Continue with:			
BC Services Card app Username/password + BC Token Note that it's only available for some service		>	
Don't have a BC Services Card Account	/et?		

Final approval:

- 1. You will see a message that you have joined the account.
- 2. Your Administrator will approve for you to use this account.
- 3. Once approved, you can log back in and use it.

## 2b. Log in to accept the invitation using a BCeID

#### Important:

- Open a <u>2-factor authenticator (2FA) app</u> so that it's ready to use.
- If you are invited as an Account Administrator, you will be asked to upload a notarized identity affidavit in one of the steps.

+8	Register or use an existing BCeID account			
	A BCeID account provides secure access to online government services in British Columbia. You can register a new BCeID or use an existing BCeID account to log into BC Registries.			
	$\downarrow$			
2FA	Use a 2-factor mobile or desktop authentication app			
	Secure your account using a 2-factor authentication app with your BCeID when you log in. Download a 2-factor authentication app to your smartphone such as FreeOTP, Google Authenticato or Microsoft Authenticator or Desktop options such as: <u>Authy</u> or <u>GAuth</u> .			

If you have an existing BCeID

1. Click "Login" and enter your BCeID and password.

If you don't have a BCeID:

- 1. Click "Register" and follow the instructions on your screen.
- 2. Click on "Return to BC Registries and Online Services".
- 3. Enter your new BCeID and password.

## 3. Link your 2FA app to the BC Registries account

If you have a 2FA app on your mobile device:

1. Scan the QR code on your screen.

If you have a 2FA app on your desktop or browser:

- 1. Click on "Unable to scan" below the QR code
  - a. Enter the 32-character code you see into the 2FA app.
