Introduction

The Ministry of Municipal Affairs, through the Public Libraries Branch, distributes annual grants to public libraries, federations, provincial associations, and service providers. Provincial funding is in addition to support from local governments, who provide the majority of funding to library boards. Funds are distributed to eligible public libraries, federations (as defined by [Library Act](#)) and service providers which support the delivery of province-wide services.

This document describes the grants and how they are calculated (when applicable). Funding recipients receive grant award letters stating expectations for fund use and reporting requirements – a copy of the grant award letter to public library boards is included within this document. There are eight grants in the funding framework, four of which are allocated directly to public library boards (Operating, Resource Sharing, BC OneCard and Literacy/Equity).

Distribution Changes for 2021:

Total annual funding for public libraries and province-wide services for 2021 is \$14 million distributed as 8 grants. For 2021, grants to public libraries and federations remain at the same level as 2020 to maintain stability. This includes the grants for the provincial interlibrary loan (Resource Sharing) and BC OneCard programs, both of which were suspended for a portion of 2020 due to the COVID-19 pandemic.

Resource sharing grant (for Interlibrary loan) increased by \$1,564 due to changes in software licensing costs.

Per Capita Operating Grant

All British Columbia public libraries, established by the authority of the Library Act, may be eligible for annual per capita operating grants based on a funding formula.

The 2021 Per Capita Operating grants use the 2016 Census figures to calculate library service area populations. The following table details the funding rates:

Library Type	Service Area Population	Rural/Urban	Per Capita Rate
PLA / Municipal	<12,000	Rural	\$3.20
		Urban	\$3.00
	12,000 - 34,999	Rural	\$2.70
		Urban	\$2.50
	35,000+	Rural	\$2.20
		Urban	\$1.78
Regional	Municipal	Rural	\$2.20
		Urban	\$1.78
	Rural	Rural	\$4.10
		Urban	\$3.90
Integrated	Rural		\$4.10
	Municipal		\$2.20

Notes:

- Population figures sourced from the 2016 Census Values provided by BC STATS.
- Urban Regional Districts (RDs) for the purpose of public library operating grants include Capital (excluding Salt Spring and Pender Island), Central Okanagan, Fraser Valley, and Greater Vancouver Regional Districts. All other Regional Districts are considered Rural RDs.
- Some libraries have been assigned protected amounts (formerly 'grandfathered') to prevent excessive loss in funding based on population shifts.

Resource Sharing Grant

The Resource Sharing grant uses a piece-rate for materials lent through interlibrary loan (ILL) services during the previous calendar year. Interlibrary Loan is a service that allows B.C. public libraries to share materials with other libraries in BC and across Canada. Due to pandemic-related suspension of services including Interlibrary Loan, library grant amounts were held at 2020 amounts to provide stability in funding.

The piece rate for the 2021 Resource Sharing Grant is \$2.24 per item lent in the 2018 calendar year. As a result, there are no changes to the amounts libraries receive in 2021. For a breakdown of Resource Sharing Grant funding calculations, please refer to *Table 4: 2019 Resource Sharing Grant – Calculation Summary* in the [2019 Resource Allocation Document](#).

Three types of eligible ILL transactions that count towards grant funding:

Types of Eligible ILL Transactions	Description
Illume (SHAREit) transactions	Primary means of tracking interlibrary loan transactions by B.C. public libraries. Libraries request items from other systems through a shared catalogue that is updated at regular intervals.
ILL Exception transactions	For items requested through other means, particularly email or over the phone. Also includes requests for multi-volume sets. Excludes items lent to destinations outside of Canada.
Interlibrary Connect Transactions (Sitka Direct Patron Requests)	Multi-library direct loan project that allows libraries using the Sitka Evergreen ILS to request items via live connection from each other. Only SITKA DPR transactions for libraries within the entire provincial “Interlibrary Connect Zone” count towards grant funding.

BC OneCard Grant

The BC OneCard Grant is funding to enable libraries to provide expanded library service to BC residents through participation in the BC OneCard program. The OneCard program ensures that active patrons of any public library in BC may use their card wherever they travel within the province.

2021 BC OneCard grants are based on either a tiered or piece rate (whichever is greater) for materials lent and returned in the 2018 calendar year. As a result, there are no changes to the amounts libraries receive in 2021. For a breakdown of OneCard Grant funding calculations, please refer to *Table 5: 2019 OneCard Grant – Calculation Summary* in the [2019 Resource Allocation Document](#).

Population Tier	Minimum Compensation (Circulations)	Minimum Compensation (Returns)
Under 3,000	\$3,175	\$3,175
3,000 – 6,999	\$3,700	\$3,700
6,000 – 10,000	\$4,750	\$5,500
Over 10,000	\$5,500	\$5,500
Multi-region Libraries: Regional systems, Integrated systems, and Greater Victoria Public Library	\$12,000	\$12,000

The piece rate for items lent or returned by libraries that exceed the minimum levels above is 5.0 cents per item. For 2021 grants, tiered rates were kept the same as they were in the previous calendar year for all libraries.

Literacy & Equity Grant

Literacy & Equity Grants are funding for the promotion of literacy and life-long learning within B.C. public libraries. Libraries may use these funds to expand their collections and services, which support literacy in their community. Libraries cannot expend funds for the purposes of building projects or upgrading the library's facilities and furnishings. Libraries may however, use their grant funding in collaboration with other public libraries or federations on related projects.

Some examples of how libraries promote literacy and lifelong learning with these grants:

- Summer reading programs
- Building special collections (ex: low-literacy materials, ESL materials, multilingual materials, or materials for the visually impaired)
- Reading programs for reluctant readers
- Purchasing equipment in support of literacy for the visually impaired, such as DAISY (Digital Accessible Information System) readers
- Outreach services
- Early childhood initiatives such as Mother Goose, Father Moon, Baby time, etc.

Literacy funding rates for B.C. public libraries have been maintained at steady levels since 2009/10 and are not based on a calculation formula. Please refer to *Table 2: 2021 Library Grants Summary* to see a breakdown of Literacy & Equity Grant funding by library.

Example Public Library Grant Award Letter 2021

To: Public Library Board Chair

c/o Library Board Chairs List

Subject: 2021 Public Library Grants Award Letter

Dear Public Library Board Chair:

The Ministry of Municipal Affairs, Public Libraries Branch (PLB) is pleased to inform you that your library will receive the following grants to support public library operations and provincial programs for 2021:

- **Per Capita Operating Grant** - to support ongoing public library operations and participation in province-wide initiatives.
- **Resource Sharing Grant** – to support libraries in materials sharing by alleviating the costs involved in running and managing their interlibrary loan service.
- **BC OneCard Grant** – to enable active patrons of any public library in B.C. to use their library card to borrow from other libraries throughout the province.
- **Equity and Literacy Grant** - to support access to life-long learning and literacy experiences through the expansion of library collections, programs and services.

The ministry will deposit funds electronically into the account of the financial institution that your library has designated. The ministry will email a notice to your library upon payment.

Public libraries are receiving the same grant amounts now as they did in March 2020. We have decided to keep funding stable to libraries again this year by not making any adjustments from 2020. As a result, no library system will experience a reduction.

The ***Public Library Provincial Grants Allocations*** document, which lists the funds allocated to each library and partner in 2021, is available online. Please download a copy for use in preparing your library's financial statements. Your public library board is responsible for ensuring that conditions of provincial funding (as outlined below) are met each year.

Strategic Context

Provincial funding to public libraries is focused on increasing access to information and services throughout the province while enabling each library to respond to the diverse needs of its communities. Through collaboration, the PLB and libraries can provide people with access to the services, technology, digital and learning resources they need to reach their full potential.

Funding, although distributed as four grants, may be used in mutually supportive ways to ensure Provincial priorities are fulfilled. The priorities and areas of focus for 2021 continue to be based on the strategies and actions outlined in [B.C.'s Strategic Plan for Public Library Service](#).

Conditions

In accordance with the conditions placed on these ministry grants, libraries must submit specific reports as outlined below. Continued provincial funding for the library is contingent on the completion and filing of these three reports:

- *2021 Provincial Public Library Grants Report* (due **March 1, 2022**)
- *2021 Statement of Financial Information* (due **May 15, 2022**)
- *2021 Annual Survey of Public Libraries* (due **May 15, 2022**)

Further reporting and accountability information, including instructions and templates, is available in the [Public Libraries Branch - Reporting and Accountability section](#).

Please be aware that the ministry will reclaim any portion of the grants should the library not use the funds for their intended purposes and meet the accountability requirements outlined in this letter.

As of the time of writing this letter, British Columbia is still under a state of emergency due to the COVID-19 pandemic. To support the continuation of public library services wherever possible, libraries are receiving this funding even if their regular operations are disrupted. Significant changes in the use of these funds, however, must be first brought to the attention of the ministry and pre-approved.

Government is committed to open public access to information and bound by the *Freedom of Information and Protection of Privacy Act*. The Province may release any or all information submitted in these reports to the public and will be making them available on the website.

Also, as a condition of assistance, recipients of this funding are asked to acknowledge the Province of British Columbia's assistance on written and digital materials wherever reasonable. The following acknowledgement may be used:

"We gratefully acknowledge the financial support of the Province of British Columbia through the Ministry of Municipal Affairs."

As a reminder, permission is required on the use of [BC's Visual Identity](#). As a Third Party, each organizations must review this [guide](#) on the use of the BC logo.

Appreciation

On behalf of the ministry, I would like to express appreciation to you, your board and staff for your ongoing commitment and hard work, particularly in the face of pandemic challenges. Your contributions and focus on your communities' diverse needs help make them stronger and more resilient. Working together, we can ensure that British Columbians will benefit from innovative, accessible, and equitable library services.

If you have any questions about this letter or grant use, please do not hesitate to call 1-800-663-7051 or email the Public Libraries Branch at LLB@gov.bc.ca.

Sincerely,

Mari Martin

Director
