RE: Height Clearance Tool Replacement

The Height Clearance Tool has been replaced by the new Commercial Vehicle Routing Tool, which can be found at <https://twm.th.gov.bc.ca/?c=cvrt>, or through the links found on CVSE.ca or onRouteBC.gov.bc.ca. In addition to the clearance information previously available, this tool has additional search filters and reference layers.

Should you have any questions or concerns, please contact Commercial Transport program staff at 250 953-4017 or by email at Commercial.Transport@gov.bc.ca.

Thank you,

Courtenay Lowther
Manager, Commercial Transport
