It is acknowledged that other accommodations, including economic accommodations, may be jointly developed by the Parties during the term of this Agreement and that this agreement is not intended by the Parties to establish a precedent for or in any way restrict other agreements between the Parties with respect to what may be appropriate past, present or future benefit sharing or adequate accommodation.

## 2. Purpose and Objectives

The purposes and objectives of this Agreement are to:

- 2.1. Create viable economic opportunities and to assist in the improvement of social conditions of the Klahoose First Nation through economic diversification.
- 2.2. Provide interim payment and other economic benefits to the Klahoose First Nation through a forest tenure opportunity and/ or economic benefits related to forestry received by British Columbia from forest resource development.
- 2.3. Address consultation, if possible through an agreed consultation process, and provide Interim Accommodation, as set out in this Agreement.
- 2.4. Provide a period of stability to forest resource development on Crown lands within the Traditional Territory of the Klahoose First Nation during the term of this Agreement, while longer-term interests are addressed through other agreements or processes.

### 3. Economic Benefits to the Klahoose First Nation

During the term of this Agreement, British Columbia will provide one or more of the following economic benefits to the Klahoose First Nation:

#### 3.1. Forest Tenure

- 3.1.1. For the purposes of the provisions of section 3.1, Licence includes a non-replaceable Forest Licence, a Forestry Licence to Cut, or other forms of agreement as agreed to by the Parties.
- 3.1.2. After the execution of this Agreement, and if applicable, once volume becomes available through the timber reallocation process, the Minister will invite the Klahoose First Nation, or such legal entity as the Klahoose First Nation has appointed as its representative to hold the licence to apply under the *Forest Act* for a non replaceable forest Licence (the "Licence") on a non-competitive basis for up to 10,000 cubic meters annually in the Sunshine Coast Timber Supply Area
- 3.1.3. For greater certainty, the maximum volume that may be available under the Licence referred to in Section 3.1.1 will be up to 50,000 cubic meters over 5 years.
- 3.1.4. The Parties will strive to ensure that the assigned operating area for the Licence in the Sunshine Coast Timber Supply Area has a representative timber profile and logging chance

relative to other licensees and BC Timber Sales, taking into account the quality of timber, access and commercial viability. Prior to the Klahoose First Nation making an application for the Licence, the Parties will work together to identify the location of an operating area for the Licence, which to the extent that it is operationally feasible will be within the Traditional Territory.

- 3.1.5. Licence entered into as a result of an invitation under section 3.1.1 will be for a term of 5 years.
- 3.1.6. If the Licence remains in effect beyond the term of this Agreement, the Licence will continue to be considered by the Parties to be Interim Accommodation until the Licence expires or is terminated.
- 3.1.7. The Minister may invite the Klahoose First Nation to apply for a subsequent Licence under the *Forest Act* for a term that would commence after the expiry of this Agreement.

## 3.2 Interim Payment

- 3.2.1 During the term of this Agreement, British Columbia will make an interim payment to the Klahoose First Nation of \$142,851.00 annually.
- 3.2.2 The funding commitment set out in section 3.2.1 is subject to the availability of annual appropriations for that purpose by British Columbia.
- 3.2.3 For the purposes of determining amounts for partial years, one-fourth (i.e.  $\frac{1}{4}$ ) of the annual amount will be used for each fiscal quarter or part thereof that the Agreement is in effect. Payments will be made quarterly.
- 3.2.4 Upon signing of this Agreement, the Klahoose First Nation will be paid the full revenues for the quarter in which the Agreement is signed (e.g. if this Agreement is signed at the end of the quarter, the FN would receive payment for that entire quarter), with subsequent payments being made at the end of each quarter.
- 3.2.5 British Columbia will not seek to direct or influence the expenditure of the funds provided to the Klahoose First Nation.

#### 4.0 Consultation and Accommodation Regarding Operational and Administrative Decisions and Plans

- 4.1 The Klahoose First Nation is entitled to full consultation with respect to all potential infringements of their Aboriginal Interests arising from any Operational or Administrative Decisions or Plans affecting the Klahoose First Nation's Aboriginal Interests, regardless of benefits provided under this Agreement.
- 4.2 During the term of this Agreement, and subject to the terms and the intent of this Agreement being met and adhered to by British Columbia, the Klahoose First Nation agrees that British Columbia will have provided an Interim Accommodation with respect to the economic component of potential infringements of the Klahoose First Nation's Aboriginal Interests as an interim measure as a result of forest and range activities occurring within their Traditional Territory.
- 4.3 The interim payment set out in this Agreement reflects an amount that British Columbia, through the Minister of Forests and Range, is able to pay as an Interim Accommodation, which the Klahoose First Nation has agreed to accept.
- 4.4 The Province acknowledges that the timber opportunities and funding provided through this Agreement are an Interim Accommodation only and that broader processes are underway that will assist in determining the appropriate accommodation in respect of impacts on the Klahoose First Nation's Aboriginal Interests as a result of forest activities occurring within their Traditional Territory.
- 4.5 Nothing in this Agreement restricts the ability of Klahoose First Nation to seek additional accommodation for impacts on its Aboriginal Interests from forest resources development within its Traditional Territory.
- 4.6 The Parties agree to develop consultation processes to address both Operational and Administrative Decisions and Operational Plans, which may affect the Klahoose First Nation's Aboriginal Interests within their Traditional Territory. Appendix B contains an interim consultation process that will apply until the Parties have developed the consultation processes noted above, or in the event that they are unable to otherwise agree on any other such process(es).

- 4.7 In developing such consultation processes, the Parties further agree to address consultation on Administration Decisions, Operational Decisions and Operational Plans through participation of the Klahoose First Nation in strategic level planning and policy development processes.

## 5.0 Dispute Resolution

- 5.1 If a dispute arises between British Columbia and the Klahoose First Nation regarding the interpretation of a provision of this Agreement, the Parties or their duly appointed representatives will meet as soon as is practicable to attempt to resolve the dispute.
- 5.2 If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of British Columbia and the Klahoose First Nation.
- 5.3 If the interpretation dispute cannot be resolved by the Parties directly, they may appoint an independent and mutually agreeable mediator to resolve that dispute within 60 days, or such period as agreed upon, or the Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

## 6.0 Term and Termination

- 6.1 The term of this Agreement is 5 years.
- 6.2 This Agreement will take effect on the date on which the last Party has executed it.
- 6.3 This Agreement will terminate on the occurrence of the earliest of any of the following events: expiry of its term; 90 days notice; or mutual agreement of the parties.
- 6.4 Neither Party shall terminate this Agreement on the grounds that the other Party has challenged an Administrative or Operational Decision by way of legal proceedings.
- 6.5 Prior to the expiry of the 90 days when 90 day notice of termination has been given under Section 6.3, the Parties agree to meet and

endeavour to resolve the issue that has given rise to the 90 day notice of termination.

## 7.0 Renewal of the Agreement

- 7.1 Prior to the expiry of the term of this Agreement, if the terms and conditions of this Agreement are being met, British Columbia and the Klahoose First Nation will seek the necessary authorities and approvals to enter into negotiations to renew this Agreement, or to conclude a new forestry agreement, consistent with the New Relationship.
- 7.2 Any subsequent forestry agreement between British Columbia and the Klahoose First Nation may provide for an opportunity to acquire a licence, other forest tenures, and/or other economic benefits, as well as other terms and conditions that are agreed to by the Parties.

## 8.0 Amendment of Agreement

- 8.1 Any alteration or amendment to the terms and conditions of the Agreement must be in writing and duly executed by the Parties.
- 8.2 Either Party may request the participation of the other Party to review the effectiveness of this Agreement annually and consider amendments to this Agreement.
- 8.3 The Parties acknowledge that new approaches for consultation and accommodation, including benefit and revenue sharing, will be developed as a priority under the New Relationship by British Columbia and the Leadership Council. The Klahoose First Nation may choose to opt into such approaches as they become available, through amendment of this Agreement or other mutually agreeable methods.

## 9.0 Entire Agreement

This Agreement, including the Appendices, and any amendment to it constitutes the entire Agreement between the Parties with respect to the subject matter of this Agreement.

## 10.0 Notice

- 10.1 Any notice or other communication that is required to be given or that a Party wishes to give to the other Party with respect to this Agreement, will be in writing and will be effective if delivered, sent by registered mail, or transmitted by facsimile to the address of the other Party as in this section of the Agreement.

## Map of Klahoose First Nation Asserted Traditional Territory

**APPENDIX B**  
**Interim Consultation Protocol between the Ministry of Forests and Range  
and the Klahoose First Nation**

**1. Scope and Purpose**

- 1.1 The government of British Columbia agrees to consult with the Klahoose First Nation on those Operational Decisions, Operational Plans and Administrative Decisions (Decisions) which may affect the Aboriginal Interests of the Klahoose First Nation in accordance with the process set out in this consultation protocol, except for the Economic component of those interests which the parties agree are addressed to the extent set out in section 3.0 of the Forest and Range Opportunities Agreement
- 1.2 This Protocol fulfills section 4.6 of the Interim Agreement on Forest and Range Opportunities (FRO) and will apply to all Operational and Administrative Decisions made by the Ministry of Forests and Range (MFR) which may affect the Klahoose First Nation's Aboriginal Interests within their Traditional Territory
- 1.3 This Protocol applies to the provincial Crown lands in the Traditional Territory as defined in the FRO, including any Administrative Decisions that would result in private lands being deleted from a Tree Farm License.

**2. Definitions**

- 2.1 The definitions set out in section 1 of the FRO apply where those defined terms are used in this Protocol, and for greater certainty, will continue to apply in this Protocol after the expiry or termination of the FRO unless the Parties to this Protocol otherwise agree;
- 2.2 "Response Period" means a period of up to 60 days from the initiation of the process set out in section 3.2 of this Protocol, where the initiation date is the date on which Klahoose First Nation receives information regarding the proposed Administrative Decision or Timber Supply Review process, or a copy of the Operational Plan for review. Where an emergency operation arises and/or expedited salvage has to occur, MFR will communicate the nature of the emergency to the Klahoose and, if required, a shortened initial Response Period, that is consistent with The

*Forest and Range Practices Act (FRPA)* emergency public review requirements.

- 2.3 A reference to the “Ministry of Forests and Range” or “MFR” in this Protocol includes, as appropriate, a reference to a Minister, Deputy Minister, Regional Executive Director, Timber Sales Manager, District Manager or any of their designates;

### **3. Consultation Process:**

#### **3.1 General**

The parties acknowledge that the scope of the duty to consult and, where appropriate, accommodate, will respect and meet the standards set out in the SCC *Haida* Decision and acknowledge that the duty exists on a spectrum and is proportionate to a preliminary assessment of the strength of the Aboriginal Interest(s) and to the seriousness of the potential effect.

- 3.1.1 Notification of initiation of consultation with appropriate information will be sent to: Chief Councillor Ken Brown. Any replies to MFR consultation by the Klahoose First Nation will be sent to Allan Shaw unless otherwise agreed by the Parties.
- 3.1.2 During the term of the FRO, Klahoose First Nation agrees to fully participate in the consultation process as set out in this consultation protocol, and thereafter as the Parties may agree.
- 3.1.3 MFR agrees that Klahoose may request further information and/or meetings with MFR, the licensee or another Provincial agency with relevant information or expertise, as part of the consultation process under this protocol. Klahoose agrees that, in the event it does request further information or meeting, it will make best efforts to ensure that such request does not unreasonably delay the consultation process.
- 3.1.4 MFR agrees to initiate the consultation process at the earliest practical opportunity to provide the Klahoose First Nation with a reasonable opportunity to engage in the consultation process before a decision is made concerning the forestry activity;
- 3.1.5 Klahoose agrees to provide a response to a notification pursuant to clause 3.1.1 within the Response Period. In that response Klahoose will indicate whether it has sufficient information to provide Klahoose's input regarding the subject matter of the consultation, or whether additional information and/or meetings with MFR, other Provincial agencies and/or the

licensee are required. If so the parties will agree on a further time period in which to conduct consultation.

- 3.1.6 Where no response is received within the Response Period, MFR may conclude that Klahoose First Nation does not intend to respond or participate in the consultation process and a decision by MFR will proceed;
- 3.1.7 This Protocol and its processes are not intended to constrain MFR or Licensee's relationship with Klahoose First Nation and other opportunities may be taken to enhance the relationship.
- 3.1.8 The Parties acknowledge that FDP/FSP will be consistent with approved land use plans when higher-level plan objectives have been established.

### 3.2 Information Sharing

The parties agree that information sharing constitutes the beginning of the consultation process.

- 3.2.1 MFR or the Licensee will
  - 3.2.1.1 Send a notification letter advising Klahoose First Nation of the proposed Decision required and the relevant response period.
  - 3.2.1.2 Provide maps and other information relevant to the proposed Decision to Klahoose First Nation
  - 3.2.1.3 Offer to meet with Klahoose First Nation to discuss information regarding the proposed decision, Aboriginal Interests and cultural heritage resources, and how these interests may be affected by the proposed Decision and to discuss practical means for addressing the interests and concerns raised.
  - 3.2.1.4 For operational plans, provide to Klahoose First Nation a copy of the plan submitted to the District Manager for a Decision, a description of how the Aboriginal Interests and cultural heritage resources have been considered, and will provide an opportunity for Klahoose First Nation to provide further comments.
  - 3.2.1.5 For Administrative Decisions, meet at mutually agreed to times throughout the year to provide an opportunity for Klahoose First Nation to make known to representatives of the government of British Columbia their concerns and comments relative to the effects of the Administrative Decision(s) within the Traditional Territory.

3.2.1.6 The Klahoose First Nation may develop suggested information sharing practices that may be adopted by licensees when reviewing Forest Stewardship Plans with Klahoose First Nation.

3.2.2 Klahoose First Nation or their designate will:

- 3.2.2.1 Agree to participate in the consultation process initiated by MFR or the Licensee;
- 3.2.2.2 Be responsible for conducting their own internal review of the information provided by MFR or the Licensee as part of the information sharing as outlined in section 3.2.1;
- 3.2.2.3 Provide information to MFR or Licensee regarding the scope and nature of Aboriginal Interests or cultural heritage resources and how these Interests or resources may be impacted by the proposed decision through written submission or meeting with MFR or as mutually agreed to under section 3.1.5.

3.3 Further Consultation and Accommodation As Appropriate

3.3.1 Where appropriate, further consultation meetings may occur to discuss First Nation issues identified in section 3.2.2.3 and potential measures to address those concerns, as appropriate

3.4 Decision

- 3.4.1 Where Klahoose First Nation requests additional relevant information, the decision maker will make reasonable efforts to provide available information from the Licensee or through MFR, recognizing that the decision maker may not have access to certain licensee information. MFR will nonetheless encourage and recommend that the Licensee provide information that is requested by Klahoose where it is practical for the Licensee to do so.
- 3.4.2 Decision maker will make the Decision considering all the relevant information provided by Klahoose First Nation during the consultation process
  - 3.4.2.1 For Aboriginal Interests raised during the review of Administrative Decisions that cannot be addressed at the Administrative Decision stage the decision maker will provide the Aboriginal Interest information to the appropriate decision maker for consideration in further operational decisions.

- 3.4.2.2 Prior to issuing a road permit, cutting permit or proposed timber sale, the decision maker will consider any existing or new information regarding Aboriginal Interests and impacts on Aboriginal Interests that is provided by Klahoose First Nation, and will ensure that consultation process has been adequate.
- 3.4.2.3 MFR will communicate the results of the decision to Klahoose First Nation in writing after the decision is made.

#### **4. Term**

- 4.1 This Protocol will continue in effect between the Parties until such time as one or the other provides the other Party with 60 days notice of their intention to terminate and withdraw from this Protocol.

#### **5. Amendments**

- 5.1 Any alteration or amendment to the terms and conditions of this Protocol must be in writing and duly executed by the Parties.
- 5.2 Either Party may request the participation of the other Party to review the effectiveness of this Protocol annually and consider amendments to this Protocol.

#### **6. Dispute Resolution**

- 6.1 This Protocol will follow the same dispute resolution process outlined in section 5.0 of the FRO, which will continue in effect after the termination or expiry of the FRO, unless the Parties otherwise agree
