Dear Licensee:

Your W2046 Woodlot Licence Plan (WLP) extension request for the years 2021 through 2031, initiated January 29, 2021, has now been fully reviewed.

### **Determination**

I am satisfied that the WLP has been prepared and the extension submitted in accordance with *Forest and Range Practices Act* (FRPA) and the regulations. Additionally, I understand that the WLP has been shared with First Nations and a letter of support has been received from the Mowachaht/Muchalaht First Nation. Accordingly, as the delegated statutory decision-maker under FRPA Section 14(2), I approve the request to extend the term of the WLP for Woodlot Licence W2016.

The term of this plan is February 10, 2021 to February 9, 2031. Further development taking place on W2046 must be done in accordance with the approved WLP. This letter forms an integral part of the WLP for Woodlot Licence W2046 and should be attached to it.

If you need clarification of any aspect of this determination, please contact Michelle Baker, [Michelle.Baker@gov.bc.ca](mailto:Michelle.Baker@gov.bc.ca), 250-850-1799.

Thank you.

Yours truly,

Lesley Fettes  
District Manager  
Campbell River Natural Resource District
