NOTE: This drawing is an instrument of service and must only be used in conjunction with the Project Manual and all other drawings, specifications, correspondence and information pertinent to the project. The Contractor shall verify references, datum and dimensions on site and request clarification, from Oberto Oberti Architecture and Urban Design Inc., of any discrepancies or omissions as soon as they are discovered prior to execution of any work. The Contractor is responsible for the method of execution and for compliance of all works with the requirements of the Authorities Having Jurisdiction. Written architectural dimensions take precedence in the coordination of information. Do not scale drawings.
