

Ministry of Energy, Mines and Low Carbon Innovation

All information provided relating to successful applicants are correct as of March 31, 2022 and may be subject to change.

Estimated financial contributions are not final. Financial contributions are based on completion of work, submission of evidence of actual costs and required reports and are subject to the terms and conditions of the financial contribution agreement as well as review by the Province.

Estimated financial contributions vary among different service providers based on the type of work provided within the work activity categories required to restore a dormant well site.

Funding for this program has been provided by the Government of Canada's COVID 19 Economic Recovery Plan.

Dormant Sites Reclamation Program Increment #2 – Successful Applicants
