### Collection Notice

Your personal information is being collected by Heritage Branch, Ministry of Forests, Lands, Natural Resource Operations and Rural Development pursuant to section 26(c) of the Freedom of Information and Protection of Privacy Act for the purpose of creating a list of Qualified Lead Paleontologists able to conduct fossil impact assessments.

The submission of your application indicates your consent for your business contact information and, if you so desire, your experience and expertise to be posted online. This information may be accessed from outside of Canada. Your consent is applicable from the date of your submission and cannot be revoked.

### Certification

I certify that all the information provided is correct.

I understand that, should I be accepted for placement on the list of Qualified Lead Paleontologists, my name, business name, phone number, e-mail, website address and city will be made publicly available on the BC Government internet site.

I would like my experience and expertise information to be made publicly available along with my business contact information: Yes      No
