

Highway 5: Hope to Merritt

- High Mountain Road: Expect sudden weather changes, have sufficient supplies available
- This is a safe highway, but drivers must drive to conditions and obey speed limits
- Watch for road work and construction
- CVSE and RCMP will be actively patrolling the corridor
- Commercial vehicle operators must complete brake checks and vehicle inspections
- Per legislated requirements, all commercial vehicles over 11,794 kg licensed GVW must carry tire chains and know how to install
- For more information on chain-up, see demonstration courtesy of Emcon Services Inc: www.youtube.com/watch?v=-TqDmO6B6hg
