Dear Ms. Nelson,

**BRITISH COLUMBIA BROILER HATCHING EGG COMMISSION ELECTION RULES
AND PROCEDURES APPROVAL**

The BC Broiler Hatching Egg Commission (BHEC) seeks approval under section 4(2) of the *British Columbia Broiler Hatching Egg Scheme* of its elections rules and procedures as revised following its scheduled election rules and procedures review with growers.

I have been appointed by the Chair of the BC Farm Industry Review Board (BCFIRB) as a single person panel to consider and, if appropriate, approve the election rules and procedures.

Subject to the following conditions, I hereby approve the attached 'Rules and Procedures for the Election of Elected Commission Members' dated May 2, 2013 as initially approved by BHEC on April 25, 2013 with subsequent further proposed tracked-in revisions:

- BHEC passes a resolution approving the further revisions as shown in the attached rules; and,
- BHEC immediately provides BCFIRB with a copy of the final amended election rules incorporating the further revisions, and the BHEC resolution approving the further revisions.

Until BHEC approves the further revisions and provides to BCFIRB a copy of the final resolution approving the further revisions together with the final version of the election rules, the election rules and procedures are not valid, cannot be used for election purposes and should not be distributed.
