Dear Licensee:

Your Woodlot Licence Plan (WLP) extension for Woodlot Licence W0026 has now been fully reviewed.

### **Determination**

I am satisfied that the plan has been prepared and submitted in accordance with Section 13 of the Forest and Range Practices Act (FRPA) and the regulations. Accordingly, as the statutory decision-maker authority under Section 16 of the FRPA, I am approving your WLP extension.

The Ministry of Forests, Lands, Natural Resource Operations and Rural Development remain committed to a meaningful consultation process with First Nations who may assert traditional aboriginal interests in an area covered by this WLP. The particulars of this WLP have been communicated to the appropriate First Nations and their input has been encouraged. To date I have not been advised of any site-specific aboriginal interests that may be infringed upon by the proposed development in this WLP.

The term of this plan has been extended from May 27, 2019 to May 26, 2029. Further development taking place on Woodlot Licence W0026 must be done in accordance with the approved WLP. This letter forms an integral part of the WLP for Woodlot Licence W0026 and should be attached to it.

If you require clarification of any aspect of this determination, please contact Thomas Hartz at 250-850-1762.

Yours truly,

Gary Gwilt  
Acting District Manager  
Campbell River Natural Resource District
