"I really want to learn about my culture and I've realized that most of my art is Nuu-chah-nulth related. I know very little right now, but this program is going to help guide me through my journey."

AJ, Grade 11

"I would definitely recommend the intercultural program because not only do you learn a lot about other people and other cultures, you can learn a lot about yourself, your own culture and the way you live your life."

Markus, Grade 12

"In GISP stereotypes were broken and everybody got to see each other as individuals... and I made a lot of good friends."

Molly, Grade 11
