

SUMMARY OF MINISTERIAL ACCOUNTABILITY FOR OPERATING EXPENSES

(for the Fiscal Year Ending March 31, 2017)

(\$000)

Under section 3 of the *Balanced Budget and Ministerial Accountability Act* (BBMAA), each member of the Executive Council has 20 percent of his or her salary held back with restoration of half of the holdback contingent on government achieving its overall fiscal target for the year as per section 4, and restoration of the other half of the holdback contingent on ministers achieving individual goals as set out in section 5. For each minister with responsibility for operating expenses arising from a voted appropriation as accounted for in the Consolidated Revenue Fund, section 5(1) stipulates actual results for the year must not exceed the estimated amounts for that fiscal year. Section 5(3) applies to ministers of state, for whom expected results are specified by Treasury Board regulation.

In the table below, the column entitled "Minister Responsible" lists the ministers with BBMAA section 5(1) assigned responsibilities. The column entitled "Voted Appropriations in the 2016/17 Estimates" shows the voted appropriations for which those ministers are responsible. The columns entitled "Voted Appropriation Operating Expenses (net)" and "2016/17 Estimated Amount" show the dollar amounts of operating expenses (net) and estimated amounts allocated to ministers in the 2016/17 Estimates. The column entitled "Order In Council and Other Adjustments" shows transfers of spending authority resulting from orders in council implementing government reorganizations, or, where a vote authorizes spending by more than one minister, reallocation of spending authority by Treasury Board among the ministers identified in the vote. The final two columns show the reallocated appropriations (or portions thereof) for which individual ministers are now responsible and the revised estimated amounts for each minister.
