#### **APPENDIX C**

#### **Revenue Sharing Contribution Methodology**

#### <u>Traditional Territory Forest Revenue Sharing Component</u>

- In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared of the Chilliwack Natural Resource and the Cascades Natural Resource Districts forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for the Chilliwack Natural Resource and the Cascades Natural Resource Districts.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Union Bar First Nation's Forest License (if applicable) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the Union Bar First Nation's Traditional Territory will be calculated by determining the percent of Union Bar First Nation's Traditional Territory that falls within the Timber Harvesting Land Base in the Chilliwack Natural Resource and the Cascades Natural Resource Districts, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Traditional Territory Forest Revenue Sharing Component will be calculated by multiplying 3 percent of the forest revenue attributed to the Union Bar First Nation as described in section 1.2 of this Appendix.
- 1.4 If Union Bar First Nation is not receiving capacity funding for forestry consultation through a SEA or RA, then it will receive \$35,000 or the amount calculated in accordance with section 1.3, whichever is greater, which may be used by Union Bar First Nation as capacity funding to participate in the consultation process in accordance with section 6.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

#### **Direct Award Tenure Forest Revenue Sharing Component**

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared detailing of the Union Bar First Nation's Forest License (if applicable) forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year from Eligible Volume within the Forest Licence.
- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 35 percent of the forest revenue as described in section 2.0 of this Appendix.

2.2 For each Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

#### Forest Revenue Sharing Transition

- 3.0 The Parties agree that a transition to revenue sharing based entirely on Forest Revenue will be phased in over the Term.
- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by adding the total of the Traditional Territory Forest Revenue Sharing Component to the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year.
- 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Union Bar First Nation in any given full year under the *Union Bar First Nation Interim Agreement on Forest and Range Opportunities* ("the Annual Amount") and applying the following percentages to that Annual Amount:
  - 3.2.1 2019/20 BC Fiscal Year: 40 percent;
- 3.3 Notwithstanding section 3.2 of this Appendix, if the Revenue Sharing Transition Calculation for BC Fiscal years 2019/20, under section 3.1 provides:
  - (a) an amount calculated under sections 1.3 and 2.1 of this Appendix that is equal to or greater than the annual payments received under the *Union Bar First Nation Interim Agreement on Forest and Range Opportunities*, then Union Bar First Nation will receive the annual payments described by the Revenue Sharing Transition Calculation in section 3.1 for BC Fiscal Years 2019/20; and
  - (b) an amount calculated under the Revenue Sharing Transition Calculations in sections 3.1 and 3.2 of this Appendix that is greater than the annual payments received under the *Union Bar First Nation Interim Agreement on Forest and Range Opportunities*, then Union Bar First Nation will receive an annual payment for BC fiscal Years 2019/20 that is equal to the annual payment received under the *Union Bar First Nation Interim Agreement on Forest and Range Opportunities*.
