(the T'Sou-ke First Nation)

**Her Majesty the Queen in Right of the Province of British Columbia**  
as represented by the Minister of Aboriginal Relations and Reconciliation  
("British Columbia")

(Collectively the "Parties")

**WHEREAS:**

- A. In 2005, British Columbia and the First Nations Leadership Council, representing the Assembly of First Nations-BC Region, First Nations Summit, and the Union of British Columbia Indian Chiefs entered into a New Relationship and signed the Transformative Change Accord, the purposes of which is to implement a government-to-government relationship based on an effective working partnership, enhanced collaboration, mutual respect and recognition and accommodation of Aboriginal title and rights and achieve the mutual goals of closing the social and economic gap between First Nations and other British Columbians.
- B. In the spirit of the New Relationship and the Transformative Change Accord, British Columbia and T'Sou-ke First Nation have undertaken a shared commitment to strengthening relationships on a government-to-government basis, and on focusing efforts to close the socio-economic gaps between Aboriginal and non-Aboriginal people.

- D. British Columbia recognizes that T'Sou-ke First Nation has a unique history and its own culture and traditions that help to define it, and that these characteristics, along with its relationship with British Columbia, form an important context for the cooperative efforts needed to improve the T'Sou-ke First Nation community's well-being.

- E. The T'Sou-ke First Nation has Douglas Treaty rights to hunt over the unoccupied lands and to carry on its fisheries as formerly.
- F. British Columbia intends to consult with the T'Sou-ke First Nation and to seek to avoid unjustifiable infringement of its Douglas Treaty rights with respect to impacts on the T'Sou-ke First Nation's Douglas Treaty rights arising from forest and/or range resource development activities proposed within the T'Sou-ke First Nation Traditional Territory.
- G. The T'Sou-ke First Nation intends to fully participate in any consultation or information sharing with British Columbia or a Licensee in relation to forest and/or range resource development activities proposed within the T'Sou-ke First Nation's Traditional Territory that may impact the T'Sou-ke First Nation's Douglas Treaty rights.
- H. This Agreement is intended to assist in achieving stability and greater certainty for forest and/or range resource development on Crown lands within the Traditional Territory of the T'Sou-ke First Nation which will enhance the ability of the forestry and ranching industries to exercise timber harvesting and grazing rights in a timely, economic, and environmentally sustainable manner while longer term interests of the T'Sou-ke First Nation are addressed through other agreements or processes.

  - 6.1.4 British Columbia retains the right at its sole discretion, such discretion to be exercised reasonably, to require an audit of expenditures made from the Payment Account to ensure that all such expenditures were made for appropriate purposes under this Agreement, such audit to be at the expense of the T'Sou-ke First Nation or its Designate.
  - 6.1.5 The documents referred to in sections 6.1.1, 6.1.2, and 6.1.3 will be published by T'Sou-ke First Nation or its Designate in a manner that can reasonably be expected to bring the information to the attention of its communities and the public.
  - 6.1.6 Notwithstanding the termination or expiry of this Agreement, T'Sou-ke First Nation or its Designate will continue to comply with the provisions of section 6.1 until 90 days after it receives the last Revenue Sharing Contribution from British Columbia.
- 6.2 If T'Sou-ke First Nation requires funding ("capacity") to engage in consultation processes on forest and range decisions, or with other provincial Ministries

- 7.2 T'Sou-ke First Nation agrees that British Columbia may apply any payment that T'Sou-ke First Nation is entitled to receive under this Agreement, to a maximum of the amounts that British Columbia would have obtained in a silviculture deposit, in order to fully or partially satisfy any unfulfilled financial obligations of T'Sou-ke First Nation to British Columbia arising from a licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between T'Sou-ke First Nation (or a legal entity controlled by the T'Sou-ke First Nation) and British Columbia.

## **9.0 Dispute Resolution**

- 9.1 If a dispute arises between British Columbia and the T'Sou-ke First Nation regarding the interpretation of a provision of this Agreement, the duly appointed representatives of the Parties will meet as soon as is practicable to attempt to resolve the dispute.
- 9.2 If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of British Columbia and the T'Sou-ke First Nation.
- 9.3 If the interpretation dispute cannot be resolved by the Parties directly, the Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

## **10.0 Suspension and Termination**

- 10.1 British Columbia may suspend the making of further Revenue Sharing Contributions under this Agreement if it determines, acting reasonably, that T'Sou-ke First Nation is not fulfilling its obligations under sections 4.0 and 6.0 or sections 8.1 of this Agreement, or where the T'Sou-ke First Nation has outstanding unfulfilled financial obligations to British Columbia arising from a licence(s) issued further to an agreement between the T'Sou-ke First Nation and British Columbia. Upon making any such determination, British Columbia will provide notice to T'Sou-ke First Nation of the alleged non-compliance, and the Parties will then attempt to resolve their differences.
- 10.2 If the alleged non-compliance by T'Sou-ke First Nation is not resolved within 60 days of the notice provided in section 10.1, British Columbia will notify T'Sou-ke First Nation that the alleged non-compliance remains unresolved and, without limiting the actions that may be taken by British Columbia, may terminate this Agreement.
- 10.3 This Agreement will terminate prior to the end of the Term in any one of the following circumstances; 90 days' written notice of termination is given by one Party to the other; termination occurs in accordance with any of the provisions of section 10.0; or upon mutual agreement of the Parties. In the event of such early termination of this Agreement, the Revenue Sharing Contribution for the BC Fiscal Year in which termination becomes effective will be prorated to the termination date.
- 10.4 If a Party gives written notice of its intention to terminate this Agreement effective 90 days from the date of the notice, the Parties will, prior to the end of the 90-day period, meet and will attempt to resolve any issue that may have given rise to the termination notice.

## **APPENDIX B**

### **Consultation**

#### **On Operational and Administrative Decisions and Operational Plans**

In order to facilitate consultation with respect to Operational and Administrative Decisions and Operational Plans, the Parties have agreed to use the Matrix framework set out in section 1.1 of this Appendix ("section 1.1"), which allows the Parties to determine which Operational and Administrative Decisions and Operational Plans will require consultation, as well as the associated appropriate level of consultation for those decisions and plans.

- 1.1 British Columbia agrees to consult with T'Sou-ke First Nation in accordance with the applicable consultation level agreed to by the Parties under section 1.1 on Operational Plans, Operational Decisions, and Administrative Decisions that may potentially adversely impact T'Sou-ke First Nation's Douglas Treaty rights within the Traditional Territory.
- 1.2 T'Sou-ke First Nation agrees to fully participate with British Columbia and/or Licensees or licence proponents, as set out in this Agreement and in accordance with the applicable level of consultation to which the Parties have agreed under section 1.1, in information sharing and/or consultation regarding proposed Operational Decisions, Administrative Decisions, and Operational Plans dealing with forest and range development within the Traditional Territory.
- 1.3 In this Appendix, "First Annual List" means a list of Operational and Administrative Decisions and Operational Plans, which may require consultation during the First Fiscal Year of the Term or part thereof in which the Effective Date occurs, that is provided to the T'Sou-ke First Nation by British Columbia in advance of the Parties entering into this Agreement.
- 1.4 Prior to entering into this Agreement, the Parties will agree on the applicable consultation levels for the decisions on the First Annual List, using the consultation levels described in section 1.1.
- 1.5 In this Appendix, "Annual List" means an annual list of Operational and Administrative Decisions and Operational Plans that may require consultation in a fiscal year of the Agreement in which those decisions are anticipated to be made, and that will be provided to the T'Sou-ke First Nation by British Columbia before March 31<sup>st</sup> of each year after the First Fiscal Year of the Term.
- 1.6 For fiscal years subsequent to the First Fiscal Year of the term, the Parties will meet annually on or before March 31<sup>st</sup> to discuss the Annual List and, in the case of decisions and plans for which the Parties have not already agreed to a consultation level described in section 1.1 in a preceding fiscal year, the Parties will agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans on the Annual List, in accordance with section 1.1.

- 1.7 When British Columbia becomes aware of proposed types of Operational or Administrative Decisions or Operational Plans not contained in the Annual List that will have effect within the Traditional Territory of T'Sou-ke First Nation during the current fiscal year, British Columbia will notify the T'Sou-ke First Nation of those new types of decisions or plans and the Parties will seek to agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans, in accordance with section 1.1.
- 1.8 In reviewing and responding to an Operational Decision, Administrative Decision, or Operational Plan submitted to them, T'Sou-ke First Nation will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, a licensee or proponent) that supplied the proposed decision or plan to them, with all reasonably available information that will identify any potential impacts to their Douglas Treaty rights that may occur as a result of proposed forest and/or range resource development activities pursuant to that Operational Decision, Administrative Decision or Operational Plan within the Traditional Territory.
- 1.9 If no response is received from T'Sou-ke First Nation within the timeframe set out in section 1.1, then British Columbia may conclude that T'Sou-ke First Nation does not intend to respond or participate in the consultation process in respect of the Operational or Administrative Decision or Operational Plan and that a decision may proceed.
- 1.10 The Parties agree to the following description and intent of the consultation levels:

Level	Description	Intent
<b>1. Information Sharing</b>	Referral to T'Sou-ke First Nation during planning to provide opportunity to incorporate Aboriginal Interests prior to submitting plan/request to Decision Maker.	Proponent or tenure holder engages directly with T'Sou-ke First Nation, and provides summary of communications to British Columbia.
<b>2. Available on Request</b>	Type of notification whereby British Columbia informs T'Sou-ke First Nation they will not be sending out information.	T'Sou-ke First Nation can request from British Columbia more detailed information about decisions made at this level.
<b>3. Notification</b>	Notify in writing T'Sou-ke First Nation about an upcoming decision and provide overview information. Would be an opportunity for comment.	British Columbia provides T'Sou-ke First Nation base level information and a short reasonable time (21-30 calendar day consultation period determined by the Parties) to comment. Limited follow-up.
<b>4. Expedited Consultation Process</b>	Where there is an imminent threat to a resource value (e.g. mountain pine	Intense but short timeline (about 10 calendar days). A

Level	Description	Intent
	beetle spread control) an expedited consultation process is undertaken.	justification for shortening the period would be given by describing the imminent threat. May require a meeting.
<b>5. Normal Consultation</b>	Follow on “normal” track for consultation guided by up-to-date consultation policy. Meetings to resolve issues where possible and make decision in a timely manner.	Intent to follow this course in most circumstances. Usually a 30 – 60 calendar day consultation period. May involve meaningful discussion of accommodation options where appropriate. British Columbia will notify T’Sou-ke First Nation of the final decision where requested by the T’Sou-ke First Nation.
<b>6. Deep Consultation</b>	Use reasonable effort to inform in an accessible manner and to engage in full discussions around the proposed decision. Make reasonable efforts to mitigate impacts and avoid unjustifiable infringement of treaty rights where necessary.	Would involve meaningful discussion of suitable accommodation or impact mitigation options and interim solutions where appropriate. May require extended timelines. British Columbia will provide the T’Sou-ke First Nation with the final decision and rationale in writing.

- 1.11 The Parties may agree to adjust the consultation levels for specific circumstances where detailed treaty rights information is shared that would suggest a different consultation level.
- 1.12 T’Sou-ke First Nation agrees that the province is not obligated, unless requested by the T’Sou-ke First Nation, to inform the T’Sou-ke First Nation of the Delegated Decision Maker’s decision for decisions on which the consultation level has been level three (3) or lower.
- 1.13 If the Parties cannot agree upon which consultation level in section 1.1 should apply to a particular or any Operational or Administrative Decision or Operational Plan, then British Columbia will consult with T’Sou-ke First Nation on the basis of British Columbia’s consultation procedures in effect at the time as well as the applicable case law respecting consultation obligations.

## **APPENDIX C**

### **Revenue Sharing Contribution Methodology**

#### **Traditional Territory Forest Revenue Sharing Component**

- 1.0 In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of South Island District's forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for South Island District.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from T'Sou-ke First Nation's Forest License (if applicable) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the T'Sou-ke First Nation's Traditional Territory will be calculated by determining the percent of T'Sou-ke First Nation's Traditional Territory that falls within the Timber Harvesting Land Base in South Island District, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Traditional Territory Forest Revenue Sharing Component will be calculated by multiplying 3 percent of the forest revenue attributed to the T'Sou-ke First Nation as described in section 1.2 of this Appendix.
- 1.4 Where the calculation in section 1.3 of this Appendix is less than \$35,000, T'Sou-ke First Nation will receive a maximum of \$35,000 to provide capacity to participate in the consultation process in accordance with section 4.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

#### **Direct Award Tenure Forest Revenue Sharing Component**

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of T'Sou-ke First Nation's Forest License (if applicable) forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year.
- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 35 percent of the forest revenue as described in section 2.0 of this Appendix.

- 2.2 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.
