I would like to acknowledge and thank you for the hard work and investment that went in to your individual public reports on sector performance targets, governance measures and quota management and movement data.

I am looking forward to meeting with you on December 9, 2019 to discuss how we can continue to build and improve on the PARP in order to fulfill the goal of supporting and demonstrating effective governance and sound leadership of B.C.'s regulated and supply managed agriculture sectors.

The December 9 meeting will be held from 10:00 am to 4:30 pm and will be located at the Ministry of Agriculture building in Abbotsford, 1767 Angus Campbell Road, Room 131. BCFIRB staff will be in contact with you as the agenda and supporting documents are developed.

Thank you again for your contributions to this project. If you have any questions, please do not hesitate to contact me.

Yours truly,
