And

Her Majesty the Queen in Right of the Province of British Columbia
as represented by the Minister of Aboriginal Relations and Reconciliation
("British Columbia")

(Collectively the "Parties")

WHEREAS:

- A. In 2005, British Columbia and the First Nations Leadership Council, representing the Assembly of First Nations-BC Region, First Nations Summit, and the Union of BC Indian Chiefs entered into a New Relationship and signed the Transformative Change Accord, the purposes of which is to implement a government-to-government relationship based on an effective working partnership, enhanced collaboration, mutual respect and recognition and accommodation of Aboriginal title and rights and achieve the mutual goals of closing the social and economic gap between First Nations and other British Columbians.
- B. In the spirit of the New Relationship and the Transformative Change Accord, British Columbia and Cheam First Nation have a shared commitment to strengthening relationships on a government-to-government basis, and on providing revenue sharing that will assist in closing the socio-economic gaps between Aboriginal and non-Aboriginal people.
- C. This Agreement, and the benefits provided under it, will assist the Cheam First Nation in achieving progress towards the goals referred to in the previous recitals, and in particular help to address the conditions that contribute to the socio-economic gap among Aboriginal people and to ensure that they can more fully benefit from and contribute to British Columbia's economy.
- D. British Columbia recognizes that Cheam First Nation has a unique history and its own culture and traditions that help to define it, and that these characteristics, along with its relationship with British Columbia, form an important context for the cooperative efforts needed to improve the well-being of the Cheam First Nation.
- E. Further to the previous recital, British Columbia also recognizes that the Cheam First Nation asserts that:

S'olh temexw te ikw'elo. Xyolhmet te mekw' stam it kwelat.

'This is our land. We have to take care of everything that belongs to us.

This declaration is based on our **Sxwoxwiyam**, our **Sqwelqwel** and our connection through our **Shxweli** to **S'olh Temexw**.

We make this declaration to protect our **Sxoxomes** (our gifts), including all the resources from the water, the land and the mountains including **Xoletsa** (Frozen Lakes) and **Mometes**.

We make this declaration to preserve the teachings and to protect **S'olh Temexw** for our **Tomieqpw** (seven generations past and future).'

- F. The Cheam First Nation has Aboriginal Interests within its Traditional Territory.
- G. British Columbia intends to consult with the Cheam First Nation and to accommodate its Aboriginal Interests as appropriate (including accommodation by

way of the payments provided through this Agreement), with respect to impacts on the Cheam First Nation's Aboriginal Interests arising from forest and/or range resource development activities proposed within the Cheam First Nation Traditional Territory.

- H. The Cheam First Nation intends to fully participate in any consultation or information sharing with British Columbia or a Licensee in relation to forest and/or range resource development activities proposed within the Cheam First Nation's Traditional Territory that may impact the Cheam First Nation's Aboriginal Interests.
- I. The Forest Revenue Sharing Contribution provided to Cheam First Nation as accommodation and for the purposes described in Section 2 and 5 of this agreement, is not intended to restrict or limit Cheam First Nation's ability to access other government sources of revenue for community needs and shall not affect, prejudice, diminish or replace provincial government funding that is not the subject of this Agreement.
- J. The province and Cheam First Nation will endeavor to further explore Cheam First Nation's aspirations in forestry and to provide input and/or recommendations regarding the current agreement or future agreement(s), including but not limited to revenue sharing and improvements on consultation.

- 5.3 Cheam First Nation agrees that during the term of this Agreement, if the consultation process set out in this Agreement is fully followed, British Columbia has adequately consulted and has provided an accommodation with respect to potential infringements of Cheam First Nation's Aboriginal Interests only in the context of Operational Decisions and Administrative Decisions that British Columbia will make and any forest or range practices that may be carried out under an Operational Plan in the Traditional Territory.

6.0 Community Priorities, Annual Reports and Records

6.1 Cheam First Nation covenants and agrees as follows:

- 6.1.1 Within 60 days of the Effective Date of this Agreement, Cheam First Nation or its Designate will prepare a statement of community priorities covering the term of the Agreement, substantially in the form set out in Appendix E that outlines activities it intends to fund to help achieve the socio-economic objectives identified in section 2.2. This statement will outline the community priorities based on the First Fiscal Year Revenue Sharing Contribution.

 - 6.1.4 British Columbia retains the right at its sole discretion, such discretion to be exercised reasonably, to require an audit of expenditures made from the Payment Account to ensure that all such expenditures were made for appropriate purposes under this Agreement, such audit to be at the expense of the Cheam First Nation or its Designate.
 - 6.1.5 The documents referred to in sections 6.1.1, 6.1.2, and 6.1.3 will be published by Cheam First Nation or its Designate in a manner that can reasonably be expected to bring the information to the attention of its members by publically publishing the information on the website of the Cheam First Nation.
 - 6.1.6 Notwithstanding the termination or expiry of this Agreement, Cheam First Nation or its Designate will continue to comply with the provisions of section 6.1 until 90 days after it receives the last Revenue Sharing Contribution from British Columbia.
- 6.2 If Cheam First Nation requires funding ("capacity") to engage in consultation processes on forest and range decisions, or with other provincial Ministries where Cheam First Nation has entered into an SEA and/or RA with British Columbia, up to \$35,000 annually of the Revenue Sharing Contribution will be used by Cheam First Nation for that capacity during the Term of this Agreement.

7.0 Security Deposits

- 7.1 In recognition of Cheam First Nation entering into this Agreement, British Columbia may choose not to request a silviculture deposit(s) pertaining to licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Cheam First Nation (or a legal entity controlled by the Cheam First Nation) and British Columbia.
- 7.2 Cheam First Nation agrees that British Columbia may apply any payment that Cheam First Nation is entitled to receive under this Agreement, to a maximum of the amounts that British Columbia would have obtained in a silviculture deposit, in order to fully or partially satisfy any unfulfilled financial obligations of Cheam First Nation to British Columbia arising from a licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Cheam First Nation (or a legal entity controlled by the Cheam First Nation) and British Columbia.

- 7.3 Prior to British Columbia applying any payment to satisfy unfulfilled Cheam First Nation financial obligations arising from a licence(s) in accordance with section 7.2, British Columbia will notify the Cheam First Nation of the unfulfilled financial obligation(s).

8.0 Stability for Land and Resource Use

- 8.1 Cheam First Nation will respond as soon as possible to any discussions sought by British Columbia in relation to any acts of intentional interference by members of Cheam First Nation with provincially authorized forest and/or range activities and will work co-operatively with British Columbia to assist in resolving any such matters.

- 9.1 If a dispute arises between British Columbia and the Cheam First Nation regarding the interpretation of a provision of this Agreement, the duly appointed representatives of the Parties will meet as soon as is practicable to attempt to resolve the dispute.
- 9.2 If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of British Columbia and the Cheam First Nation.
- 9.3 If the interpretation dispute cannot be resolved by the Parties directly, the Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

10.0 Suspension and Termination

- 10.1 British Columbia may suspend the making of further Revenue Sharing Contributions under this Agreement if it determines, acting reasonably, that Cheam First Nation is not fulfilling its obligations under sections 4.0 and 6.0 or sections 8.1 or 10.3 of this Agreement, or where the Cheam First Nation has outstanding unfulfilled financial obligations to British Columbia arising from a licence(s) issued further to an agreement between the Cheam First Nation and British Columbia. Upon making any such determination, British Columbia will provide notice to Cheam First Nation of the alleged non-compliance, and the Parties will then attempt to resolve their differences.
- 10.2 If the alleged non-compliance by Cheam First Nation is not resolved within 60 days of the notice provided in section 10.1, British Columbia will notify Cheam First Nation that the alleged non-compliance remains unresolved and, without limiting the actions that may be taken by British Columbia, may terminate this Agreement.
- 10.3 If, during the term of this Agreement, Cheam First Nation challenges or supports a challenge to an Administrative Decision and/or Operational Decision or an Operational Plan or activities carried out pursuant to those decisions or plans, by way of legal proceedings or otherwise, on the basis that, contrary to section 5.2, the Revenue Sharing Contribution provided for in section 3.0 of this Agreement does not provide an accommodation for impacts on Cheam First Nation's Aboriginal Interests then, without limiting any actions that may be taken by British Columbia, the Revenue Sharing Contribution provided for in section 3.0 may be suspended or this Agreement may be terminated by British Columbia.
- 10.4 This Agreement will terminate prior to the end of the Term in any one of the following circumstances; 90 days' written notice of termination is given by one Party to the other; termination occurs in accordance with any of the provisions of section 10.0; or upon mutual agreement of the Parties. In the event of such early termination of this Agreement, the Revenue Sharing Contribution for the BC Fiscal Year in which termination becomes effective will be prorated to the termination date.
- 10.5 If a Party gives written notice of its intention to terminate this Agreement effective 90 days from the date of the notice, the Parties will, prior to the end of the 90-day period, meet and will attempt to resolve any issue that may have given rise to the termination notice.

11.0 Term

Cheam First Nation Traditional Territory - Appendix A

APPENDIX B

Consultation

On Operational and Administrative Decisions and Operational Plans.

In order to facilitate consultation with respect to Operational and Administrative Decisions and Operational Plans, the Parties have agreed to use the Matrix framework set out in section 1.10 of this Appendix ("section 1.10"), which allows the Parties to determine which Operational and Administrative Decisions and Operational Plans will require consultation, as well as the associated appropriate level of consultation for those decisions and plans.

- 1.1 British Columbia agrees to consult with Cheam First Nation in accordance with the applicable consultation level agreed to by the Parties under section 1.10 on Operational Plans, Operational Decisions, and Administrative Decisions that may potentially adversely impact Cheam First Nation's Aboriginal Interests within the Traditional Territory.
- 1.2 Cheam First Nation agrees to participate with British Columbia and/or Licensees or licence proponents, as set out in this Agreement and in accordance with the applicable level of consultation to which the Parties have agreed under section 1.10, in information sharing and/or consultation regarding proposed Operational Decisions, Administrative Decisions, and Operational Plans dealing with forest and range development within the Traditional Territory.
- 1.3 In this Appendix, "First Annual List" means a list of Operational and Administrative Decisions and Operational Plans, which may require consultation during the First Fiscal Year of the Term or part thereof in which the Effective Date occurs, that is provided to the Cheam First Nation by British Columbia in advance of the Parties entering into this Agreement.
- 1.4 Prior to entering into this Agreement, the Parties will agree on the applicable consultation levels for the decisions on the First Annual List, using the consultation levels described in section 1.10.
- 1.5 In this Appendix, "Annual List" means an annual list of Operational and Administrative Decisions and Operational Plans that may require consultation in a fiscal year of the Agreement in which those decisions are anticipated to be made, and that will be provided to the Cheam First Nation by British Columbia before March 31st of each year after the First Fiscal Year of the Term.
- 1.6 For fiscal years subsequent to the First Fiscal Year of the Term, the Parties will meet annually on or before March 31st to discuss the Annual List and, in the case of decisions and plans for which the Parties have not already agreed to a consultation level described in section 1.10 in a preceding fiscal year, the Parties will agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans on the Annual List, in accordance with section 1.10.
- 1.7 When British Columbia becomes aware of proposed types of Operational or Administrative Decisions or Operational Plans not contained in the Annual List that will have effect within the Traditional Territory of Cheam First Nation during the current fiscal year, British Columbia will notify the Cheam First Nation of those new types of decisions or plans and the Parties will seek to agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans, in accordance with section 1.10.
- 1.8 In reviewing and responding to an Operational Decision, Administrative Decision, or Operational Plan submitted to them, Cheam First Nation will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, a licensee or proponent) that supplied the proposed decision or plan to them, with all reasonably available information that will identify any potential impacts to their Aboriginal Interests that may occur as a result of proposed forest and/or range resource development activities pursuant to that Operational Decision, Administrative Decision or Operational Plan within the Traditional Territory. As part of its response, the Cheam First Nation may propose measures that could

avoid or mitigate potential impacts to their Aboriginal Interests as a result of the proposed development activities. Upon receiving a response from the Cheam First Nation, British Columbia will discuss and attempt to resolve with the Cheam First Nation any site specific operational impacts on the Cheam First Nation's Aboriginal Interests that may occur as a result of proposed forest and/or range resource development activities within the Cheam First Nation Traditional Territory. If the Parties are unable to resolve operational impacts, British Columbia will still consider Cheam First Nation's proposed measures.

- 1.9 If no response is received from Cheam First Nation within the timeframe set out in section 1.10, then British Columbia may conclude that Cheam First Nation does not intend to respond or participate in the consultation process in respect of the Operational or Administrative Decision or Operational Plan and that a decision may proceed.
- 1.10 The Parties agree to the following description and intent of the consultation levels:

Level	Description	Intent
1. Information Sharing: prior to formal consultation process	Referral to Cheam First Nation during planning to provide opportunity to incorporate Aboriginal Interests prior to submitting plan/request to Decision Maker.	Proponent or tenure holder engages directly with Cheam First Nation, and provides summary of communications to British Columbia and the Cheam First Nation.
2. Available on Request	Cheam First nation agrees that it does not have to be involved in consultation as the contemplated decision will not affect the Aboriginal Interests of the Cheam First Nation.	British Columbia notifies on an annual basis which decision(s) fall in this category. Cheam First Nation can agree not to be consulted or can request more detail if they wish.
3. Notification	Notify in writing Cheam First Nation about an upcoming decision and provide overview information. British Columbia would provide the Cheam First Nation an opportunity for comment.	British Columbia provides Cheam First Nation base level information and a reasonable time (minimum 21-30 calendar day consultation period determined by the Parties) to comment. Follow-up as required..
4. Expedited Consultation Process	Where there is an imminent threat to a resource value (e.g. gypsy moth, mountain pine beetle spread control) an expedited consultation process is undertaken. British Columbia will notify the Cheam First Nation in writing about an upcoming decision and provide overview information. The Cheam First nation will have an opportunity to comment and meet with British Columbia upon request.	Intense but short timeline (e.g. about 10 calendar days). A justification for shortening the period would be given by describing the imminent threat. British Columbia must meet with the Cheam First Nation upon request. The meeting should take place within a short timeline (e.g. within 10 days or less).
5. Normal Consultation	Follow on “normal” track for consultation guided by up-to-date consultation policy. British Columbia will notify the Cheam First Nation in writing regarding an upcoming decision and provide overview information. Upon request the Cheam First Nation will have an opportunity to comment and meet with British Columbia to resolve	Intent to follow this course for proposed authorizations. Usually a 30 – 60 calendar day consultation period unless more time is required by the Cheam First Nation. 	issues.	Cheam First Nation of the final decision where requested by the Cheam First Nation.
6. Deep Consultation	Use reasonable effort to inform the First Nation in an accessible manner (e.g. meetings, teleconferencing, providing plain language documents, web hosting of documents) and to engage in full discussions around the proposed decision. Make reasonable efforts to accommodate where necessary. Preliminary assessments may indicate a significant aboriginal interest and a significant impact to that interest.	Would involve meaningful discussion of suitable accommodation options and interim solutions when requested by the Cheam First Nation. May require extended timelines when requested by the Cheam First Nation. Deep consultation is aimed at finding satisfactory interim solutions and may require further information. The consultation required at this level may involve the opportunity for the Cheam First Nation to make submissions for consideration by the Province. British Columbia will provide the Cheam First Nation with the final decision and rationale in writing.

- 1.11 The Parties may agree to adjust the consultation levels for specific circumstances where detailed aboriginal interest information is shared that would suggest a different consultation level.
- 1.12 Cheam First Nation agrees that the province is not obligated, unless requested by the Cheam First Nation, to inform the Cheam First Nation of the Delegated Decision Maker's decision for decisions on which the consultation level has been level three (3) or lower.
- 1.13 If the Parties cannot agree upon which consultation level in section 1.10 should apply to a particular or any Operational or Administrative Decision or Operational Plan, then British Columbia will consult with Cheam First Nation on the basis of British Columbia's consultation procedures in effect at the time as well as the applicable case law respecting consultation obligations.

APPENDIX C

Revenue Sharing Contribution Methodology

Traditional Territory Forest Revenue Sharing Component

- 1.0 In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of Chilliwack Resource District's forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for Chilliwack Resource District.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Cheam First Nation's Forest License (A81822) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the Cheam First Nation's Traditional Territory will be calculated by determining the percent of Cheam First Nation's Traditional Territory that falls within the Timber Harvesting Land Base in Chilliwack Resource District, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Traditional Territory Forest Revenue Sharing Component will be calculated by multiplying 3 percent of the forest revenue attributed to the Cheam First Nation as described in section 1.2 of this Appendix.
- 1.4 Where the calculation in section 1.3 of this Appendix is less than \$35,000, Cheam First Nation will receive a maximum of \$35,000 to provide capacity to participate in the consultation process in accordance with section 4.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

Direct Award Tenure Forest Revenue Sharing Component

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of Cheam First Nation's Forest License (A81822) forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year.
- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 35 percent of the forest revenue as described in section 2.0 of this Appendix.
- 2.2 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

Forest Revenue Sharing Transition

- 3.0 The Parties agree that new methods to calculate the Revenue Sharing Contribution will be phased in over the next 3 years.
- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by determining the total of the Traditional Territory Forest Revenue Sharing Component and the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year ("the sum") and applying the following percentages to that sum:
 - 3.1.1 2011/12 BC Fiscal Year: 50 percent;
 - 3.1.2 2012/13 BC Fiscal Year: 80 percent; and
 - 3.1.3 2013/14 BC Fiscal Year: 100 percent.

- 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Cheam First Nation in any given full year under the *Cheam First Nation Forest Agreement* which expired on 11/2/2010 ("the Annual Amount") and applying the following percentages to that Annual Amount:
- 3.2.1 2011/12 BC Fiscal Year: 59 percent;
 - 3.2.2 2012/13 BC Fiscal Year: 55 percent; and
 - 3.2.3 2013/14 BC Fiscal Year: 50 percent.
- 3.3 The Parties agree that if this Agreement is renewed in accordance with section 12.0 of this Agreement, or this Agreement expires in the 2014/2015 BC Fiscal Year, the Revenue Sharing Contribution will be the sum of:
- 3.3.1 the Traditional Territory Forest Revenue Sharing Component and the Direct Award Tenure Forest Revenue Sharing Component calculated in this Appendix.
