**MANAGEMENT REPORT**

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all other schedules of financial information and for ensuring this information is consistent, where appropriate, with the information contained in the financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Education is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and for approving the financial information included in the Statement of Financial Information.

The external auditors, MNP LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements as required by the *School Act*. Their examination does not relate to the other schedules of financial information required by the *Financial Information Act*. Their examination includes a review and evaluation of the board's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

## MANAGEMENT REPORT

Version: 3830-3084-1102

### Management's Responsibility for the Financial Statements.

The accompanying financial statements of School District No. 72 (Campbell River) have been prepared by management in accordance with the accounting requirements of Section 23.1 of the Budget Transparency and Accountability Act of British Columbia, supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

The preparation of financial statements necessarily involves the use of estimates based on management's judgment particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and reliable financial information is produced.

The Board of Education of School District No. 72 (Campbell River) (called the "Board") is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal financial statements on a monthly basis and externally audited financial statements yearly.

The external auditors, MNP LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of School District No. 72 (Campbell River) and meet when required. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the School District's financial statements.

## Independent Auditor's Report

---

To the Board of Education of School District No. 72 (Campbell River) and the Minister of Education:

### Opinion

We have audited the financial statements of School District No. 72 (Campbell River) (the "School District"), which comprise the statement of financial position as at June 30, 2022, and the statements of operations, changes in net debt and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present the financial position of the School District as at June 30, 2022, and the results of its operations, changes in net debt and its cash flows for the year then ended in compliance with, in all material respects, the financial reporting framework based on Section 23.1 of the Budget Transparency and Accountability Act and the Province of British Columbia's Treasury Board Regulations 257/2010 and 198/2011.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the School District in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter - Financial Reporting Framework

We draw attention to Note 2 which describes the financial reporting framework being followed by School District No. 72 (Campbell River).

### Other Information

Management is responsible for the other information. The other information obtained at the date of this auditor's report comprises of Unaudited Schedules 1-4 attached to the audited financial statements and Financial Statement Discussion and Analysis, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting framework based on Section 23.1 of the Budget Transparency and Accountability Act and the Province of British Columbia's Treasury Board Regulations 257/2010 and 198/2011, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the School District's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the School District or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the School District's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School District's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School District's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School District to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 1      AUTHORITY AND PURPOSE**

The School District, established on April 12, 1946 operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 72 (Campbell River)", and operates as "School District No. 72 (Campbell River)". A board of education (Board) elected for a four-year term governs the School District. The School District provides educational programs to students enrolled in schools in the district and is principally funded by the Province of British Columbia through the Ministry of Education. The School District is exempt from income tax.

The COVID-19 outbreak was declared a pandemic by the World Health Organization in March 2020 and has had a significant financial, market and social dislocating impact worldwide. Under direction of the Provincial Health Officer, all schools suspended in-class instruction in March 2020 and the District remained open to continue to support students and families in a variety of ways. Parents were given the choice to send their children back to school on a gradual and part-time basis beginning June 1, 2020 and full-time beginning Sept 1, 2020 with new health and safety guidelines. The ongoing impact of the pandemic presents uncertainty over future cash flows, may have a significant impact on future operations including decreases in revenue, impairment of receivables, reduction in investment income and delays in completing capital project work. As the situation is dynamic and the ultimate duration and magnitude of the impact are not known, an estimate of the future financial effect on the District is not practicable at this time.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

a) Basis of Accounting

These financial statements have been prepared in accordance with Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia. This Section requires that the financial statements be prepared in accordance with Canadian public sector accounting standards except in regard to the accounting for government transfers as set out in Notes 2(e) and 2(l).

In November 2011, Treasury Board provided a directive through Restricted Contributions Regulation 198/2011 providing direction for the reporting of restricted contributions whether they are received or receivable by the School District before or after this regulation was in effect.

As noted in Notes 2(e) and 2(l), Section 23.1 of the Budget Transparency and Accountability Act and its related regulations require the School District to recognize government transfers for the acquisition of tangible capital assets into revenue on the same basis as the related amortization expense.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)**

**a) Basis of Accounting (*continued*)**

As these transfers do not contain stipulations that create a liability, Canadian public sector accounting standards would require that:

- Government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410; and
- Externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100.

The impact of this difference on the financial statements of the School District is as follows:

- Year-ended June 30, 2021 – increase in annual surplus by \$2,082,537.
- June 30, 2021 – increase in accumulated surplus (deficit) and decrease in deferred contributions by \$61,218,797.
- Year-ended June 30, 2022 – increase in annual surplus by \$1,352,651.
- June 30, 2022 – increase in accumulated surplus (deficit) and decrease in deferred contributions by \$59,401,339.

**b) Cash and Cash Equivalents**

Cash and cash equivalents include cash and highly liquid securities with original terms to maturity of three months or less when purchased and are held for the purpose of meeting short-term cash commitments rather than for investing.

**c) Accounts Receivable**

Accounts Receivable are measured at amortized cost and shown net of allowance for doubtful accounts.

**d) Unearned Revenue**

Unearned revenue includes tuition fees received for courses to be delivered in future periods and receipt of proceeds for services or products to be delivered in a future period. Revenue will be recognized in that future period when the courses, services, or products are provided.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)***

**e) Deferred Revenue and Deferred Capital Revenue**

Deferred revenue includes contributions received with stipulations that meet the description of restricted contributions in the Restricted Contributions Regulation 198/2011 issued by Treasury Board.

When restrictions are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability as detailed in Note 2(l).

Funding received for the acquisition of depreciable tangible capital assets is recorded as deferred capital revenue and amortized over the life of the asset acquired as revenue in the statement of operations. This accounting treatment is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transfer or and eligibility criteria have been met, unless the transfer contains a stipulation that creates a liability, in which case the transfer is recognized as revenue over the period that the liability is extinguished. See note 2 (a) for the impact of this policy on these financial statements.

**f) Employee Future Benefits**

The School District provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements. The School District accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, vacation, overtime and death benefits.

The benefits cost is actuarially determined using the projected unit credit method pro-rated on service and using management's best estimate of expected salary escalation, termination rates, retirement rates and mortality. The discount rate used to measure obligations is based on the cost of borrowing. The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime of active employees covered under the plan.

The most recent valuation of the obligation was performed at March 31, 2022 and projected to March 31, 2025. The next valuation will be performed at March 31, 2025 for use at June 30, 2025. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of March 31 was adopted for all periods subsequent to July 1, 2004.

The School district and its employees make contributions to the Teachers' Pension Plan and Municipal Pension Plan. The plans are multi-employer plans where assets and obligations are not separated. The costs are expensed as incurred.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)**

g) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when a site is not in productive use and all of the following criteria are met:

- an environmental standard exists;
- contamination exceeds the environmental standard;
- the School district:
  - is directly responsible; or
  - accepts responsibility;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

h) Tangible Capital Assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Donated tangible capital assets are recorded at their fair market value on the date of donation, except in circumstances where fair value cannot be reasonably determined, which are then recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Tangible capital assets are written down to residual value when conditions indicate they no longer contribute to the ability of the School District to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. The write-downs are accounted for as expenses in the Statement of Operations.
- Buildings that are demolished or destroyed are written-off.
- Works of art, historic assets and other intangible assets are not recorded as assets in these financial statements.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)**

**h) Tangible Capital Assets (*continued*)**

- The cost, less residual value, of tangible capital assets (excluding sites), is amortized on a straight-line basis over the estimated useful life of the asset and commences the year of acquisition. It is management's responsibility to determine the appropriate useful lives for tangible capital assets. These useful lives are reviewed on a regular basis or if significant events initiate the need to revise. Estimated useful life is as follows:

Buildings	40 years
Furniture & Equipment	10 years
Vehicles	10 years
Computer Software	5 years
Computer Hardware	5 years

**i) Capital Leases**

Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the School District are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the School District's rate for incremental borrowing or the interest rate implicit in the lease.

All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

**j) Prepaid Expenses**

Software licensing and support, memberships, dues and tuition are included as a prepaid expense, stated at acquisition cost and are charged to expense over the periods expected to benefit from it.

**k) Funds and Reserves**

Certain amounts, as approved by the Board are set aside in accumulated surplus for future operating and capital purposes. Transfers to and from funds and reserves are an adjustment to the respective fund when approved (see Notes 13 – Interfund Transfers and Note 9 – Accumulated Surplus). *Funds and reserves are disclosed on Schedules 2, 3 and 4.*

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)**

**l) Revenue Recognition**

Revenues are recorded on an accrual basis in the period in which the transactions or events occurred that gave rise to the revenues, the amounts are considered to be collectible and can be reasonably estimated.

Contributions received or where eligibility criteria have been met are recognized as revenue, except where the contribution meets the criteria for deferral as described below. Eligibility criteria are the criteria that the School District must meet in order to receive the contributions including authorization by the transferring government.

For contributions subject to a legislative or contractual stipulation or restriction as to their use, revenue is recognized as follows:

- Non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year related expenses are incurred,
- Contributions restricted for site acquisitions are recorded as revenue when the sites are purchased, and
- Contributions restricted for tangible capital assets acquisitions other than sites are recorded as deferred capital revenue and amortized over the useful life of the related assets.

Donated tangible capital assets other than sites are recorded at fair market value and amortized over the useful life of the assets. Donated sites are recorded as revenue at fair market value when received or receivable.

The accounting treatment for restricted contributions is not consistent with the requirements of Canadian public sector accounting standards, which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met; unless the transfer contains a stipulation that meets the criteria for liability recognition, in which case the transfer is recognized as revenue over the period that the liability is extinguished. See Note 2(a) for the impact of this policy on these financial statements.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned, or service performed.

Investment income is reported in the period earned. When required by the funding party or related Act, investment income earned on deferred revenue is added to the deferred revenue balance.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)**

**m) Expenses**

Expenses are reported on an accrual basis. The cost of all goods consumed, and services received during the year is expensed.

**Categories of Salaries**

- Principals, Vice Principals, and Directors of Instruction employed under an administrative officer contract are categorized as Principals and Vice Principals.
- Superintendents, Assistant Superintendents, Secretary-Treasurers, Trustees and Other employees excluded from union contracts are categorized as Other Professionals.

**Allocation of Costs**

- Operating expenses are reported by function, program, and object. Whenever possible, expenditures are determined by actual identification. Additional costs pertaining to specific instructional programs, such as special and aboriginal education, are allocated to these programs. All other costs are allocated to regular programs.
- Actual salaries of personnel assigned to two or more functions or programs are allocated based on the time spent in each function and program.
- School-based clerical salaries are allocated to school administration and partially to other programs to which they may be assigned. Principals and Vice-Principals salaries are allocated to school administration and may be partially allocated to other programs to recognize their other responsibilities.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual identification of program.

**n) Financial Instruments**

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School District recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities and capital lease obligations.

All financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of these investments upon initial recognition.

Transaction costs are incremental costs directly attributable to the acquisition or issue of a financial asset or a financial liability.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)***

n) Financial Instruments *(continued)*

Unrealized gains and losses from changes in the fair value of financial instruments are recognized in the statement of remeasurement gains and losses. Upon settlement, the cumulative gain or loss is reclassified from the statement of remeasurement gains and losses and recognized in the statement of operations. Interest and dividends attributable to financial instruments are reported in the statement of operations.

All financial assets except derivatives are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

o) Measurement Uncertainty

Preparation of financial statements in accordance with the basis of accounting described in Note 2(a) requires management to make estimates and assumptions that impact reported amounts for assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Significant areas requiring the use of management estimates relate to the impairment of assets, rates for amortization, allowance for doubtful accounts, employee incentive bonuses and estimated employee future benefits. Actual results could differ from those estimates.

p) Future Changes in Accounting Policies

***PS 3280 Asset Retirement Obligations*** issued August 2018 establishes standards for recognition, measurement, presentation and disclosure of legal obligations associated with the retirement of tangible capital assets and is effective July 1, 2022. A liability will be recognized when, as at the financial reporting date:

- (a) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- (b) the past transaction or event giving rise to the liability has occurred;
- (c) it is expected that future economic benefits will be given up; and
- (d) a reasonable estimate of the amount can be made.

Liabilities are recognized for statutory, contractual or legal obligations associated with the retirement of tangible capital assets when those obligations result from the acquisition, construction, development or normal operation of the assets. The obligations are measured initially at fair value, determined using present value methodology, and the resulting costs capitalized into the carrying amount of the related tangible capital asset. In subsequent periods,

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)**

p) Future Changes in Accounting Policies (*continued*)

the liability is adjusted for accretion and any changes in the amount or timing of the underlying future cash flows. The capitalized asset retirement cost is amortized on the same basis as the related asset and accretion expense is included in the Statement of Operations.

A modified retroactive application has been recommended by Government. Management is in the process of assessing the impact of adopting this standard on the School District's financial results.

***PS 3400 Revenue*** issued November 2018 establishes standards on how to account for and report on revenue and is effective July 1, 2023. Specifically, it differentiates between revenue arising from transactions that include performance obligations, referred to as "exchange transactions", and transactions that do not have performance obligations, referred to as "non-exchange transactions".

Revenue from transactions with performance obligations should be recognized when (or as) the school district satisfies a performance obligation by providing the promised goods or services to a payor.

Revenue from transactions with no performance obligations should be recognized when a school district:

- (a) has the authority to claim or retain an inflow of economic resources; and
- (b) identifies a past transaction or event that gives rise to an asset.

This standard may be applied retroactively or prospectively. Management is in the process of assessing the impact of adopting this standard on the School District's financial results.

q) Statement of Re-measurement Gains and Losses

A statement of re-measurement gains and losses has not been presented as the District does not hold any financial assets or liabilities that would give rise to re-measurement gains or losses.

**NOTE 3      ACCOUNTS RECEIVABLE – OTHER**

	<u>2022</u>	<u>2021</u>
Due from Federal Government	\$78,890	\$73,983

	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$588,806	\$316,761
Changes for the year:		
Increase:		
Tuition fees	1,044,300	478,186
Decrease:		
Tuition fees	(588,806)	(206,141)
Net changes for the year	<u>292,667</u>	<u>272,045</u>
Balance, end of year	<u>\$881,473</u>	<u>\$588,806</u>

**NOTE 6      DEFERRED REVENUE**

a) Deferred Revenue – Ministry of Education

Deferred revenue includes unspent grants and contributions received that meet the description of a restricted contribution in the Restricted Contributions Regulation 198/2011 issued by Treasury Board, i.e. the stipulations associated with those grants and contributions have not yet been fulfilled. Detailed information about the changes in deferred revenue is included in Schedule 3A.

The special purpose fund represents government grants for aboriginal improvement and early learning, repairs and minor capital improvements to facilities, special education equipment, labor equity, and social equity programs; recorded on the capital funds represents government grants for seismic, building envelope and asset disposal proceeds in use by the Ministry of Education.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 8      EMPLOYEE FUTURE BENEFITS**

Benefits include vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, and death benefits. Funding is provided when the benefits are paid and accordingly, there are no plan assets. Although no plan assets are uniquely identified, the School District has provided for the payment of these benefits.

The period of amortization is equal to the expected average remaining service lifetime (EARSL) of active employees.

	2022	2021
<b>Reconciliation of Accrued Benefit Obligation</b>

Buildings – work in progress having a value of \$347,646 (2021: \$128,008) have not been amortized. Amortization of these assets will commence the year the asset is put into service.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 12      EMPLOYEE PENSION PLANS**

The School District and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan (jointly trustee pension plans). The boards of trustees for these plans, representing plan members and employers, are responsible for administering the pension plans, including investing assets and administering benefits. The plans are multi-employer defined benefit pension plans. Basic pension benefits are based on a formula. As at December 31, 2021, the Teachers' Pension Plan has about 50,000 active members and approximately 40,000 retired members. As of December 31, 2021, the Municipal Pension Plan has about 227,000 active members, including approximately 29,000 from school districts.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plans. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plans. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation of the Teachers' Pension Plan as at December 31, 2020, indicated a \$1,584 million surplus for basic pension benefits on a going concern basis.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The School District paid \$5,172,624 for employer contributions to these plans for the year ended June 30, 2022 and \$5,018,232 for the year ended June 30, 2021.

The next valuation for the Teachers' Pension Plan will be as at December 31, 2023. The next valuation for the Municipal Pension Plan will be as at December 31, 2021, with results available in 2022.

Employers participating in the plans record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plans record accrued liabilities and accrued assets for each plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plans.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 13      INTERFUND TRANSFERS**

Interfund transfers between the operating, special purpose and capital funds are reported on Schedule 1 (Statement of Changes in Accumulated Surplus (Deficit) by Fund). For the year ended June 30, 2022 transfers were as follows:

- A transfer in the amount of \$320,779 was made from the operating fund to the capital fund for the purchase of local capital assets.
- A transfer in the amount of \$790,033 was made from the operating fund to the capital fund for the purchase of capital assets.
- A transfer in the amount of \$19,750 was made from the operating fund to the capital fund for capital lease commitments made during the year.
- A transfer in the amount of \$26,250 was made from the special purpose fund to the capital fund for the purchase of capital assets.

**NOTE 14      RELATED PARTY TRANSACTIONS**

The School District is related through common ownership to all Province of British Columbia ministries, agencies, school districts, health authorities, colleges, universities, and crown corporations. Transactions with these entities, unless disclosed separately, are generally considered to be in the normal course of operations and are recorded at the exchange amount.

**NOTE 15      CONTINGENT LIABILITIES**

In the ordinary course of operations, the School District has legal proceedings brought against it and provision has been included in liabilities where appropriate. It is the opinion of management that final determination of these claims will not have a material effect on the financial position or operations of the School District.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 16     BUDGET FIGURES**

Budget figures included in the financial statements were approved by the Board through the adoption of an amended annual budget on February 22, 2022. The Board adopted a preliminary annual budget on May 25, 2021. The amended budget is used for comparison purposes, as these are based on actual student enrollments. The difference between the two budgets is as follows:

	2022 Amended	2022 Preliminary	Difference
<b>Revenues</b>			
Provincial Grants			
Ministry of Education	\$66,232,384	\$62,871,887	\$3,360,497

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 17     ASSET RETIREMENT OBLIGATION**

The District is subject to environmental laws and regulations enacted by the Province and local authorities.

The District currently provides educational programs in 16 schools. It also operates a number of administrative support buildings. Many of these schools and buildings were constructed prior to the implementation of current asbestos removal regulations and asbestos containing materials were utilized in their construction. The nature and extent of asbestos construction material varies from building to building.

Upon retirement of these District buildings, either through demolition or sale, the District may incur removal costs or realize reduced sale proceeds because of the presence of asbestos. The District has made no provision for the financial impact of removal costs or reduced sale proceeds as they cannot be reasonably estimated due to the indeterminate nature and date of potential future retirements.

The District presently is unable to estimate future obligations related to the removal and disposal of asbestos which is believed to be prevalent throughout District owned buildings built prior to the mid 1980s. At present such estimates can only be provided for buildings that are in the process of being decommissioned. Over the period to the required implementation in 2022 of a new PSAS standard PS3280 Asset Retirement Obligations the District will be working towards establishing reliable estimates in respect of asbestos removal and disposal throughout all relevant District buildings.

**NOTE 18     EXPENSE BY OBJECT**

	Budget 2022	Actual 2022	Actual 2021
Salaries	\$51,126,211	\$50,736,487	\$49,470,492

Amortization	4,379,269	4,373,444	4,279,219
Write-off of Building	-	-	-
	<u>\$ 78,636,112</u>	<u>\$76,958,449</u>	<u>\$75,253,531</u>

**NOTE 19     TRUST FUNDS**

Funds in the amount of \$1,999,473 (2021 - \$1,916,129) are held in trust for teachers who participate in the payroll savings plan. These funds are included in Cash and Cash Equivalents in Statement 1 for the year ended June 30, 2022 and are to be paid to teachers who participate in the plan through August 31, 2022. The amount payable is included in Salaries and Benefits Payable as stated in Note 4.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 20 ECONOMIC DEPENDENCE**

Operations of the School District are dependent on continued funding from the Ministry of Education and Child Care and various governmental agencies to carry out its programs. These financial statements have been prepared on a going concern basis.

**NOTE 21 PRIOR PERIOD ADJUSTMENT**

On May 28, 2021, the Office of the Comptroller General directed all school districts to apply the half-year rule method of amortization beginning in the fiscal year an asset is placed into service. This directive applies to both past and future purchases. Prior to this directive, the district did not recognize amortization in the first partial service year. The School District has made a retroactive adjustment to recognize amortization of all assets and deferred capital contributions beginning in the first service year. The impact of the prior period adjustment on the June 30, 2021 comparative amounts is as follows:

	<u>Increase (Decrease)</u>
Tangible Capital Assets	\$(2,171,245)
Deferred Capital Revenue	(1,582,007)
Accumulated Surplus (Deficit)	(589,238)
Operations & Maintenance Expense – Asset amortization	63,283
Accumulated Surplus – beginning of the year July 1, 2020	(525,955)

**NOTE 22 RISK MANAGEMENT**

All significant financial assets, financial liabilities and equity instruments of the School District are either recognized or disclosed in the financial statements together with other information relevant for making a reasonable assessment of future cash flows, interest rate risk and credit risk.

- **Credit Risk**

Financial instruments that potentially subject the School District to concentrations of credit risk consist primarily of other receivables. The maximum credit risk exposure is \$212,605 (2021 - \$227,844).

However, the School District believes that there is minimal risk associated with the collection of these amounts as they consist primarily of receivables from the Federal and Provincial Government organizations. The School District manages its credit risk by performing regular credit assessments of its customers and provides allowances for potentially uncollectible accounts receivable.

**SCHOOL DISTRICT NO.72 (CAMPBELL RIVER)**  
**NOTES TO THE FINANCIAL STATEMENTS – JUNE 30, 2022**

**NOTE 22      RISK MANAGEMENT – (continued)**

- **Liquidity Risk**

Liquidity risk is the risk that the School District will encounter difficulty in meeting obligations associated with financial liabilities.

The School District manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing activities to ensure, as far as possible, to always have sufficient liquidity to meet its liabilities when due; under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the School District's reputation.

- **Foreign Currency Risk**

The School District maintains a U.S. bank account and enters into transactions with vendors for supplies denominated in U.S. currency for which the related expenses and accounts payable balances are subject to exchange rate fluctuations. As at June 30, 2022, there was an insignificant balance maintained in the U.S. dollar bank account.

Foreign currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. In seeking to manage the risks from foreign exchange rate fluctuations, the School District does not hold significant funds in U.S. dollars in order to reduce their risk against adverse movements in the foreign exchange rates

- **Financial Asset Impairment**

At each year-end date, the School District is required to evaluate and record any other-than-temporary impairment of its financial assets, other than those classified as held for trading. Accordingly, the School District has compared the carrying value of each of these financial assets to its fair value as at June 30, 2022. No provision for impairment was recorded in the current year, as the fair value of all financial assets tested exceeded their carrying value.

- **Fair Values of Financial Instruments**

The carrying amount of cash, accounts receivable and accounts payable and accrued liabilities approximates their fair value due to the short-term maturities of these items.

- **Risk Management Policy**

The School District, as part of its operations, has established objectives (i.e. hedging of risk exposures and avoidance of undue concentrations of risk) to mitigate credit risk as risk management objectives. In seeking to meet these objectives, the School District follows a risk management policy approved by its Board of Trustees.

Schedule of Remuneration and Expenses:		
Remuneration	\$ 51,518,055	
Employee Expenses	204,574	
Receiver General - Employer Portion	<u>2,909,271</u>	
Total, Schedule of Remuneration and Expenses		\$ 54,631,899
Schedule of Payments for the Provision of Goods and Services		<u>20,934,015</u>
<b>CONSOLIDATED TOTAL OF SCHEDULED PAYMENTS</b>		<b>\$ <u>75,565,914</u></b>

**Financial Statement Expenditures:**

Operating Fund Expenditures (not including debt services and deficit)	\$ 64,006,684	
Trust Fund Expenditure	7,413,501	
Capital Fund Expenditure	<u>5,538,264</u>	
<b>CONSOLIDATED TOTAL OF FINANCIAL STATEMENT EXPENDITURES</b>		<b>\$ 76,958,449</b>
<b>Difference between scheduled payments and financial statement expenditures</b>		<b>\$ <u>(1,392,535)</u></b>

**Explanation of Difference**

The schedule of payments for the provision of goods and services differs from the financial statements in the following ways:

- 100% of GST paid to suppliers is included, whereas the financial statement expenditures are net of the GST rebate
- Third party recoveries of expenses from PAC and school fundraising activities may not all be adjusted for in the schedules
- Employee benefits may be duplicated in the schedule of payments where also reported in employee remuneration
- Travel expenses that are paid directly to suppliers may be duplicated in the employee expenses
- Other miscellaneous cost recoveries that may not have been deducted from the scheduled payments

The financial statements are reported on an accrual basis and include payroll liabilities that are not reflected in the schedule of remuneration and expenses, and accounts payable balances that are not reflected in the schedule of payments for the provision of goods and services. Changes in liability balances from year to year affect the financial statement expenditures but not the scheduled payments which are reported on a cash basis.
