

Resume Instructions

BC Excellence Scholarship Application (2023/24)

(Instructions only—do not submit this document)

Instructions for students

Within the resume section of the application, you will need to prepare the following information:

1. An overarching statement about what career or area of post-secondary study you are pursuing (300 max characters);
2. Specific details about each experience you are highlighting; and,
3. Any relevant personal interests, accomplishments, or life experience you wish to share. (1500 max characters)

You may highlight up to 7 relevant experiences. For each experience you highlight you must answer the following questions:

- Start date and end dates
- Total hours
- Grades you were in during the experience in (Submit examples from grades 10–12 only).
- Where did you gain this experience? Please be specific. (200 max characters)
- What was your role? (200 max characters)
- What were your responsibilities/duties and how did you demonstrate service and leadership? (500 max characters)
- Explain how you demonstrated Core Competencies (or sub-competencies) in this experience. (500 max characters)
- Describe how this experience will prepare you for your intended career or area of post-secondary study. (500 max characters)
