

## Challenge Ten

Your computer is considered a Government resource; employees must understand their responsibilities and adhere to the

### 'Appropriate Use Policy'

You must agree to the policy as below but not limited to:

1. When you're a new employee
2. When a new device is issued
3. When there is a significant change to the policy
4. Annually for employees who access significant confidential information

TRUE - this applies to every employee

FALSE - this only applies if your supervisor tells you
