Commercial Hunting Interests			

Ministry of Environment

This Policy Replaces:

Previous policy "Commercial Hunting Interests", January 1, 2007.

Staff, Organizations Directly Affected:

Wildlife Management Staff
Regional Managers
Director
Guide Outfitters

POLICY STATEMENT:

It is the policy of the Ministry:

- That guide outfitters' commercial interests in the harvest of big game species will be addressed by:
- (1) requiring non-resident hunters to hire a guide outfitter to hunt big game in the province, except when permits to accompany have been issued;
 - (2) providing guided hunters with predictable, fair shares of the allocations of category A species in certificated areas;
 - (3) supporting the viability of the guide outfitting industry by committing to:
 - a. the timely application of decision making processes regarding the transfer and disposition of guide territories;
 - b. the timely review of the status of uncertificated areas;
 - c. creating and maintaining a regulatory framework that maximizes guided hunters' success, enjoyment, and participation;
 - d. the maintenance of exclusive guided hunting rights for guide outfitters; and
 - (4) removing unnecessary barriers to achievement of allocation prior to reducing allocation.

Definitions:

"allocation" – means the division of the annual allowable harvest remaining after the legal rights of First Nations have been recognized and provided for, between resident hunters and guided hunters.

"big game" – means big game as defined in the *Wildlife Act*, RSBC 1996 c.488.

"category A species" – means a big game species, population, or class for which guided hunters' harvest is limited by quota in any portion of a region.

"certificated area" – means an area of the province where a guide outfitter certificate has been issued.
