NOTICE

To All Permit Issuers, Industry and the General Public

Notification of Changes to Oversize and Overweight Permit Restrictions for Travel on Highway 16 Between Vanderhoof And Fraser Lake

To Whom It May Concern:

Please be advised that construction on the Nechako River Bridge, Structure No. 00269, on Highway 16 between Vanderhoof and Fraser Lake is scheduled to resume January 21, 2024. At that time an overall width limitation of 4 m will be in place and the structure will not be able to accommodate any extraordinary loads.

These restrictions are expected to be in place until construction is completed. For the most up to date information on highway closures and restrictions, please visit [DriveBC.ca](https://drivebc.ca).

General permitting questions can be sent to Commercial.Transport@gov.bc.ca.

Yours truly,
