Dear Ms. Solanki:

ADMINISTRATIVE MONETARY PENALTIES: EXTENSION REQUEST ON THE JUNE 30TH, 2021 DEADLINE

On June 26th, 2021, the BC Cranberry Marketing Commission (Commission) contacted the BC Farm Industry Review Board (BCFIRB) requesting an extension of the June 30th, 2021 deadline for providing its rationale for not using administrative monetary penalties.

The Commission is requesting an extension in order to have a fulsome discussion regarding the potential implementation of administrative monetary penalties and mandatory biosecurity programs at its Regulatory Review meeting on July 16th, 2021. Therefore, the Commission is requesting an extension to July 30th, 2021.

I have reviewed the Commission's rationale and grant the extension to July 30th, 2021.

Regards,

Peter Donkers
Chair
