

Ministry of Forests and Range

**Campbell River Forest District
Identified Recreation Resource Features Locator Map**

Map 6 - (36 x 54)

NOTE TO USERS:

This map is a spatial representation (polygons and lines) of the approximate location of significant recreation resource features. Users must reference approved Recreation Features Inventories to identify the specific features present within the areas depicted on the map. Legal boundaries of established Recreation Sites, trails and interpretive forests are identified on Exhibit "A" maps.
