Fiscal Year Ended:	2021		

MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all other schedules of financial information and for ensuring this information is consistent, where appropriate, with the information contained in the financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of the Library is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and for approving the financial information included in the Statement of Financial Information.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules of financial information required by the *Financial Information Act*. Their examination includes a review and evaluation of the board's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

1. PURPOSE OF ORGANIZATION

The North Vancouver City Library (the "Library") was established as a municipal public library of the Corporation of the City of North Vancouver (the "City") under the Library Act of British Columbia. The Library Board, appointed by Council of the City, oversees the management and operation of library facilities within the City. The Library is funded primarily by the City.

Accounts payable and payroll transactions are processed by the City. The Library reimburses the City for financial, information technology, and human resources services provided by the City (note 4).

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements of the Library have been prepared by management in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants Canada.

(b) Functional and Object Reporting

The operations of the Library are comprised of a single function, Library operations. As a result, the expenses of the Library are presented by object in the statement of operations.

(c) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition of the assets. Books are depreciated over five years and audio video materials ("AV materials") are depreciated over two years on a straight-line basis.

The City owns the Library building and land. Those assets, along with other tangible capital assets acquired for Library purposes but funded by the City, are recorded in the City's financial statements and are not included in these financial statements. No capital consumption amount or depreciation is charged by the City to the Library operations.

Long-term capital plans adopted by the Council of the City provide for the replacement and acquisition of tangible capital assets.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Revenue and Expense Recognition

Revenue is recorded on an accrual basis and recognized when earned. Restricted contributions and grants are recognized as revenue in the year in which related expenditures are incurred. Government transfers are recognized as revenue in the period they are authorized and any eligibility criteria are met, except to the extent they contain a stipulation that gives rise to a liability. Such transfers are initially deferred and recognized as revenue in the period the stipulations are met.

Expenses are recorded on an accrual basis and recognized when goods and services have been received and/or a legal obligation to pay has been created. Other expenses are recognized when they are incurred.

(e) Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Areas requiring significant estimation are useful lives of tangible capital assets and post-employment benefits, compensated absences and termination benefits. Actual results could differ from those estimates.

3. DEFERRED REVENUE

Deferred revenue represents restricted funding received from external sources, and is recognized as revenue when the restrictions have been met or the appropriate expenditures are made.

	December 31		Revenue		Transfer		Expenditure		December	
		2020				in				2021
Donations - Friends	\$	105	\$	-	\$	1,277	\$	1,382	\$	-
Donations - Youth		9,402		2,358		8		2,415		9,353
Donations - Projects		51,620		26,918		-		4,628		73,910
Donations - Seniors/Accessible Services		605		1,024		-		1,100		529
Donations - Collections		-		4,750		-		1,556		3,194
Grants		25,737		33,501		2,135		29,824		31,549
	\$	87,469	\$	68,550	\$	3,420	\$	40,904	\$	118,536

4. DUE TO THE CITY OF NORTH VANCOUVER

The amount due to the City of North Vancouver is net of amounts due from the City.

The Library receives an annual operating grant from the City and reimburses the City for accounts payable and payroll transactions processed by the City. The City invoices the Library annually for such services. The amounts are interest free with no specific terms of repayment. The amount invoiced by the City for 2021 transactions is \$198,360 (2020 - \$166,611).

The City charges the Library for financial, IT and building services on a quarterly basis, property and liability insurance on a monthly basis. The amount charged for 2021 is \$496,994 (2020 - \$461,075).

5. POST-EMPLOYMENT BENEFITS, COMPENSATED ABSENCES AND TERMINATION BENEFITS

The Library provides the following benefits to all its employees:

Sick and Severance

Employees of the Library are entitled to payments related to unused sick leave and severance upon retirement or resignation after ten years of service. The amount recorded for these benefits is based on an evaluation done by an independent firm of actuaries using a projected benefit actuarial valuation method pro-rated on services. The most recent actuarial valuation of the Library's post-employment benefits was completed as at December 31, 2021.

Sick Leave

The Library provides benefits for sick leave to all its employees. All employees accumulate sick leave on a monthly basis and can only use this entitlement for paid time off under certain circumstances. The amount recorded for this benefit is based on an evaluation done by an independent actuarial firm and is reviewed on a periodic basis.

The Library funds the employee post-employment benefits with grant revenue as it is accrued.

Information regarding the Library's sick and severance termination and sick leave obligations for these benefits is as follows:

5. POST-EMPLOYMENT BENEFITS, COMPENSATED ABSENCES AND TERMINATION BENEFITS (continued)

2021		2020
\$ 547,300		\$ 544,000
40,000		36,400
11,500		14,700
(133,100)		(7,300)
151,700		(40,500)
617,400		547,300
(617,400)		(547,300)
128,900	æ	(29,100)
\$ (488,500)		\$ (576,400)
	\$ 547,300 40,000 11,500 (133,100) 151,700 617,400 (617,400) 128,900	\$ 547,300 40,000 11,500 (133,100) 151,700 617,400 (617,400) 128,900

The accrued benefit liability is included in post-employment benefits, compensated absences and termination benefits on the statement of financial position.

The most recent actuarial valuation of the Library's employee future benefits was completed as at December 31, 2021. The City commissioned an independent review which included the Library's estimated liability for sick and severance termination and sick leave benefits, vacation pay in year of retirement and early retirement vacation benefit.

The significant actuarial assumptions adopted in measuring the Library's accrued benefit liability are as follows:

	2021	2020
Discount rates	2.50%	2.10%
Expected future inflation rates	2.00%	2.50%
Expected wage and salary increases (net of inflation)	.58% to 2.5%	.08% to 2%

6. PENSION PLAN

The Library and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan). The Board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2020, the plan has about 220,000 active members and approximately 112,000 retired members. Active members include approximately 42,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The Library paid \$197,792 (2020 - \$199,205) for employer contributions to the plan in fiscal 2021.

The next valuation will be as at December 31, 2021, with results available in 2022.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the plan.

7. TANGIBLE CAPITAL ASSETS

9. BUDGET

The budget approved by the City on April 12, 2021 was not prepared on a basis consistent with that used to report actual results (Canadian Public Sector Accounting Standards). The budget was prepared on a modified accrual basis while Canadian public Accounting Standards now require a full accrual basis. The budget figures expensed all tangible capital expenditures rather than including depreciation expenses. As a result, the budget figures presented in the statements of operations and change in net financial assets represent the budget approved by the City on April 12, 2021 with adjustments as follows:

		2021	
Budget surplus for the year		\$	_
Add:			
Acquisition of tangible capital assets			228,700
Less:			
Depreciation			-
Budget surplus per statement of operations		\$	228,700

10. COVID-19 IMPACTS

The COVID-19 pandemic has significantly disrupted activity across all sectors in Canada. Although the disruption is expected to be temporary, given the dynamic nature of these circumstances, the duration of disruption to the Library's operations and related financial impacts cannot be accurately predicted at this time. In 2021, the Library returned to full staffing and operating hours, and restored all services to the fullest extent possible within public health guidelines. Restrictions on events and gatherings modestly impacted the Library's ability to generate revenue notably from room bookings, and necessitated additional expenditures for supplies and equipment to support service delivery. These were supported within the budget and through one-time funding. Drawing on the experiences of

10. COVID-19 IMPACTS (continued)

2021, the Library developed budgets for 2022 to reflect reasonably expected continuing impacts to revenues and expenditures from the pandemic.

Since well over 90% of the Library's funding comes from the municipality, and a significant remaining sum from the Province, funding is stable and it is expected the Library will be able to continue to meet obligations as they come due, barring significant unexpected economic impacts to funders.
