Dear Minister Heyman:

Re: Professional Reliance Review

Please find enclosed a video submission from the Sonora Island community for consideration as part of government's review of the professional reliance model in British Columbia. This video submission is based on the experience of the Sonora Island community's interactions with TimberWest Forest Corporation in the southern Great Bear Rainforest over the last 5 years.

Please watch it here: <https://vimeo.com/252243072/d76f33baf0>

Thank you for your time,

Sincerely, Farlyn Campbell and the Sonora community
