APPENDIX C

Revenue Sharing Contribution Methodology

Traditional Territory Forest Revenue Sharing Component

- 1.0 In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared of the South Island District's forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for the South Island District.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Eligible Volume in Hupacasath First Nation's Forest License (N1S) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the Hupacasath First Nation's Traditional Territory will be calculated by determining the percent of Hupacasath First Nation's Traditional Territory that falls within the Timber Harvesting Land Base in the South Island District, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Traditional Territory Forest Revenue Sharing Component will be calculated by multiplying three (3) percent of the forest revenue attributed to the Hupacasath First Nation as described in section 1.2 of this Appendix.
- 1.4 If Hupacasath First Nation is not receiving capacity funding for forestry consultation through a SEA or RA, then it will receive \$35,000 or the amount calculated in accordance with section 1.3, whichever is greater, which may be used by Hupacasath First Nation as capacity funding to participate in the consultation process in accordance with section 6.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

Direct Award Tenure Forest Revenue Sharing Component

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared of Hupacasath First Nation's Forest License (N1S) forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year from Eligible Volume within Hupacasath First Nation's Forest License
- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying thirty-five (35) percent of the forest revenue as described in section 2.0 of this Appendix.

- 2.2 Notwithstanding section 2.1 of this Appendix, for any First Nations Woodlot Licences (N1S), the Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 70 percent of the forest revenue as described in section 2.0 of this Appendix.
- 2.3 For each Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

Forest Revenue Sharing Transition

- 3.0 The Parties agree that a transition to revenue sharing based entirely on Forest Revenue will be phased in over the Term.
- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by adding the total of the Traditional Territory Forest Revenue Sharing Component to the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year.
- 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Hupacasath First Nation in any given full year under the *"Hupacasath First Nation Interim Agreement on Forest & Range Opportunities"* ("the Annual Amount") and applying the following percentages to that Annual Amount:
- 3.2.1 2018/19 BC Fiscal Year: 40 percent;
 - 3.2.2 2019/20 BC Fiscal Year: 40 percent; and
 - 3.2.3 2020/21 BC Fiscal Year: [to be determined].
- 3.3 Notwithstanding section 3.2 of this Appendix, if the Revenue Sharing Transition Calculation under section 3.1 provides:
- (a) an amount calculated under sections 1.3 and 2.1 of this Appendix that is equal to or greater than the annual payments received under the *"Hupacasath First Nation Interim Agreement on Forest & Range Opportunities"*, then Hupacasath First Nation will receive the annual payments described by the Revenue Sharing Transition Calculation in section 3.1; and
 - (b) an amount calculated under the Revenue Sharing Transition Calculations in sections 3.1 and 3.2 of this Appendix that is greater than the annual payments received under the *"Hupacasath First Nation Interim Agreement on Forest & Range Opportunities"*, then Hupacasath First Nation will receive an annual payment that is equal to the annual payment received under the *"Hupacasath First Nation Interim Agreement on Forest & Range Opportunities"*.
