

Gaming Grants Paid to Community Organizations - Final 2025/26 Year-End Report (by community) - April 1, 2025 to March 31, 2026

Report Period: April 1, 2054 to March 31, 2065 (Government Fiscal year 2025/26)

Description and Notes:

The Community Gaming Grants program is delivered by the Community Gaming Grants Branch in the Ministry of Tourism, Arts, Culture and Sport. The Community Gaming Grants program includes; Program Grants, PAC and DPAC grants and Capital Project Grants.

Community Gaming Grants are distributed to eligible not-for-profit organizations that apply for funding to support community based programs.

Payments for approved grants are made throughout each government fiscal year, and the timing of the payments depends on the grant category / intake.

All public reporting was prepared using payment processing data from the Unity Grant Management System.

Please note:

- Some organizations receive grants in more than one category; therefore the number of unique organizations receiving grant payments is usually less than the number of grants paid.
- Questions regarding Community Gaming Grants should be directed to communitygaminggrants@gov.bc.ca
