INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Members of Hazelton District Public Library

We have reviewed the Statement of Financial Position of Hazelton District Public Library as at December 31, 2021 and the Statements of Operations And and Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Hazelton District Public Library as at December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on Other Legal and Regulatory Requirement

As required by the British Columbia Societies Act, we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

1. PURPOSE

The purpose of the Library is to serve the community by assembling, preserving, and adminstrating, in organized collections, books and related educational and recreational material. To provide programs and services to the community.

Thie Hazelton District Public Library was incorporated under the Societies Act (British Columbia) on January 1, 1981, which was later changed from a Society to adhere to the Libraries Act and is recognized by Revenue Canada as a charitible organization, for income tax purposes under paragraph 149(1)(f) of the Income Tax Act, and is not subject to income tax.

2. ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for Not for-Profit Organizations.

Cash

Cash consists of cash and cash equivalents that are defined as highly-liquid investments with maturities of three months or less at the acquisition date.

Short term investments

Short term investments are recorded at the lower of cost and net realizable value. Cost approximates fair market value for term deposits.

Tangible capital assets

The library expenses tangible capital assets as acquired as allowed under accounting standards for Not-for-Profit Organizations regulation 4433 which exempts small organizations with average gross revenues for the current and preceding period of less than \$500,000. There were \$1,577 tangible capital assets expensed in the current year (2020 - \$4,413). The society has very few tangible capital asset requirements.

Capital reserve

The reserve fund reports the assets, liabilities, revenues and expenses related to the reserves established to fund future expenditure.

(Unaudited)

Revenue

Funding for programs comes from the Regional District of Kitimat Stikine and the Province of British Columbia primarily in accordance with service contracts established by the Ministry of Eduction and is recorded as revenue in the period to which they relate. Funding approved but not received at the end of an accounting period is accrued. Where a portion of a grant relates to a future period, it is deferred and recognized in the subsequent period.

Donations include cash donations to the organization, as well as the value of tangible capital assets donated to the Library.

External recoveries and other revenue are invoiced when services are rendered and are recorded on an accrual basis in the period to which they relate.

Accrual Basis

The accrual basis of accounting is used for reporting revenue, except for donations, which are generally recorded on a cash basis. Donations are accrued only when a realizable value can be reasonably estimated and collection is reasonably assured.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Transaction costs

The library recognizes its transaction costs in net income in the period incurred. However, the carrying amount of the financial instruments that will not be subsequently measured at fair value is reflected in the transaction costs that are directly attributable to their origination, issuance or assumption.

Use of estimates

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they become known. Actual results could differ from those estimates.

5. FINANCIAL ASSETS AND LIABILITIES - RISK EXPOSURE

Unless otherwise noted, it is management's opinion that the Library is not exposed to significant interest, price, liquidity, credit or currency risk arising from these financial assets and liabilities. The Library's cash and cash equivalents are held at one financial institution.

Credit risk

Credit risk is the risk of loss associated with counterparty's inability to fulfil its payment obligations. Financial instruments that potentially subject the Library to a concentration of credit risk consist primarily of cash and accounts receivable. The Library limits its exposure to credit loss by placing its cash with major Canadian financial institutions and establishing policies to provide for the collection of accounts receivable. The Library's maximum exposure to credit risk for cash and accounts receivable are the amounts disclosed in the statement of financial position. Management believes that the credit risk concentration with respect to financial instruments included in cash and receivables is minimal.

Liquidity Risk

Liquidity risk is the risk that the Library will not be able to meet its financial obligations as they fall due. The Library's approach to managing liquidity is to evaluate current and expected liquidity requirements under both normal and stressed conditions to ensure that it maintains sufficient reserves of cash or has an available credit facility to meet its liquidity requirements in the short and long term.

As at December 31, 2021, the Library had cash of \$147,090 (December 31, 2020 - \$76,412) to settle current liabilities of \$9,098 (December 31, 2020 - \$6,866).

Interest rate risk

The Library is exposed to interest rate risk to the extent that the operating and term loans maintained at the financial institutions is subject to a floating rate of interest. The interest rate risk on operating and term loans is not considered significant. Fixed-interest instruments subject the enterprise to a fair value risk while the floating rate instruments subject it to a cash flow risk.

6. ECONOMIC DEPENDENCE

Hazelton District Public Library's continuing operations are dependent upon government funding support and grants from other organizations.
