The main map displays the Dease-Liard Sustainable Resource Management Plan area, outlined in black. The map is color-coded to show different biogeoclimatic zones and ecosections. Key features include:

- Geographic Labels:** Tuva Range, Liard Plain, Kechika Mountains, Cassiar Ranges, Stikine Plateau, and Southern Boreal Plateau.
- Towns and Settlements:** Jade City, Good Hope Lake, Dease Lake, and Lower Post.
- Water Features:** Dease River, Liard River, and various creeks and lakes.
- Roads:** Highway 37 is clearly marked.
- Scale and Orientation:** A scale bar at the top right indicates distances up to 50 kilometers. A north arrow is located in the top left corner.
